ARMINYICE DAY I think I hear them stirring there to-

Who have lain still Bo long, so long, beside the Alune Loire. On Vimy hill

The young, the trave. The gallant and the gay-unmurmur-

ing long.

There in the grave. day-

Beyond recall! think that their young ever are channel twenty years ago in Kitchen-WILLIAMY On us who so

So gaily to our spects, this holiday I think they know! I think that they are listening to-day I feel them near! Our orators declaim-they answer tack. "Why the we here?"

Across the fleet forgetting years it To-day their cry "O world. O world

vain. Why did so dist" Above the earth's enduring hates,

they ask. think they are remembering, this Of Armiatical

And oh. I think I hear them weening Who should be sleeping

A plaintive thing-to hear across the world The young dead weeping!

MY CREED

The food that I share with others Is the foot that nourishes me The strength that I spend for others guns across the channel to-night. Is the strength that I retain The Freedom I seek for others Makes the forever free. The pain that I case in others Shall take away my pain. The load that I lift from others Makes my load disappear. The good that I are in others My greatest good shall be.

The love that I feel for others Comes back my life to cheer. The path that I walk with others Le the path God walks with me. -Orace Hill Preeman.

Up the Line Again

It was Victoria station and boat-train for Folkestons. But

They had packs with them, but not mules and wagons. They sigh for all for up the time. Hefore tetting out The ruin of Mont-St.-Flot towers on their various careers they were stands as the Franco-German war laking one last hike through the left it. The Noche spared it in the Pyreneca. And it was just such young idealists that crossed the English er's army.

A German friend was seeing them off. I gave him a letter to post; the guard blew his while and the four knglichmen struck up a bolsterious song in German as the train pulled On the way they talked of Boats and Canada It seemed no time until

to drew alongside the boat at Folks-It was after midnight and the revolving tram of the lighthouse swept over the quiet town where Canadian

camp. Hut there was no rumble of A Prench sailor was singing to himwill us he leaned over the ship's rail guiding the big mail crates into the hold. Some old French see chanty maybe. But on drawing closer I found it was a French version of the Big Blad Wolf."

Creeping between the sheets of a comfortable bed, it was pleasant to recall the night we set out scross the ship bound for an unknown port, finally to braunk off the cout of France. titill, one missed the strange glamor created by an ever-present enemy lurking in the darkness; the ex-It is hard for a bride and a groom pretancy of a torpedo, and the con-while on their honeymoon to look linual alertness for an emergency like old married folks as it is for old which made life so intense.

The sun was rising behind and funnels when we came on deck at Dunkirk. I was directed to a local train for Arras. As the Paris express pulled out I waved farewell to the students and a Prenchman I met on the boat. Then I was told that was the train I should have taken. Grabbing my bag, I raced after it, mawing a wild leap for the running board As the door awang open there were excited cries of "Monateur, monateur." and I alammed it behind me just in time to save it being ripped off by a mail crate as big as a box car.

Very Different New The troop train which took us up through St. Pol to Brusy moved like a anail through anow-laden country.

and beyond it are estaminets, cafes

shaded tables and chairs arranged in-vitingly along the aldewalk. Vitingly along the sidewalk.

I walked down winding streets where one has to squeeze into door ways to escape passing trucks. A sticker on a post read: "Fascism—No. Boctalism—Yes." But the people of Arras were carrying on with their casual occupations in their own casual way. Here a cool dusky interior with a man corking bottles, and there a bakery where girls are wrapping biscuits. The same quaint vehicles that carried refusess rattle slong the that carried refugees rattle along the atreets, and harnessed does are still used for hauling hand caris.

Suddenly I emerged on the Petite Piace which fifteen years are looked like the city dump. Its quaint Fiem-ish architecture is faithfully reproduced and the beautiful Hotel-Corps kinds, headquarters for the vimy Ridge puah, 120 Visits to homes
