MARRIED
LAW-KIRBY—On Saturday, March 19th, 1938, at the United Church, Glen Williams, by Rev. Chas. Jolliffe, Gene Thelma, daughter of Mr. and Mrs. Wm. T. Kirby, to Allan Rupert Law of Georgetown.

DIED
FOSTER—At Toronto Isolation Hospital on Wednesday, March 23rd, 1938, Roy George Foster, son of Mr. and Mrs. Wm. Foster, 74 Delaware Ave., Toronto, formerly of Esqueving, in his 30th year. The funeral took place this afternoon to Chetkham Cemetery.

IN MEMORIAM
MARCHMENT—In loving memory of Martha Marchment, beloved wife of Joseph Marchment, who died Mar. 24th, 1937.

We do not forget you, nor do we intend. We think of you often, and will to the end. Gone and forgotten by some you may be, But dear to our memory you ever will be.
—Husband and Family, Glen Williams.

Splashing the Pedestrian

A great many pedestrians are complaining these days about being splashed with mud and water by motor cars driven at an excessive speed through water lying in places on the roadway. There is a severe penalty for a motorist who through carelessness causes a pedestrian to be splashed as referred to above, and if the license number of the guilty driver was taken and handed to the Chief of Police, we have no doubt his action would go a long way toward putting a stop to this careless driving.

Auditors' Report Now Ready

One of the best Auditors' Reports issued for some years of the Town of Georgetown has just been published, and is available to any ratepayer free of charge at the Town Clerk's Office. It covers every department in connection with the operation of our town and sets forth plainly the financial position of the municipality to-day. Georgetown is making good progress. On December 31st, 1937, the debenture debt of our town was \$250,707.00, and at December 31st, 1937, it was \$166,099.00, a reduction of \$84,608.00 in the past five years. The worst feature in connection with the town's finances is the large amount of unpaid taxes, and we believe the Council intend making a very special effort this year to clean up on these. Get a copy of this report which covers, besides the operating statement for the year, Debenture debt, Waterworks profit and loss, accounts of Relief Commission, Housing Commission, Public School Board, High School Board, Cemetery Board, Public Library, tax collections, list of properties owned by town, insurance carried, etc. It is the most complete statement of town finances ever issued by the Council.

MRS. FISHER SUGGESTS FOR DINNER

Canadian Fish Loaf—Take two cups of Canadian fish—"left-overs" if desired—or a pound tin of canned fish, flake the fish, and add to it two cups of fine, soft bread crumbs, two beaten eggs, three-quarters of a cup of milk, salt and pepper to suit the taste, a tablespoon of onion juice (or a finely minced onion) and a teaspoon of lemon juice. After mixing the ingredients well, place them in a greased pan, dot with butter, and bake in a moderate oven (350 degrees F.) for three-quarters of an hour or until the loaf is firm and browned. Any kind of Canadian fish may be used in making this loaf. If canned fish is used, the oil from the tin should be poured in with the other ingredients and the bones crushed and left with the fish. The bones of fish contain calcium and the oil contains vitamins. Creamed peas or tomato sauce may be served with fish loaf, as well as baked potatoes. Canadian fish foods come from pure, cold waters and they are caught and marketed by the fishing industry in accordance with the most approved methods. There's no food more healthful or more nourishing.
