In what sense has Christ been vic-

Are we to Remain Helpless Pawns in the Tragic, Pitiless Pastime of Party politics?

It is no less than a diagrace that a young and vigorous country like Canada, lavishly endowed by Nature, should find herself facing bankruptcy, one-tenth of her people on relief, her business and industry languishing, and her citizens laden with the highest per capita debt of any nation in the world.

The cause-PARTY POLITICS-no less! If the time has not come when "none are for the party, but all are for the State," then our case is hopeless. We are self-doomed to the slavish domination of our party masters. We are pawns, beloless pawns, in the pitiless pastime of party politics.-Sincos Reformer.

To the Electors of Hallon County;

October 16th-fateful day in Canadian history-draws near Have you faced facts?

Are the High to become Righer, the Poor Poorer! Are the scales of social justice to be belenced? Which has the greater value - the dollar bill or the human being? Who is to prevail-the Organisad Financial Inspects or the Common

or the Rule of Gold; Might is Right or Might to Might? The answer reals with you.

Canada boasts a financial clique that holds the common people are incanable of thought. illind allegiance to old political parties has always been right down the alley for organized finance. The chap who voted Grit or Yory because his grandpappy did has been putty in the hands of the Money Manipulators He has been uncouraged in his party loyalty-bitter quarrets over tariffe were sale, they obscured consideration of monetary reform, of economic liberty of progressive steps toward to come only as the Master Minds of High Finance permitted.

History repeats itself. One hundred years ago a flery Orusading Reformer, William Loon Mackensie, launched a revolt to break the grip of the Pumily Compact of that day. He fought for political lib-Today the struggle is for economic liberty with Hon. Harry H. Stevens

Mackensie, as he seeks to smach the ily Compact. Eight months ago, Rt. Hon. R. B.

Bennett, prime minister of Canada. electrified the nation by his famous radio declaration:-"The old capitalistic system gone. It will not return. The old system served you well, but it ended in a condition under which there has ployment and poverty in the midst of capitalistic system-child labor, sweat prices to primary producers, high fail to realise what unemployment inherent delects of the capitalist we should sholish the system. A gen-eration of strife, death in foreign lands, at home the fearful struggle for wealth-these evils flourished in

And what has happened? Bennett blows hot and cold. talks reform but there it ends. leaves us on the proverbial limb, or as one critic has said: "If Bennett believed what he said then he stands tool of the system he condemns." months and one session of parliament have passed since those words of the Prime Minister lifted us, for the moment, out of the depths.

And what of King? The financial editor of Toronto Baturday Night quotes a prominent bustness man as saying:-"I think I'll vote for Mackensie King. His record has been one of policy that suits me." policy approved of by all the financial by the state. It wants complete freegobble up the small manufacturer, the independent retail merchant in complete subjection.

Wm. Lyon Mackensie, the Great Reformer, would blush with shame and tremble with indignation if he knew his grandson. Ht. Hon. Wm. Lyon Mackensie King, in the hour of ful Inactivity endorsed by the financial family compact of 1935. Masterful Inactivity! What an app description of the Liberal policy and of a leader who declares, under his own aignature; that unemployment is Canada's greatest problem and who offers, in the sixth year of the depression, to meet this problem by set- Win.

Shades of 1837!
