Band Competing at Waterloo

The Lorne Rifles (Scottish) Band will go to Waterloo on Saturday next where they will compete at the Waterloo Musical Festival. We wish them success and feel sure they will sustain their high reputation as a musical organization. The boys would be pleased to have any citizens, who can, accompany them.

Members Lorne Rifles Visit Muskoka

About 65 members of "D" Co. Lorne Rifles of Halton, were guests of Major John R. Barber on a three day holiday in Muskoka. Other officers accompanying the boys were Lieut. J. A. Early and Lieut. Keith Barber. Sgts. C. Moreton and J. Erwin of the Peel-Dufferin Regt. were also guests of the Halton officers. Camp was made on Capt. Fowler's property near Port Carling and an enjoyable time was spent in games and bathing. A trip around the lake in a large pleasure launch was a feature of the outing. The boys returned home Monday evening delighted with their holiday and entertainment.

Another Successful Garden Party

The spacious grounds of Mr. Hume Currie at Stewartown were crowded last Friday night on the occasion of the garden party given under the auspices of Scotch Block Circle of the W.A. of Knox Presbyterian Church, Georgetown. An excellent program was given by Ernie Bruce, entertainer, Toronto; Miss Beth Watson, Scotch piper and dancer, Toronto; Alex Watt, tenor soloist, Brampton; Mrs. Geo. C. Brown, vocalist, Norval, and Pipe Major Stewart of the Georgetown Pipe Band. The large crowd were delighted with the program and the evening was one of the most enjoyable held in this section for some time. Rev. Dr. Howard of Palmerston was the genial and efficient chairman of the evening.

Arnott Family Reunion

Some eighty members of the Arnott family descendants of Henry and Maria Arnott, held a family re-union at the home of Mr. and Mrs. Arnott Early, Georgetown, on Saturday last, celebrating the 106th anniversary of the settlement of the family homestead at Lot 1, Fifth Concession West, Chinguacousy township. The youngest was George Edward McClure, eight-months-old son of Mr. and Mrs. Harold McClure, Georgetown. The afternoon was spent in games and social intercourse followed by a delicious luncheon served on the lawn.

BASEBALL

Georgetown Win From Guelph in a Hard-hitting Struggle on Thursday Night Last

The Georgetown baseball team defeated the peppy Guelph aggregation in the park here last Thursday night by a 4 to 0 score. It was a fast, hard-hitting tilt which ended with Georgetown well in the lead. This was Guelph's first defeat and the Georgetown team deserve a lot of credit in being able to out-class them.

Walters of Georgetown staged a real comeback and pitched a wonderful game. He was well supported in both the infield and outfield.

Georgetown journeyed to Acton on Saturday last, but were not quite so successful there. Acton won by one run, the score was 8 to 7. The locals led Acton by six runs up and until the 7th innings, when they staged a rally and brought in 7 runs to put them one run up at the end of the game.

Georgetown won an exhibition game staged at the park here on Monday, July 1st. Port Credit won the first game of the tournament from Hague's of Toronto, 8 to 3; then the local boys won from Port Credit 3 to 0. This win entitled them to the prize donated by the Pipe Band who were responsible for the tournament.

The Georgetown team wishes to thank the visitors from Acton and Guelph, who so kindly assisted them on account of a number of their players being away, and especially to Mr. Joe Kane of Guelph who wore a comic costume and clowned around in general, to the delight of all present. He was a real treat in his many funny actions.

Acton play here on Thursday (tomorrow) night at 6.30 p.m. This will no doubt be a thriller, as Georgetown is out to beat our neighboring town and to get into second place in the play-offs.

Fall From Tree Fatal

Falling fifteen feet from a poplar tree he was trimming in front of his home to a cement sidewalk below, James Adams, prominent Klora citizen, was almost instantly killed. The late Mr. Adams has been a highly esteemed resident of this village for the past forty years, having been an active worker in the United Church as well as a staunch supporter of the Conservative party. He was in his seventy-fourth year, a native of Chatenham, and a son of the late Mr. and Mrs. John Adams. He lived in Georgetown and Fergus before taking up residence here. Doubled Up With Rheumatism

Could Not Wash Himself Nor Brush His Hair

So bad was his rheumatism that his friends declared he would never work again. Although he is 70 years old, he proved they were wrong. Read what he says:—

"I am seventy years of age. Last Christmas I was completely doubled up with rheumatism. I could not brush my hair nor wash myself. People said I should never work any more. I am working harder than a young man to-day. Thanks, many thanks, to Kruschen Salts. I take them in my tea, and I have recommended them to many. I could not get in or out of bed myself, nor sit up. But see me work now—12 hours a day sometimes. Kruschen Salts have done it."—G. J.

Rheumatic conditions are the result of an excess of uric acid in the body. Two of the ingredients of Kruschen Salts have the power of dissolving uric acid crystals. Other ingredients assist Nature to expel these dissolved crystals through the natural channel. In addition, there are still other salts in Kruschen which prevent food fermentation in the intestines, and thereby check the further accumulation not only of uric acid, but of other body poisons which undermine the health.

TERRA COTTA

Mr. and Mrs. Savage of Toronto have moved out to their beautiful summer home here. We are pleased to welcome them back to our midst.

Mrs. D. Stamp, we are sorry to report, is quite ill and we hope soon to hear of her complete recovery.

Messrs. J. McLeod, Wm. Hunter, W. F. Hunter and Miss Wilma Hunter enjoyed a motor trip to Owen Sound and other northern points, and all report an excellent trip.

There were a number of holiday visitors in our hamlet on Monday.

Our Sunday School was re-opened here some time ago, and is going along in a flourishing condition with an able staff of teachers and officers. They report that the turnout so far is very encouraging and we are pleased to learn that everyone is so deeply interested in the good work. It is also hoped that Rev. Mr. Stephenson will soon be able to take charge of the church service here.

Our citizens were shocked to hear of the sudden passing of Mr. Grey on Sunday morning last after a very brief illness. Deceased was a very highly respected resident of this place. The remains were taken to the home of his son at Long Branch, where the funeral took place on Wednesday afternoon. We all join in extending our deepest sympathy to the bereaved widow and family in their sudden bereavement. His end was peace, sweet peace, which knows no ending.

Mr. R. J. Stringer attended the celebration of the 60th anniversary of the Acton Free Press at the beautiful home of Editor Dills last week. A very pleasant and enjoyable afternoon was spent and after a bountiful supply of refreshments had been partaken of a theatre party proved a fitting climax to a delightful gathering.

A number from here attended Mr. J. Bloke's barn dance at Tullamore on Friday evening last and report a good time.

Mr. R. J. Stringer spent a few days with Mr. and Mrs. C. McKeown of Acton recently.

TORONTO BOY DROWNED IN HUTTONVILLE POND

While swimming in Huttonville pond last Sunday afternoon, Bruce Mitchell, aged 21 of 114 Greenlaw Ave., Toronto, sank in 20 feet of water and was drowned. His body was recovered twenty minutes later by Percy Platt of Booth Ave., Toronto.

As soon as he got the body ashore Platt secured the assistance of Miss Doris Harker, 6 Belvedere Road, Toronto, a trained nurse, and both attempted artificial resuscitation until Dr. J. I. Bromley arrived. The latter worked with the two for almost three hours, without success.

Mitchell was swimming some distance behind a companion, Miss Bertha Mosely, 315 Victoria Street, Kitchener, and when the two were out considerably from shore Miss Mosely turned around to see how Mitchell was progressing. "I could not see him, but noticed bubbles," she related, and raised an alarm.

The body was removed to the Brampton Funeral Parlors and Dr. J. A. Lawson, the local Coroner, made investigations, after which he announced that no inquest would be necessary. Platt's heroism and the assistance given by Miss Harker were highly commended.
