Thinking of Others. The writer of this letter is thought to For several weeks there were suicides be the brother of Jesus who became linder of the Christian Church in Jerusalem. His letter is written to the Jews of the Dispersion who had travelled far afield, some for purposes of trade and others driven out by persecution. James at the centre in Jerusalem did not forget the exiles at the circumference. His concern for others was not on the level of the proverb, "Out of sight, out of mind."

What were the temptations into which the Jews of the Dispersion fell?

Homesickness for one thing, a stacked in sense from the tempta and synagogue in some cases, religious controversy between Christian and non-Christian Jews, business discouragements and restal injustions. James asked the reader to stand up to these testings because at learning through discipline, perfection is made possible by victory. James even goes so far as to say.

"count it all joy when you are tested." The period of testing may be anything but joyful, but those who have instalt sufficient to see what is happening to their corn moral fibre can accept tamptation as necessary discipline. It was a prayer that?

One man said in amount fibre can accept the corn of the process of the surprise for an easy life?

A CHEQUE FOR OUR FIRST WINTER'S FUEL

> Whether you have it given to you -or whether, perforce, you must buy it yourself-there's no pleasanter sight at this season of the year than a bin, filled to the top with a winter's supply of fuel. Particularly if the fuel is the modern, dustless

Hamco Coke. Then you can count on cozy warmth in every room of the house, no matter how icy-cold the winds whitele 'round your caves. And you can count too, on less work because Hamco Coke is lighter on the shovel and produces a minimum of sih. It banks economically at night and is quick on the "pick-up" when you adjust the drafts in the

● And if you're on a budget—mark down your fuel costs and put the savings where you wish.

Coke will heat your home at a lower cost than other hard fuel.
