LANGER BUSINESS Work has progressed splendidly on Mr. H. Silver's large addition to his store. Within a short time the structure will be completed and the new store will represent a floor space double that of the present building.

It must be a matter of considerable pride to the owner, that his business has made such wonderful progresse during the past few years. Mr. Silver owes his success mainly to honest and conscientious business methods.

Mr. Hilver informs us that he is soing to expand his business in no small manner. He expects to carry a considerably larger stock than in the past and is soing to introduce several new lines.
