## The Latest Development in HEAT and MOISTURE Resisting Enamels

Look at the illustration! It shows one of the severe tests to which Nepto-Lee Enemel was subjected. A Lettle partly filled with water, baished in Nepto-Lee, was boiled for hours over a strong open flame, without pasting or blistering

Nepto-Lee is the enswer of the Research Laboratory of The Lowe Brothers Company, manufacturers of the famous "High Standard" Paints and Varnishee, to their many thousands of Consumer Priends for an enamel that can be used with se great success on Cooking Utensile-Hot Water Pipes - Radiatore -- Purasoss --Table Tope and other surfaces subject to heat-se on Furniture-Walle -Woodwork-Floors-Pin

Nepto-Lac with all its unique and extraordinary features is surprisingly economical. It sells for less than many ordinary Quick Drying Enamals. Come in and ask for a free Nepto-Lee Color Card and other literature on this outstanding bousehold product.

Here's What Nepto-lac Will Do-

I It can be used inside or outside.

I It leaves no brush marks.

I It is best proof-water-proof-tough - end durable.

I It dries free in two to three hours -and hard in from four to six

I It requires no undercoating.

I It requires no special thinners.

I It has no strong or objectionable

It is easy to apply and can be brushed back and forth as frequently se

I It hides unusually well in one cost.

Now comes another terror in the the end of their careers?

of the famous Alpine monks and their dogs unnecessary. It was recently reported that they have decided to abandon their famed monastery and will establish themselves in Tibst in the mighty Himalayas where they can train their dogs and give even greater service to mankind. Eki trails will break the smooth anows of the Himalayas instead of the Alps as these monks follow the big tracks and lusty howis of their dogs.

Out."

Jote's caim was apparently unbroken. "He whas?" he asked, rising and moving aimlessly toward Big Jim. Hut with a sudden motion his aimless-them door.

The detective was too quick for him. With a flying tackle that would seem impossible for one his size, he brought Joie to the floor.

W.C.T.U.

was held at the home of Mrs. Arthur confession. Reeve, Priday afternoon last, Mrs. Vanatter presiding.

A very thoughtful devotional study was conducted by Miss Coventry assisted by Mrs. Deans. The subject taken form the book "Jesus and Ourselves" by Weatherhead, dealt with the attitude of Jesus as physician of the sin-sick soul, and pointed out how unerring was His diagnosis in each of the sin-sick soul, and pointed out how unerring was His diagnosis in each of the sin-sick soul, and pointed out how unerring was His diagnosis in each of the sin-sick soul, and pointed out how unerring was His diagnosis in each of the sin-sick soul, and pointed out how unerring was His diagnosis in each of the sin-sick soul, and pointed out how unerring was His diagnosis in each of the sin-sick soul, and pointed out how unerring was His diagnosis in each of the sin-sick soul, and pointed out how unerring was His diagnosis in each of the sin-sick soul, and pointed out how unerring was His diagnosis in each of the sin-sick soul, and pointed out how unerring was His diagnosis in the sin-sick soul and pointed out how unerring was His diagnosis in the sin-sick soul and pointed out how unerring was His diagnosis in the sin-sick soul and pointed out how unerring was His diagnosis in the sin-sick soul and pointed out how unerring was His diagnosis in the sin-sick soul and the sin-sick unerring was His diagnosis in each case, and how relenties his treatment of the individual malady. Jesus was surgeon and physician both to the sin-burdened personality.

During the business discussion which followed, several items of interest were dealt with Arrengement.

terest were dealt with. Arrangements were made for the annual oratorical contest to be held May 10th, under the supervision of Mrs. W. O. Marshall, superintendent of that depart-ment, and Mrs. A. J. O'Nelli, superin-tendent of Scientific Temperance Education.

Pollowing the conclusion of the business period, we were favored with an address by Lieutenant Graham of the Salvation Army. Speaking of the duty of the church, she pointed out that the purpose of its existence was to extend the Kingdom of God upon earth, and in this effort was included the clearing away of all hindrances to this accomplishment. W.C.T.U. members therefore are justified in their positive opposition to the use of alcoholic liquor, which is a detriment to body, mind and spirit.

Mrs. Roeve expressed the thanks of
