### We Must Face Facts and We Must Have a Fresh Deal

Stevens Seeks a Better Life for the Ordinary Fellow

### Halton County

What is the major political lieue of the day?

As Hon. H. H. Stevens, leader of the Reconstruction Party area it, the vital policy of the past, namely contentra-tion of control of credit, finance, industry and commerce in the hands of a very limited number of corporathe democratic principle of directing our ecomole atfairs in the interests of the people as a whole. Boot, Canada's next governor-general,

in a recent publication, said: There to no standing still in life. We must face facts and we must have a fresh deal. Capital gets too much out of That we must change." agreement-they demand a better life for the ordinary fellow. White W. L. Mackenste King, leader

of the Liberal party contents himself with repeating worn out alogans of an others were content to talk. "Liberty," Mr. Stevens warns that political liberty without economic lib-

ly in the over-riding power exercised by great merchandising institutions. of a few large loaning corporations.
The small borrower finds himself control of credit and finance, to degree which makes borrowing almost impossible. Hence the drying up of initiative among the smaller produc-

ers and distributors. These illustrations will show how this trend of concentration is affecting the welfare of the people unorganised farmers, or labor which is organised under the labor union system in a most imperfect way, or scattered individual merchants, or the small manufacturer, and others such

### To the Electors of Canadian Farmers Support Stevens Candidate

Realize Benefits Already Gained Will be Trebled Under Aggressive, Courageous Leadership of a Man Who

During the Past Two Years has Proven Himself to be the Farmers' Friend.

Hon H. H. Stevens, leader of Canada's Recon- knowledge of town and rural probthe pool-labor and brains too lutie. struction Party and crusader for the Underdog, has truly Tessdamuir and stevens are in carned the support of the farmers of Canada.

Unlike many political leaders he has acted while the Hoard when he lost his residential were content to talk.

Champion of the Forgotten Man, he set out, as the first and vegetable industry, having claims "The old order of Capitalism is some," but hastates to commence the task of rearing a new social structure, Mr. stevens comes out boldly and courageously for a new order in which the state launches a concrete policy of sconomic security for all.

Mr. stevens envisages the fight as one in which the Common Psonis are

which the state launches a concrete policy of sconnects security for all.

Mr. filterents envisages the fight as one in which the Common People are arrayed against. Organized brimance arrayed against. Organized brimance its regards it as a revoit of small brimance who have become intolerant as social security which as several predaction of wealth has been soing on at an increasing ratio during the great benefit of many farming communities. He demonstrated the urgent need for curbing legislation that protection might be afforded the farmer and the thusiants admire of the market for his products. When he is made at capital strength dominating the market for market these products, be in his teeth and went it alone.

All this required courage. It demanded determine the market of connection is settly for the products and present the connection of the british agriculture and the products are of the darkets council, the organization entrated with the great benefit of many farming communities. He demands the protest and thus Buying Commission, the great benefit of many farming communities. He demands of the products and powerful conformation of twelfilm and present and the protection might be afforded the farmer and the thusiantic admirer of 1600. H. H. Blevens the street on the Committee of the products when the glat was made at capital strength dominating the market these products. It was at this time be because an entitude of the products and present and present and present and present and present and present and the protection might be afforded the farmer and the thusiantic admirer of 1600. H. H. Blevens the state organization of improving the distribution of their said the preparation to preparate and present and vegetables. As president of this organization the preparation to preparate and present and vegetables. As president of this consent and the price of the preparation to preparate and present and vegetables. As president of the said the preparation to preparate and vegetables. As president of the said the p

All this required courage. It demanded deterhaving anything whatever to do with the hard that he has lost his bargaining power.

Again, the worker finds that he has no opportunity to secure work. He has been a mamber of the Canada's leading aports organizers. Its founded the Hamilton Clympic Club and was first president. It has been a mamber of the Canada's leading aports organizers. Its founded the Hamilton Clympic Club and was first president.

Stevens, more than any other Canadian, is seixplus of labor available, many powerful corporation employers take advantage of this situation to reduce
wages. In other words, they exercise
an arbitrary control over the worker.

Itence his conclusion that concentratration of power is inimical to his interest. His tendency is to revert to
the strike, or else he is attracted by
advocates of revolutionary measures
or complete State ownership of all
economic activities.

The independent merchant and
small manufacturer class experience

Every farmer, in his capacity as a small business | Buch a wide and varied experience Their capital structure and mass distribution enable them to dictate to the producer, be he farmer or manufacturer, the price that they will pay for the goods. And by a very skilful system of discriminatory discounts and destructive competition, they render the smaller distributor helpless in the face of this concentrated control.

In the realm of credit, a great mass

In the realm of credit, a great mass of the surplus wealth of the country
—surplus winnings of private individuals, estates of persons deceased and H. Stevens is aware of the handicaps under which agriculture is bogged down. He is determined to right those oppressive conditions which have been such facconfronted with the most arbitrary tors in creating and prolonging the depression.

> it can be done. No evasion of issues on his part, no hiding behind obsolete constitutions and befogged constitutional lawyers. His the will to do in marked con-trast to he who admits reform is needed but difficult to evolve.
>
> the latest thing in political parties in a country where regulation, recon-struction and reformation are the passwords to public favour. Buch leaders as Premier R. B. Bennett and his former Cabinet Minister H. H. Stevens are converts to Reform,

Knowledge and conviction go hand in hand. Labour Group in Parliament and founder of the COF. has been a coned institutions that control great Knowledge, born of trying times, creates conviction firmed Socialist since war days. that the hour of protest is at hand. In Hon. H. H. Stev-The Reconstruction Party holds it is that the hour of protest is at hand. In Hon. H. H. Stevthe duty of government to formulate ens is seen the medium for effective protest. Canadian sions of being a Reformer, but rather the duty of government to formulate such laws and bring into existence a form of administrative organisation as will hold the balance in equity between the great mass of the poople and powerful corporations which control credit, industry and commistree.

In other words, are we to continue development and enlargement of the successory of wealth at present controlling Canadian vocations development and enlargement of the successory of wealth at present controlling Canadian vocations are we to have a truly democratic Bists where, not only in the political realms as well, the will of the majority and the welfare of the whole take precedence over the selfish ambitions of the few?

Stevens knows what is needed. Courage, the Majority and the stage passed when the only in the political parties, both Liberal and Conservative, and Conservative, are with Stevens because he typifies a new force in the contents of Covernment. He tooks askance at third parties in general, and the distrection of Democratic Covernment. He looks askance at the political life of Canada and arrives at the moment when all are gripped with the failure of the old parties, who, tied and bound by prejudices, fears and unwholesome affiliations, lack the energy, desire and ability to function as the Great Task demands.

That is no opposition-party talking, simply a true picture of the altustion as it faces us today. When we look around us and see people suffering in a country so endowed with everything that we could possibly desire, does the day has passed when the only in the political parties, both Liberal and Conservative, and the inepetitude of Consensative, and the destruction of Covernment. He looks askance at the destruction of Covernment. He looks askance at the moment when all are gripped with the failure of the old parties, who, it is attitude is dictated to some extensions of the second parties of the second parties.

affiliations, lack the energy, desire and ability to function as the Great Task demands.

That is no opposition-party talking, simply a true picture of the attuation as it faces us today. When we look around us and see people suffering in a country so endowed with everything that we could possibly daire, does as it faces us today. When we look around us and see people suffering in a country so endowed with everything that we could possibly daire, does after the world possibly believe that the duty of the state to ensure for its people opportunity to secure food countless Canadian farmers look with hope and faith, confident that under his leadership agriculture will once again become a prosperous industry. He is himself a farm owner.
