Following an attack of pneumonia Charles Ray Givens passed away at his home at Silvercreek on Monday. He was in his 22nd year and was born in Esquimaux. He was an honorable young man and his death is deeply regretted by his family and friends. The funeral took place this afternoon from the home of Thomas Appleyard, lot 24, con. 8, Rev. D. D. Davidson conducted the service, and the remains were interred in Greenwood cemetery, Georgetown.

**ELIZA SLOANE FETCH**  
After a brief illness, there passed away at the home of her sister, Mrs. W. H. Rutledge, Port Credit, on Tuesday, Dec. 28th, Eliza Sloane Fetch, youngest daughter of the late Benjamin Fetch of Bolton, Lot 22, 6th Line west Chinguacousy, seventy-three years ago, where she spent her early life, later residing in Toronto. She was a member of Cooke's Presbyterian Church, where she had taken an active part in the work among the Chinese in the past thirty-five years. Rev. Mr. Thomas of Cooke's Church, assisted by Rev. Mr. Lundy and Rev. Mr. Mitchell of Port Credit, conducted the funeral services at the home, then proceeding to the home of her nephew, Frank Fetch, where Rev. N. MacMillan of Norval and Rev. E. McWah, Chinese pastor, took part in the service. Members of her Chinese class acted as flower-bearers, while the pall bearers were six nephews of the deceased: Fred and Oscar Rutledge of Toronto, Ollie Rutledge of Detroit, Woyan and Bert Fetch, of Toronto, and Frank Fetch, Georgetown. The funeral on Wednesday, with a service at Knox Church, following a brief one at the home, was attended and was conducted by Rev. H. L. Bonnie. Interment was made in Fairview cemetery. Relatives and friends were present from Toronto, Brampton, Georgetown, Hamilton, Guelph, Rockwood and other points. Numerous floral tributes were offered in sympathy and appreciation. Scott of Larchmount; and Mrs. Caraphan and Mr. Taylor of Acton.—Free Press.

**CANADIAN-BORN NEW YORK COMMISSIONER EXPECTS COMMUTATION FOR TWO**

New York, Dec. 31—Facing lonely cells in Sling Sing's death house, Michael J. Mooney, 18, and James Murphy, 19, today watched the New Year's approach with dread.

The youths owe their plight to a reunion after months of separation. There was a drinking party; then the question, how to get more money for drinks.

Murphy had a gun. They went into a drug store. Now they have but a few weeks to live.

A quiet young man sat in a New York office and pondered the fate of Murphy and Mooney, and others who will follow them. He was New York city's 46-year-old commissioner of correction, Canadian-born Austin H. McCormick.

"Society gains nothing by taking the lives of young murderers," McCormick said. "Youths under 21 are not considered responsible for voting and other purposes. Why should they be penalized as adults when they commit murder?"

"I am utterly opposed to capital punishment," he said. "If the commissioner went on, 'As far as can be discovered, it has had no effect on the murder rate; it makes conviction difficult, and it cheapens the very thing we seek to protect—human life.'"

McCormick said he had called the special attention of Governor Lehman of New York state to the cases of Mooney and Murphy. He believed on consideration, the governor would commute the sentences.

McCormick is a native of Georgetown. He studied in the penology at Bowdoin college in Brunswick, Me., and served short "terms" in two prisons—to see what it felt like. Toronto Star.

## THIS AND THAT IN SPORT

By G. "Mac" McGillivray

The Curling Club are away to a great start this year and are now looking for new recruits. The McCormack Cup has been put up for competition, and all interested in this sport are asked to "join up" now and get started with the rest of the boys. The ice is in the best of condition and a good season is anticipated by the curlers.

The Intermediates did well to win in Bolton Monday night, when you consider that some of their players are the leading scorers in the Toronto Mercantile Hockey League.

The Juniors have won all of their three starts. Keep up the good work boys.

Hopkins, one of Orangeville leading Junior scorers, was injured in a game with Fergus this week and will be out of the game for some time. Orangeville are in the group with the local Juniors.

The Georgetown Slalom Club has been organized again this year, and with perfect weather and lots of snow have been having a grand time. There is a ski party Friday night and everyone interested in skiing is invited to attend. New members will be welcomed, so get in touch with either P. Barber, A. Kean or L. Clark. There is already a very large membership, so get in the fun.

The Redwings play in Milton on Thursday night, against a picked team of 15-year-old boys from the County Town. This game will be part of a carnival attraction at Milton. Howard Teasdale is the capable manager of the "Wings."

On Saturday at 1 p.m. a game has been arranged between the Rangers and the Milton "All Stars" at the arena here, and at 2 p.m. the Waterloo "Siskens-Cubs" will play a team of twelve and thirteen old boys from the Maple Leaf and Canadian teams. Don't miss these games if you are midget fan, for there will be nothing but smart hockey.

Midget players' passes are not good for the above exhibition games, except the boys actually playing.

Managers are again reminded that midget players cards must be completed and turned in to the President, G. O. Brown, by Jan. 11th.

**Brampton Out-Class Milton 11-4 Monday Night**

**BRAMPTON'S HOME GAMES BEING PLAYED HERE**

As Brampton are playing all their home games at the Georgetown arena, they took on Milton Monday night, which turned out to be a rather easy task. After sixty minutes of not the best kind of hockey, but lots of action, the Brampton team came out on top 11-4.

Play was rather even at the opening of the game, with Milton scoring the first goal of the evening. This was the smartest goal of the game, and came on a solo effort by Bob Brush who skated the entire length of the ice to beat Richardson in the Brampton net. Milton then ran into a bad penalty when their goalkeeper was penalized for holding Weller's stick.

During his absence Weller took advantage to tie up the score. Toletzka then received a puck in the face which put him out for the balance of the period. Brampton scored again before the period ended when Bull Flicked in Anthony's pass.

The sandwich reel displayed the best brand of hockey of the evening, with only one penalty and Brampton scoring twice to Milton's once. Anthony scored both Brampton counter's, while Carter was the Milton marksman.

Brampton went on a scoring spree in the third period when they scored seven times. Soloski got 3, Anthony 2, and Thompson 2. Transon and Brush scored for Milton.

Bill Anthony was the play-maker of the Brampton team, while Bob Brush was the most forceful Milton attacker.

Brampton—Goal, Richardson; defence, Gibron, Cleavelly; centre, Anthony; wings, Thompson, Worthy; subs, Weller, Bull, Soloski, McIntosh, Cole.

Milton—Goal, Bundy; defence, J. Brush, Toletzka; centre, B. Brush; wings, Transon, Blinco; subs, Post, Galbraith, Carter, Lott, Clements. Referee—"Dutch" Cain, Toronto.

## Intermediates Trim Bolton 3-2 in Overtime

**GOAL GETTERS ARE WARD, TOST AND RICHARDSON**

Georgetown Intermediates stepped into Bolton on Monday night and surprised the home team with a 3-2 score after ten minutes of overtime play.

It was a great game from start to finish with both teams travelling at top speed all the way, and Georgetown coming from behind to win. Bolton scored both their goals in the first period, when Crocker and Zuluaga did the scoring.

In the second frame Georgetown tied up the count, with Ward and Richardson doing the scoring.

The third period was scoreless, and it was not until the teams had gone into ten minutes of overtime that the deciding goal came. Tost took a perfect pass from Dick Riddall in front of an open net to send Georgetown home with colors flying.

It was a hard fought contest, but on the play Georgetown deserved the win. Malone was back in goal and played a brilliant game.

**BLACK EYE FOR PUBLIC OWNERSHIP**

Summary dismissal recently of A. McCrimmon, secretary and controller of the Hydro-Electric Power Commission of Ontario was accompanied by no explanation from the government. Mr. McCrimmon has been general manager of this \$400 million enterprise in everything but name, since the enforced resignation of F. A. Gaby in 1934. His resignation was requested by Hon. W. L. Houck, vice-chairman of the Commission "on orders from higher up." No accusation has been leveled against Mr. McCrimmon, who for three years, has filled one of the most important executive posts in Canada, neither has any explanation been given of this demand for his resignation.

It is little wonder that publicly-owned enterprises, like Hydro have difficulty in obtaining and keeping a first class personnel. There is no joint-stock company of any size or importance in Canada that would make a move of this kind without some explanation. The assumption is that Mr. McCrimmon's dismissal has been prompted by political motives, in which case the hopes for independent management raised by the recent appointment of Dr. Hogg as chairman of the Commission, may prove ill-founded.

Ontario's hydro enterprise is often held up as a model of wise and enlightened public ownership. But hardly a year passes without some glaring evidence of the major weakness in this or any other publicly-owned corporation, namely political interference.

Until some reasonable explanation is given as to why Hydro's chief executive was fired, the stigma of political control will remain.

It looks like another black eye for public ownership.—Financial Post.
