### GRAND VALLEY RESIDENTS GET WATER FROM SIX WELLS

The six hundred residents of Grand valley are anxiously awaiting a thaw so they may get water from their wells. At present six wells described as "the old reliables" are supplying the village with water.

The last time I can recall a scarcity of water in this village was in the cold winter of 1888, one old-timer said. "But fortunately a thaw came on the twenty-eighth of January and relieved us from further trouble."

Farmers in the district surrounding the village are complaining of similar trouble. They are all experiencing difficulty in obtaining enough water from their wells to feed the live stock.

It is a common sight in the village to see people lining up at the six wells with pails in their hands anxiously waiting their turn to pump the much-needed water for domestic use. The only road that is not blocked into the village is a short stretch of about half-a-mile to the highway. All the other county roads are blocked and rural dwellers must drive by cutter or sleigh to the village to obtain their provisions. In place of trucks for collecting cream from the farmers, the truckers have taken to sleighs.—Globe & Mail.

### LIVESTOCK IMPROVEMENT ASSOCIATION

Excellent attendance is greeting the series of barn meetings being held in Halton County. The subjects include a discussion on feeding and management of dairy cattle and recent information on mineral deficiency. The series of meetings is being conducted under the direction of J. E. White-lock, Agricultural Representative for Halton, assisted by Fred Stock, Jr. of Halton, who recently came into the limelight as a result of the record of 1107 lbs. fat from 31,048 lbs. milk on three-times milking made by Hetty Korndyke Komigan owned in the stock record.

### CORRESPONDENCE

#### A NATIONAL APPEAL

Toronto, January 14th, 1938.  
Mr. J. M. Moore,  
The Herald, Georgetown.

Dear Sir:—Beginning January 23rd and extending over a period of approximately one month, the Canadian Red Cross Society and the Religious Bodies in Canada are uniting in a National Appeal for the relief of war sufferers in China.

The attached letter will explain the nature of this Campaign.

China's Need—Canada's Answer

Both Japan and China were tendered medical and relief assistance by the International Red Cross, representing all National Societies. Japan declined, stating that she had already made necessary provision. China accepted, with a gratitude that reflects her terrible need.

China is suffering.

The extent and severity of that suffering has seldom, if ever, found equal in the history of nations.

The shelling and bombing of cities, bringing terror, death, disablement and destitution, not alone to soldiers, but to countless women and little children helplessly caught in the maelstrom of war, have created distress of unparalleled proportions.

At the expressed wish of Canadian citizens in many parts of the Dominion, the Red Cross and the Religious Bodies of our people may express their sympathy in tangible form.

Interest is needed for this appeal. Day by day, press and radio are laying the stark facts of this great tragedy before us. The need for kindly assistance will never be greater. In the face of suffering such as theirs, our sympathy and help can know no barriers of race or creed.

We feel confident that Canada will meet this need promptly with generous hand and heart.

Sincerely yours,  
Sir Henry Drayton, Chairman.

Donations, made payable to the "Red Cross Chinese Relief Fund", may be mailed to the above address, or deposited at any local Bank or Red Cross Office in Canada.

### ACTON

While at work at the Beardmore & Co. plant last Wednesday, Samuel Hubbell had the misfortune to have his left hand caught in the setting machine. It was so badly broken and mangled that it was found necessary to amputate it at the wrist.

At the annual meeting of Acton Fire Brigade officers for the year were elected as follows:—  
Chief—R. M. McDonald.  
Assistant Chief—J. M. McDonald.  
Captain Hose Truck and Reels—F. Crewson.  
First Lieutenant—J. Lambert.  
Second Lieutenant—W. Qvistholm.  
Secretary-Treasurer—H. I. Ritchie.  
Mr. R. J. Kerr and Reeve F. McCutcheon and Mrs. McCutcheon attended the funeral on Saturday afternoon of the late Thos. Lowry, at Mimosa.

Friends here regret to learn of the illness of Rev. C. L. Poole, for over seven years a beloved pastor in the United Church here. All wish him a speedy recovery to good health.

Mr. Robt. Shaw was able to return home last week from the hospital, and all are pleased to learn that he is recovering nicely from his recent operation, and hope he will soon be around again.—Free Press.

### MILTON

Henry Campbell, Eighth line, Trafalgar, is now at his home, and resting nicely after his accident. He spent some time in Peel Memorial Hospital, Brampton.

Hurray for Hornby hockey players. The boys have been practising so hard that they have added the laurels of a victory. They met the Norval hockey team at Milton arena and in a hard contested game they won 2 to 0 against Norval.

Magistrate L. J. C. Bull will no longer preside over Newmarket police court as Milton is now included in his charge in place of Newmarket.

Miss Marion Rush, R.N., of the Strong Memorial Hospital, Rochester, N.Y., who has been spending the past two weeks at her home here, returned to her duties yesterday.

Ice-cutting began on Martin's pond last Thursday and trucks have been carting away their frozen cargo all week. The ice is as clear as crystal and about 15 inches thick.

The application of Miss Ruth Bell, of Weston, as supervisor of music in Milton high and public schools has been accepted. Miss Bell comes very highly recommended. She has been assistant to Miss Todd, who is supervisor of music in Toronto schools, and will, no doubt, carry on most acceptably the work done so successfully by Mrs. Russell, resigned. Miss Bell is an A.T.C.M. of the Toronto College of Music and has had 4 years of teaching music in Toronto schools, besides 11 years of teaching in public and consolidated schools. Brant and Fisher's Corners schools have also accepted Miss Bell's application and will carry on the work there.—Champion.
