**MRS. FISHER SUGGESTS FOR BREAKFAST**

Canadian Fish Cakes: Any meal is a suitable time for serving fish cakes but if they are to be served for breakfast it is perhaps most convenient to make them the night before and keep them chilled until cooking time. Take a cup of Canadian flaked, cooked fish, mix with it a cup and a half of mashed potatoes, one beaten egg, one tablespoon of butter, salt and pepper to suit the taste and, if desired, a half teaspoon of onion juice. Beat the mixture until fluffy, then form into balls or cakes and roll in finely-sifted, dry bread crumbs. Sauté or fry in deep fat, which is hot enough to brown an inch cube of bread in forty seconds. Drain the cakes and serve hot, using a tomato sauce with them if desired.

Any kind of Canadian cooked or canned fish may be used. If dried salt fish is used it should first be "freshened" by tearing it into strips and covering the strips with lukewarm water. How much "freshening" will be required depends upon individual taste. Changing the water frequently will hasten freshening. Allow the dried fish to simmer, not boil, until cooked.

Canadian Fish and Shellfish are especially good foods because they are so easily digested and are rich in vitamins and health-giving mineral substances.

**\$435 PAID FOR SITE OF STATION CEM. AT HORNBY**

The Canadian Broadcasting Corporation paid \$435 for fifty-one acres of land at Hornby, Ont., nineteen miles west of Toronto, for the purpose of erecting its 50,000-watt station, according to a return tabled in the House of Commons on Tuesday. The land was bought from Albert McCordy, Charles A. Galbraith, "et al."

**THIS AND THAT IN SPORT.**

By G. "Mac" McOlivray

**DID YOU KNOW** that of the 23 years Bolton have been playing in the O.H.A., this is the first time they have won the intermediate group championship.

**ANOTHER FULL HOUSE** is expected Friday night, when Acton play here in the Harris Cup games. Old rivalry will be renewed when Acton and Georgetown swing into action again at the arena here. It is taken for granted, Mr. Hockey Fan, that you will be present.

**SOMETHING** should be said in regard to the way Jock Bennett of Toronto handled the Bolton-Georgetown intermediate play-off here. It was a treat to have such a capable official in charge of such an important game. He won the favor of the junior ranks of the town for his straight-forward and unbiased decisions and attitude throughout the entire game. The O.H.A. executive would no doubt have less arbitrating to do if they had officials of Jock Bennett's calibre to handle all games.

**WE DON'T SEE** any reason why the time is not ripe to challenge Acton for the Peter Smith Trophy. It is some years since Acton won this cup, and it has not been put up for competition in the meantime. This trophy was donated by the late Peter Smith of Acton to be played for by players from Acton and Georgetown under 21 years of age. We don't think Georgetown was ever in a better position to challenge Acton than this year. There are rumors in the neighboring town that they would like to put the cup up for competition again.

**IN THE HARRIS CUP** game at Acton last night, Acton and Georgetown Intermediates played to a 7-7 tie. The Georgetown goal-getters were Tost 2, Ward 2, Walt Richardson, Ken Richardson and Ritchie. It was a wide-open game with both teams taking advantage of the breaks.

**ANOTHER HOCKEY SPECIAL** will be the sudden-death game at the arena here next Tuesday, March 15th, between Streetsville and Georgetown Juniors. This game is a challenge for the Georgetown Juvenile Cup, now held by Streetsville, and some fast and exciting hockey should be in order. Georgetown have the pick of the juvenile boys of the local district and will give the strong Streetsville aggregation a run for their money. A N.H.L. Midget game will precede the play-off. It is hoped a good turnout will be on hand for this hockey struggle and help the boys to bring the cup back to the town. A competent referee will handle the game. See posters for particulars.

**BOLTON INTERMEDIATES** took a terrific lacing at the hands of Elora Monday night, when they were white-washed 9-0 in the first game of play-off series. The return game will be played in Bolton to-morrow night.

**ORANGEVILLE JUNIORS** will continue in the O.H.A. playdowns after defeating Milton in a two-game series 8-7 on the round.

**STREETSVILLE** and Mt. Dennis clashed in an Ontario Juvenile Hockey Association play-off at the arena here last night, with Mt. Dennis eliminating Streetsville on the round 10-3. The score in last night's game was 7-2.

**THE MAPLE LEAF** midgets defeated a midget team from Brampton last Saturday afternoon 2-0, while the Canadians and Brampton tied 1-1 the same afternoon. In the Halton Midget play-offs, Redwings defeated the Rangers 5-3 to qualify for second place in the league. They will now meet Milton Maroons in the finals.

**Midget Games this Week**  
 Thursday, Mar. 10—Maroons vs. Bruins; Americans vs. Canadians.  
 Monday, Mar. 14th—Maple Leafs vs. Black Hawks; Canadians vs. Americans.

**GEORGETOWN FANS** had nothing but praise for their Intermediate squad for the fine showing they made in the league and play-off games this season. Never before has an intermediate team played better hockey or put more into the game than the present team did in the play-offs with Bolton. They had to put even more into the game to off-set the stellar goalkeeping of a player that was in a class much above Intermediate B. Every player without exception gave his best and it was only sheer luck, and as we said before, fine goalkeeping that kept them from advancing into the O.H.A. play-downs. The boys can hang up their skates and put their equipment in the mothballs, with the thought that they did their best for Georgetown and it was a job well done. Most everyone thought it was useless to enter an intermediate team this season—that the boys had seen better hockey days and that they were almost ready for the shelf. After much ado they formed a club, and the squad never played better hockey in their career, and the fans now say another year should see the time ripe for an intermediate championship for Georgetown. Take "Sheeny" Tost for instance. He has been playing hockey for Georgetown for a good many years—one of the best centre-for men in the county, yes, in Ontario, and when fans thought he would soon follow the way of "Clancy" and "Conacher," he takes the ice skating, stickhandling, back-checking better than ever before. Then there is "Tommy" Ward, he too has seen a few years of the Georgetown ultra-up, but his Tost played his best hockey this winter. In patrolling the right boards he was always on the

job and also had a goodly number of goals to his credit. "Walt" Richardson, our tricky left-winger, completed this line, and he too shared the same honors as his line-mates. This winter saw Frank Dewhurst come out of retirement, and take his old stand on defense. Dewhurst proved a tower of strength to the defense, and his solo rushes were always a threat to any of the opposing teams. Joe Hall is another old stand-by, and his defensive ability has always won for him the favor of the fans. In goal the team had Harry Malone, who was a new-comer to the team and the town last season. He played brilliantly through out the past two seasons and the management are well pleased with their find. The alternate list is none the less important than the first string line. On the forward line Dave Crichton turned in his usual good game, his fast skating ability placing him in a class almost of his own. At centre, Bill Ritchie, who has not been in the game of late, drew favor for his tricky checking and ability around the net. "Fordy" Riddall, who stepped up from the junior ranks this season, turned in some good efforts for his first year in the intermediate class. Lloyd Sanderson, who also came up from junior, was a trusty alternate on the defense. George Chaplin, although not playing in the play-off game, went well during the league games and had a number of goals to his credit. And that, folks, completes your intermediate team for the 1937-8 season. The team you were so proud to be rooting for.

**REMOVE NAMES FROM HOCKEY SWEATERS**

The widespread protest against the placing of a brewer's name on the sweaters the beer barons had donated to the Walkerton W.A.H.A. hockey entry, through his district representative, who was president of the local club, has at last borne fruit, for on Tuesday of last week the Walkerton club received orders from E. G. Odette, chief commissioner for the Liquor Control Board of Ontario, to forthwith have the brewer's name removed from the sweaters, and as the locals had a league game for that

night, scissors were soon at work removing the prohibited label from the uniforms.

Thus the local entry took the ice against Chesley that evening before almost a record crowd of fans without having the objectionable fair on their chests, which proved a welcome change to those who wanted to see local sport dissociated from a suds sign.—Walkerton Herald-Times.

**Harvey Nurse Wins The H. Wreford Memorial Trophy**

On Friday, March 4th, the annual competition for the H. Wreford Memorial Trophy took place on the North Toronto Rifle range. This trophy is a memorial for the late Howard Wreford who was one of Toronto's most outstanding small bore rifle shots. It is competed for annually. A miniature of the trophy goes to the winner each year. The event is open to all comers and was keenly contested. Four men were tied for first place with possible scores of 100 out of 100. Harvey Nurse had to shoot off three times before he was declared the winner. His score being 400 out of 400.

The scores for the Norval Club on Monday night are as follows: H. Nurse 100, R. W. Hall 99, G. H. Hall 99, F. Johnson 98, W. Wilson 98, R. McKinley 97, F. Stark 96, M. Atkinson 97, W. Lisk 96, W. Robinson 95, C. Meredith 93.
