PERSONALS

Miss Marjory McCain of Brampton spent the week end in town with Miss June Frank.

Mr. and Mrs. J. B. Mackenzie attended the Ontario Retail Lumbermen's Association Convention at the Royal York, Toronto, Thursday and Friday of last week.

Mr. Samuel Kirk of Toronto, who underwent an operation at Toronto General Hospital last week is progressing favorably. His many Georgetown friends wish him a speedy restoration to health.

Mrs. Henry Dickie returned to Toronto last week having spent six weeks in England. She was accompanied home by her sister Mrs. Crompton who will make her home with her. Mrs. Crompton is making a satisfactory recovery from her recent illness and hopes to see her many Georgetown friends in the not too distant future.

Youth Admits Car Theft
Richard Elliott, 21, Brampton, was remanded for sentence when he pleaded guilty to taking an auto owned by J. C. Patterson without the owner's consent. Patterson's car was taken from its parking place on a Brampton street on the night of January 16. Elliott and a companion were taken into custody by Georgetown officers Feb. 8th on charges of vagrancy, after the door of the Bank of Commerce was found unlocked and a door of Stanley Lyons' apartment had been broken open.

Boy Injured When Autos Collide
David Howard, aged 13, Ferris, was cut about the head when cars driven by Calvin Sloan, Guelph, and Grenville Letty, Meadowdale, collided in heavy mist on No. 7 highway near Georgetown, about 2 a.m. Sunday morning. Howard was able to proceed to his home in company with Sloan, in whose car he had been riding, after receiving medical attention. Chief W. G. Marshall investigated.

New School Wing Planned
The school board has submitted plans for a new wing, prepared by R. W. Hall, Brampton architect, to the Department of Education, for approval. If the board undertakes construction of the addition, the wing will house classes in manual training and household economics. The addition would be added to the eastern end of the original building, and would balance, architecturally, the wing on the western end.

Addressed E.A.S. Committee
J. A. Carroll, Secretary Ontario Agricultural Societies Association, and J. E. Whitlock, Agricultural Representative of Halton, were in Georgetown last Thursday and addressed the officers and members of Esquewaug Agricultural Society. There was a good attendance and the addresses were much appreciated. Esquewaug Agricultural Society Fall Fair will be held in Georgetown as usual this fall on dates to be announced in the near future.

School Exams Commence June 14th.
Time table for annual Departmental Examinations this year, issued by the Ontario Department of Education, reveals that the exams will commence on Tuesday, June 14th, and continue until Wednesday, June 29th. Entrance examinations will not commence until Monday, June 27th, and continue for three days. Middle and Upper School Examinations will take place on almost every one of the days, except Saturdays and Sundays between June 14th and June 29th. All applications to write the examinations, the time-table sets out, must be filled out and filed not later than May 2nd, with the Principal of the school at which they intend to write.

A Successful Tea
The annual Valentine tea and sale of baking, under the auspices of the Women's Association of Knox Presbyterian Church, was a decided success. The tables were daintily decorated to suit the occasion. Mrs. Devereaux and Mrs. McClure welcomed the guests and a very pleasant social afternoon was spent by the many ladies present. During the tea-hour Mrs. Davidson and Mrs. Paul entertained with piano duets, and Misses Mary Feller and Doris Bessey sang solos in their usual pleasing manner.

THIS AND THAT IN SPORT.

BOLTON COME TO TOWN THURSDAY NIGHT

ORANGEVILLE HERE MONDAY

One of the outstanding hockey games of the current season will take place at the Arena here to-morrow night, when Bolton play their postponed game with the local Intermediates. Ern Thompson's puck-chasers are confident they can win from their keenest rivals in this game, especially with the first place position of the league depending upon the outcome of it.

Another hockey highlight will be the Orangeville Georgetown Junior game next Monday night, when these teams meet in the first game of the finals for the group championship. The return game will be played in Orangeville Thursday, 24th.

The hockey teams have not been receiving the support they deserve this winter. We don't know what the reason is, especially when the teams are up on top. But now is your chance to do your share to help the boys, who you can count on being out there giving their best for Georgetown whether they win or lose.

ECHOES FROM THE NORTH—Sport

fans of Georgetown will no doubt be interested in this bit of news from the Nickle Belt. Gordon Alcott, former Midget N.H.L. organizer here, and who has been attending the Dominion Government Youth Training School at Halden, has been one of the six boys chosen from the school for a position with the International Nickel Co. of Sudbury. He will be employed in the research laboratory of the company and commenced his duties last Monday. Georgetown citizens generally will wish Gordon much success in his new position.

IT WOULD BE NICE

if Georgetown Intermediates could stay on the top of their group as they do now, with 16 points in eleven games played, while Bolton are second with 14 points in ten games and Brampton third with 12 points in eleven games. Milton, the luckless crew from the County town, have not earned a single point in ten games. All the local Intermediates need to do now to stay in first place in the group is to defeat Bolton to-morrow night. The only way Brampton can reach a play-off position is for Bolton to lose their game with both Georgetown and Milton, and that is hardly likely.

FRIDAY NIGHT

the Canadiens vs. Black Hawks, Rangers vs. Redwings. Next Tuesday the Stanley Cup play-offs begin, providing that the Black Hawks win from the Canadiens Friday. Otherwise there will be a three-cornered tie, and a play-off necessary for the N.H.L. championship.

Teacher (after erasing the decimal from a number)—Now, where is the decimal point?
Pupil—Oh the eraser!

OVER FOUR BILLION PASSENGERS SERVED WITH PERFECT SAFETY

During more than sixteen years, from the first day of service, the Toronto Transportation Commission and Grey Coach Lines have carried more than FOUR BILLION PASSENGERS—more than 4,400,000,000.

This is the perfect record achieved by these services.

Not one passenger has ever been fatally injured while using T.T.C. street cars, buses, ferries or Grey Coach Lines on the highways of Ontario.

Grey Coach Lines achieve not a matter of chance. It is completely planned safety. The four main divisions of this plan are:

1. A modern transportation system designed and equipped to ensure maximum safety.
2. Constant inspection and maintenance of the system.
3. Men chosen and qualified for the duties they have to perform.
4. Operating methods and practices proven by seventy-six years of public transportation experience.

Whenever you travel, choose the safest transportation. There is none safer than Grey Coach Lines services. The record proves it.
