Man Wanted  
The world, it is said, is always looking for men and women who are not for sale; men who are honest, sound in their nature and of proven character; men who know their own business and tend to it; men who will not lie, shrink or dodge; men who are too busy to work, not too proud to be poor; men who are willing to let what they have paid for, not afraid to say "No" with emphasis and who are not ashamed to say "I can't afford it."  
Single Men Are in Majority  
Out of 100 men who were serving their first sentence, 123 were convicted for the first time and for more than a third time. This institution continues to do good work among this class of citizens.

**BURGERS AGAIN VISIT C.N.R. STATION**

About 3 am. Friday morning last burglars again visited the C.N.R. station here and this time removed the safe from the express office, but were not successful as the week previous. The chief was out on the scene and the burglars evidently anticipated trouble and disappeared. Entrance was gained by the express office through the window, after which the doors were opened and the safe hauled out on the platform ready for loading.

**Ballinacraig Woman Almost 103 Years Old**

Another fortnight and Mrs. Agnes Young of Ballinacraig will be 103 years old. A century of life has failed to spoil her taste for life, and she does not accept the holidays merely as milestones to mark her great age. There is pleasure in the anticipation of a birthday, and pleasure in the voice of the friends who greet her on the momentous occasion. Moderation has been her watchword, and she still observes moderation in her daily life. There are days when she stays in bed, content to let the world pass without her, but most days she is up and about, interested in the routine of her home. Her hearing is a little dimmed, and she can no longer see sufficiently well to read, but her wit still carries her out into the world, and she is contented.
