COULDN'T PUT CALF ABOARD GRAY COACH

Gray Coach lines attaches explained to an inquiring farmhand at Bay and Dundas sts. that they could not include calves on their passenger list. The farm hand said he was going to Elmvalle where his mother was seriously ill. His employer, a Milton farmer, had given him a 300-pound calf in lieu of wages and he was taking it home to sell. The farmer had brought the calf as far as the bus terminal in an automobile trailer.

WILL HOLD THREE DAY FAIR

The Orangeville fall fair is one exhibition which seems to be making progress. At the annual meeting of the Dufferin Agricultural Society it was decided to hold a three day fair next fall for the first time in Orangeville's history. The dates chosen are Thursday, Friday, Saturday, September 15, 16, 17. Saturday as a day for the closing of fall fairs has come into popularity in the past decade.

THIS AND THAT IN SPORT

HOW THE O.H.A. TEAMS STAND
 The Gray-O's are not far distant for either the Junior or Intermediate teams. The Juniors are leading their group at the present time, with Orangeville two points below them. However, they have another game with Acton, which looks as though they may tie with Georgetown for first place. Milton are in third place and Oakville in fourth. First and third teams and second and fourth teams will play-off in this group. In the intermediate group first and second teams play-off, which we hope will be Bolton and Georgetown. There are a number of games left to play, but the standing so far is Bolton, Georgetown, Brampton and Milton in order.

TWO BAD BREAKS—The Stockford brothers suffered casualties in the ice lanes last week, which will keep at least one of them out of the game for the balance of the season. Up in Orangeville last Thursday night, "Sonny" Stockford, speedy right-winger of the local junior team, had the misfortune to receive a broken nose; while his brother, Charles Stockford, principal of the Uxbridge Public School, and playing for a team in that town, fractured his left arm above the elbow when he crashed into the boards during the game. He was taken to Toronto General Hospital where it was found necessary to put the arm in a cast, incapacitating him for some time.

THE MIDGET ARE attracting better crowds at the arena now, and the boys are dishing up some excellent hockey. The fans are getting lots of variety, now that the new league with Milton has been formed. Last Friday night Milton Maroons defeated the Redwings 3 - 1 in a Hamilton Midget League game, and the Rangers won from the Milton Chiefs 2 - 0. Saturday afternoon saw two more fine exhibition games with two Hamilton teams. Georgetown defeated the Hamilton All-Stars 5 - 4, while the Hamilton Battery won from the local 3 - 1. In the league games last night the Maple Leafs defeated the Maroons 1 - 0. Carter (Horner) scoring in the second period. In the second game the Americans won from the Canadians by the close score of 1 - 0.

HISTORIC LOG HOUSE DESTROYED BY FIRE

Fire destroyed a log house on the McLaughlin farm, lot 22, Erin-Caledon town line, occupied by Gordon Foster, on Wednesday morning of last week. The structure was erected in 1843 and has been constantly used as a dwelling house since. It was in excellent repair. No one was present when the fire broke out, as Foster and two hired men, James Flaherty and Norman Knapp, were working in a bush lot at the time of the outbreak. The entire contents of the home were destroyed, including clothing owned by the three men. An overheated stove is believed to have been the cause of the fire.

G.H.S. HELD SUCCESSFUL SKATING AND TOBAGGANING PARTY

Last Wednesday night the pupils and staff of the Georgetown High School held a very successful party on the school grounds. About one hundred were present.

The first part of the evening was spent in tobogganing and skating. The most unique portion of the evening then came, when a number of the pupils danced on the ice of the school rink to the music of the radio in Mr. Heikman's car. The party then proceeded to the school where the pupils again danced, the music being supplied this time by the school orchestra. After dancing until eleven o'clock, a very hungry gathering enjoyed a box social held in an adjoining class room. Cocos, too, was served by several of the young ladies of the school.
 At eleven thirty the familiar strains of God Save the King brought an enjoyable evening to a close, and it was with much regret that the weary students packed up and wended their way homeward.

YOUR DONATION MAY SAVE A LIFE!

The use of modern health appliances and many other costly but vitally necessary items cannot be provided out of the Hospital's fixed allowances for needy patients.

Your donation makes sure that no child seeking a normal chance for health or escape from deformity will ever knock in vain at the door of this institution.

And it makes sure that no needed expense is spared when a little patient's future depends on treatment and attention costing more than is contemplated by the fixed grants made by Provincial and Municipal Governments. Remember, over 400 of our 420 beds are in Public Wards.

The Hospital receives no support from the Toronto Federation for Community Service because patients are accepted from all parts of the Province.

Please mail your gift to the Appeal Secretary, 67 College Street, Toronto.
