ACCIDENTS AND COMPENSATION During the month of May 4,734 socidents were reported to The Work-men's Compensation Board. 17 of these being fatal cases. This com-pares with 4.486 during April and 4.463 during May of 1934, and brings the total this year to date to 25,104, as against 20,130 for the corresponding period last year.
The total benefits awarded during May amounted to \$470,142.60, of which \$376,467.19 was for compensation and 893,676.41 for medical aid. The benefits swarded during April were \$305,-

OPEN SEASON — BLACK BASS AND MASKINONGE

In view of popular demand from interested anglers who desire to take advantage over the Dominion Day holiday of the privileges which flah-ing for these species affords, and hav-ing in mind the fact that the holiday this year happens on a Monday, the Department of Came and Fisherwill provide that for the year 1935 open season will commence on Saturday, June 29th, to apply to those waters in which this open sesson would ordinarily commence on July 1.
