Last Saturday afternoon at the arena the Redwing-Ranger Combines defeated the Hamilton Cub Midgets 4-2 in an exhibition game, and in a regular league game Maroons won from the Bruins 2-1. Black Hawks defeated Milton midgets 5-2, and Milton 15-year-olds defeated the Redwings 3-2. In the first Midget game last night, Americans trimmed the Bruins 5-0 in a game filled with thrills and spills as the Amerks spilled the Bruins all over the ice. Davidson and McMenemy scored twice and Beaumont once for the Amerks. The Bruins were out-lucked on a number of occasions. Americans—Goal: Jordan; defence, Kirby, McMenemy; centre, Beaumont; wings, Sobchen, Davidson; subs, Fricker, Beaumont, Wagstaffe, Crawford. Bruins—Goal, Emmerson; defence, Arlett, Stapleton; centre, Buisvint; wings, Wilson, Yates; subs, James, Ruddle, King, Lorusso. In the second game the Black Hawks won from the Maple Leafs 2-0 in a closely contested affair. Joe Wilcox was the best man on the ice for the Hawks for his team on the Maple Leaf club time and again. Chuck Hill was a standout for the Leafs. The goal geters were Elliot and Wilcox in the first and third periods. Maple Leafs—Goal, Clark; defence, Cleary, Sargent; centre, Hill, wings, Early, Walker; subs, Collier, Diggins, Blair, Teasdale, Hiltz, Haddell. SKIING ATTRACTS CROWDS TO CEDAR CREST During the past week large crowds have swarmed to Cedar Crest to ski. The weather was perfect with lots of snow and, in the most cases, clear moon-lit nights. Although there was no regular meeting held on Friday night, quite a number of the members organized a hike in the afternoon and had dinner in the woods. A very pleasant time was reported by all who attended. On Saturday afternoon there were a good many out as the day was bright and sunny (although cool) and skiing conditions were excellent. Sunday afternoon, although a disappointment to many, because of the adverse skiing conditions, marked what to our mind was the largest crowd of the past several years at Cedar Crest. Although the conditions were not favorable for the ski tests, the slalom event was held and many of the members were successful in passing it. A ski hike had also been planned, but it was decided to postpone it for a week, due to the heavy going. The regular meeting and social evening will be held on Friday night the 21st. All members and would-be members are requested to meet behind the club-house on the "ninth" at 8 o'clock. After skiing the club will meet at the home of Paul Barber, where the business and social part of the evening will be held. It is important that all interested be present as important business will be discussed. Several communications have been received regarding crests and it is to be decided what kind of crest is to be adopted by the club at this meeting. There were about thirty members present at the last meeting, and it is hoped to double the number this week; so we urge that every one interested in skiing please attend. We don't mind children enjoying childhood if they let us enjoy grown-up hood.
