With the Slalom Club

GEORGETOWN SLALOM CLUB HOLD FIRST MEETING

With Large Attendance — Election of Officers — Extensive Program Planned

Last Friday night a ski party was held at the Cedar Crest golf course. The weather for the party was excellent and the snow was perfect for such an event. About 35 members of the Slalom Club were present, and the first part of the evening was spent on the slope back of the clubhouse. Later a tour of the entire course was organized with all the members participating. After several hours sport the club proceeded to the home of A. Kean, where lunch was served and the election of officers held. Mr. P. Barber was president of last year's club, acted as chairman of the evening, and opened it by moving a hearty vote of thanks to Mrs. Kean who had so generously offered the use of her home for the meeting. The election of officers then took place the following being elected for 1938: President—A. Kean. Vice-President—May Hicken. Secretary and Press Representative—Les. Clark. Treasurer—Bill McNally. Social Convener—Mary Paul. Sports Convener and Ski Instructor—Paul Barber.

It was decided to hold a meeting every Friday night and also have organized hikes and sports Sunday afternoons. The club has decided to adopt a crest of its own, and members are asked to set forth their ideas on a suitable crest.

It was with regret that the party finally came to a close and with the hope that there would be many more such evenings during the coming season. On Sunday afternoon a large number of members assembled behind the club house for the first organized ski hike, under the supervision of P. Barber. The line of march led around the golf course, across the river and through the adjoining woods and over the hills. We might mention here, if you have never tried climbing a fence on skis you certainly have missed something. The trail finally led back to the Cedar Crest club house, where the members assembled (some a little tired and legless), but with a feeling that they had spent a very pleasant afternoon.

There will be another organized hike next Sunday afternoon, and also a series of ski tests, so be on hand Sunday at about 2 or 2.30.

We would like to mention at this point, that everyone interested in skiing in Georgetown and vicinity should get in touch with the officers or members of the club and arrange to join the club and take part in the activities. It is our intention to bring to you the activities of the club in this column, so anyone with any news of interest to the club is asked to hand it in to the secretary.

SKI NOTES
The weather for skiing is perfect. There are about 35 members already in the club, but it is hoped to boost the membership to 50 or 60 before the season gets under way.

There will be another social evening held on the 21st. Particulars in next week's Slalom news.

Members! Be sure and be on hand for the ski tests on Sunday. There is no age limit to the club. All those from 6 to 60 are cordially invited to join.

Death of Nelson
A man stood on the street corner playing a cornet. When he had played one refrain, a little urchin went up to him and said, "What was that tune, mister?" "That, my boy, was 'The Death of Nelson,'" answered the player. "Urchin: 'What a 'orrible death.'"
