HOUSEHOLD HINTS Buttons are fast ionable again. You may have some pearl ones which have gone dull with keeping or washing. To make these like new-paint the entire surface with colorless nail varnist or natural if you wish to give them a pinky cast. Let them dry and they will have a lustre as when bought.

Rub a little of any furniture or floor pollah into the wrong side of your duster, then fold it in the ordinary way and dust. You will have a perfect polish and not a smear, and your dusting will look twice as well done.

Before vacuum-cleaning a carpe rub it well with a large lump of salt. Then pass the cleaner over it, and you will be surprised to see how many tones lighter the carpet looks-clean and with its colors wonderfully re-
