LAST WEEK we prophesied an easy win for the local Intermediate puck-chasers at Milton on that Wednesday evening, but the County Towners put up stubborn opposition and Georgetown were rather lucky to eke out a 2-1 win. It was a rough, hard-fought game which gave Georgetown the necessary number of points to tie the Bolton for first place in their group. Ward and Crichton scored the locals goals in the second period, while B. Clements was the homester's sniper.

Georgetown—Goal, Malone; defence, Tols and Richardson; out-played, D. Riddall; wings, Crichton, Ritchie; subs, G. Riddall, Sanderson, Hall, Dewhurst and Ward.

Milton—Goal, Sprout; defence, J. Brush and Toletka; centre, Bob Brush; wings, A. Clements, Lott; subs, E. Clements, Tramm, Blinco Mills and Canon.

Referee—Johnny Jones, Guelph.

GEORGETOWN Juniors have played only one game since our last column and that with Oakville last Thursday night. The local squad were back to their usual form after the reverse handed them by Orangeville last week, and out-skated and out-played the visitors from the Lakeshore during the entire session. The Oakville squad could not keep the pace set by the Georgetown team and as a result were out-scored 6-3. The visitors were minus Hillmer on the line-up, who was out of the game due to a wrist injury. The home team scored in all three periods, while Oakville scored in the first and third. Soloski, Stockford and Goldham scored in the first frame, Soloski and Binsell in the second and Kemshead in the third. Gair counted in the first for Oakville, and Regan and Haney in the final session.

Georgetown—Goal, Burrows; defence, Binsell and McMurchy; centre, Kemshead; wings, Stockford and Burke; subs, Schenk, McMenemy, Soloski, Presswood and Goldham.

Oakville—Goal, defence, McCausland and Myers; centre, Regan; wings, Ryan and Archibald; subs, McQueen, Haney, Gair, Williams and Wheeler.

Referee—R. Scott, North Toronto.

MILTON have been the only team Brampton Intermediates have been able to conquer this season and they tucked away another win last Friday night at the arena here. In a rough O.H.A. fixture, with Bill Wellef of Brampton receiving a sprained wrist that took him out of the game in the first period, and both Bob and Johnny Brush being knocked out for some time after terrific body checks, the Bramptonians emerged victors with the overwhelming score of 11 to 4. The Milton team out-played and saved for a few moments in the third period, while the Brampton team scored seven times in the first period and three times in the second period. The Milton team out-scored the winners two to one in the third period.

THE BRUINS and Maroons of the local Midget loop took part in the big opening of the Orangeville Midget N.H.L. last Saturday afternoon. Although both teams dropped their games, a couple of good contests were put on for the Differents. Return games will be played here in about two weeks.

IN MILTON last Friday night the Americans and Redwings had much better luck than the teams that went to Orangeville. The Americans won from their Milton opponents 7-3, while the Redwings tied 3-3. Also in a rugged, though very even game in Hamilton on Saturday, the Ranger-Redwing combines lost to an All-star team 3-1. Two Hamilton teams play here next Saturday, taking on the Rangers and Redwings.

ANOTHER midget league has been formed in Halton with the Rangers and Redwings of Georgetown and two Milton teams. This will be a five game schedule and play-offs, and the boys will be all under 16 years of age. The first double-header will be staged here on Friday night at 7.45 and 9 p.m. These boys are playing heads up hockey, so be on hand for these games and root for the home teams.

GEORGETOWN Intermediates were "rained out" on Monday night, when Bolton was scheduled to play here for the second time of the double schedule. This is the first break in the schedule this season, which has been rather a record for natural ice arenas for the past numbers of years. However, cooler weather is ahead and the locals go to Bolton Friday night. Let's have a good following over to Bolton. Remember Georgetown won on their smaller ice surface once before this year. The Orangeville - Milton game was played Monday night, although the ice must have been pretty soft. Milton took the Orangeville team, which was playing on home ice, into overtime before they submitted to a beating. The score was 3-2. This Milton team may make it nasty in the play-offs for some team. We hope it isn't Georgetown, although we do remember that once before they pulled the self same trick.

GEORGETOWN is fortunate in having two excellent managers for their O.H.A. hockey teams. Ernie Thompson and Harry Goldham are sure working hard to keep their boys out in front of their respective groups. President Dave Saxe of the Georgetown Hockey Club is relieved of much detailed work with a couple of seconds like Harry and Ernie.

THE WORD "SLALOM" seems to have so interested a writer to the Globe and Mail this week, that the following has been discovered regarding it after searching through dictionaries, etc. The word has been in use for some time, although not commonly used. It is of Norwegian origin and refers to the sport of skiing. The Oxford dictionary, 1936 edition, says it is the tracks made by skiers along a route. It is pronounced by the Oxford as slay-lom, but the local ski club prefer to pronounce it slah-lome, accent on the second syllable, long o.

CAN'T SEARCH HOMES FOR RADIOS

Radio inspectors are not authorized to invade the privacy of homes in search of extra radio sets under the new taxation regulations announced this week. Government authorities said at Ottawa.

"Radio inspectors will take the number of the household regarding the number of sets in the homes," a Government officer said here tonight. "Certainly they will be no invasion of the homes. There may be a few who would evade the tax in this way, but we are confident of receiving honest answers from the vast majority."

"Our only intention is to spread the cost with regard to those who have the greatest ability to pay," said the official. "A Canadian's home is as much his castle as is the Englishman's home."

Transport Minister Howse announced that every radio set would be taxed, and that the previous arrangements whereby one license per home would cover all radios, does not apply.

Sinclair; 1st Vice-Pres., Duncan Reid; 2nd Vice-Pres., W. M. Scott; Sec.-Treas., E. M. Readhead; auditors, R. M. Clements and R. W. Fox. Directors: Nassagaweya—L. Crawford, Wm. Reid, E. J. The Society is in a flourishing condition, financially and otherwise.

OBITUARY

JOHN RUSSELL
A lifelong and highly respected resident of this district, John Russell passed away early Sunday morning at his home, Young Street, Acton. During the last few years Mr. Russell has been in failing health, but his last illness was of brief duration. Born in Esquesing Township, eighty-six years ago, John Russell was a son of the late Alexander Russell. He has spent his entire life in this neighborhood, farming in Esquesing Township until about twenty-nine years ago, when he and Mrs. Russell came to retire in Acton. Fifty-five years ago he was joined in holy wedlock to Miss Maggie Butler, who has been a true helpmate. It was a great pleasure when, a few years ago, this esteemed couple observed their golden wedding anniversary and many friends were privileged to celebrate the occasion with them.

Besides his widow, one daughter, Mrs. David Rozell, of Abernethy, Sask., five grandchildren, eight nieces and six nephews remain to reverent memory. John Russell was a man of quiet disposition, industrious, and a citizen whom all respected. All will join in sympathy with those who have been bereaved in his passing.

The funeral was held Wednesday afternoon, with service at the home conducted by Rev. Mr. Joffrey, assisted by Rev. H. L. Bennie. Mr. Russell had been a life-long member of Churchill Church, and the ties that bound him to this affiliation were strong. Interment was in Fairview Cemetery, Acton. The pallbearers were Messrs. David Russell, Jack Russell, Robert Kerr, Wm. Cooper, Richard Brown and John Lelsham. Besides friends from Acton and the immediate district, friends gathered also from Toronto, London, Guelph, Georgetown, Norval, Rockwood and Ballinafad to pay final tribute to this man whom they had admired.
