NEWS AND INFORMATION FOR THE BUSY FARMER

Important Cash Crop
Statistics recently released show that turnips for export to the United States have become an increasingly important cash crop to Western Ontario farmers. This is particularly true in the counties of Oxford, Huron, South Bruce, Middlesex, Waterloo, Ontario and Wellington. Oxford, it is said, is now the heaviest producer with large acreages in the Bright and Tavistock districts. Total exports in 1937-38 were 1,704,629 bushels, just 416,629 bushels more than in 1936-37 season, or an increase of 32 per cent.

The United States market insists on having the turnips waxed, and Ontario farmers are wise enough to give them what they want working on the principle that "the customer is always right." Waxed turnip exports in 1937-38 jumped 332,181 bushels over the previous season which at \$6.56 per ton gave the farmers an extra \$54,006. Shipments invaded the New England market for the first time, owing to the partial failure of the P.E.I. crop and Ontario waxed turnips received a wonderful reception, marketing officials state. They point out, however, that palatable turnips can be grown only in certain areas where they have that "certain something" in flavor and shipping qualities.

Beautifying Farms
For the purpose of making the farm home surroundings more pleasant and attractive, of increasing the value of the property and presenting a more engaging countryside which tourists can enjoy, rural farm home beautification society has recently been organized in Carleton County, Ontario. The movement was started by the Women's Institutes and everyone of the 26 institutes in the county has pledged its active support and cooperation.

The association plans to encourage the judicious planting of native trees, shrubs and flowers, the improvement of lawns, and the whole surroundings. A carefully organized program of farm home landscaping and planting, directed by an advisory council has been arranged. The members of this council are experienced horticulturists who will give their services free.

Through its efforts the Association hopes, in the course of the next few years to make many homes in the county that now have few attractive features in the surroundings, a delight not only to the owners but also to those who travel on the adjacent roads and highways. One of the first efforts of the Association is to be directed towards encouraging a general campaign of cleaning up and making the surroundings tidy; the more definite scheme of beautification will follow.

USED TO WAKE UP WITH HEADACHE

Now Fresh and Lively Every Morning

Here is a man who woke up every morning with a dull headache. Then Kruschen transformed his days. Read his letter—

"I used to wake up in the mornings with a dull headache. A year ago, I started taking Kruschen Salts regularly. To-day, I wake up fresh and lively and can do my day's work without any exertion. I can recommend Kruschen for anyone suffering from headaches and constipation, and for putting new life into you. I intend to continue with Kruschen for the rest of my life."—E.P.

Headaches can nearly always be traced to a disordered stomach and to the unsuspected retention in the system of stagnating waste material which poisons the blood. Remove these poisons—prevent them from forming again—and you'll never have to worry any more. And that is just what Kruschen Salts brings quick and lasting relief from headaches.

CANADA STILL GREATEST TELEPHONE USING COUNTRY

World-wide figures of telephone development and usage, compiled from official sources by the Statistical Department of the American Telephone and Telegraph Company, have just been made available, bringing the record down to January 1st, 1937.

Canada continues to lead the world in the greatest telephone-using country with 222.4 yearly conversations per capita. The United States follows with 209.9. Next in order come Denmark with 177.6; Sweden, 159.8; Austria, 95.5; Norway, 87.5; Australia, 76.1; Finland, 68.7; Japan, 68.1. Great Britain is still well down the list with 42.6 yearly conversations per head of population, but leading Germany with 38.

The United States is world leader in the matter of telephones per hundred of population, with 14.39, and Canada is in second place with 11.48, followed by New Zealand, 11.25; Sweden, 10.97; Denmark, 10.86; Switzerland, 9.86. Great Britain (and Northern Ireland) with 5.93 telephones per hundred leads Germany with 5.08 and France with only 3.51.

Of the world's big cities, Washington, D.C. is in the lead with 37.43 telephones per hundred of population, followed by San Francisco with 37, then Stockholm, 34.78. Vancouver leads Canadian larger cities with 29.64 followed by Toronto with 25.35. London (Eng.) had 657,235 telephones per hundred of population. Berlin's 539,662 telephones make 12.67 per hundred.

Approximately one-half the world's population is found in China, British India, and Russia, but taken together they have only three-fourths the number of telephones in the City of New York alone, where on January 1, 1937, 1,569,337 instruments were in service.

HALTON JUNIORS LIVE STOCK JUDGING COMPETITION AND ACHIEVEMENT DAY LARGELY ATTENDED

One hundred and twenty-one Halton rural young people attended the annual county livestock judging competition and achievement day at Milton on Saturday last. The young ladies under the direction of Miss Betty Wallace assisted by the Misses Florence Eadie and Lulu Row of Toronto, exhibited various articles including bedroom accessories, dresses, etc., and also gave team demonstrations in the Town Hall. A large and interested audience was in attendance for the afternoon session. At the same time the young men under the leadership of Agrie. Rep. J. E. Whitelock visited and judged ten classes of stock at the following Trafalgar Township farms:—A. Stark & Son, Lindsay Bros., Percy Merry, Valleycrest Farm and F. C. Willmott & Son. The official judges for the competition were as follows:—Oscar Lerch and Robert Miller of Georgetown, J. H. Willmott and Claire Wilson of Milton, Max Featherstone of Freeport, D. H. Dunton and Fred McBride of Brampton, Don Daidel of Hamilton, F. K. B. Stewart, Orangeville, and W. P. Watson, Toronto. Reeve Nelson Robinson of Esquesing and Deputy-Reeve Norman Gilbert of Trafalgar accompanied the young men throughout the day as did also Mr. Frank Paulds of the Dominion Seed Branch, Edmonton, Alberta, who was paying a visit to his native province.

The winners of the trips which this year will be to the State of Pennsylvania were Verna Kingston, Pallon Alma Marsh, Milton, Jack Lawson, Acton; and Geo. Breckon, Bronte. While space does not permit a complete announcement of all prize winners, the following are a few of the more prominent:—

HOME ECONOMICS

C. N. E. Demonstration Team—Betty Rivaz, Wilma Henderson, Reta Fisher.
C. N. E. Bedroom Accessories Team—Helen McGibbon, Alma Marsh, and Marjorie McKerr.
C. N. E. Clothing Team—Charlotte Wilson, Laura Johnston and Verna Joe.

Winners of Coaches Specials—Peggy Marsh, Milton, and Emily Young, Acton.

Bank of Toronto Trophy for Inter-Township Competition was won by the Esquesing Team, of Alma Marsh, Peggy Marsh, and Helen McGibbon.

Bank of Nova Scotia Trophy—For Inter-Township Competition won by Esquesing Township, Jack Lawson, Acton, Wilmer Davidson, Acton, Bruce Reid, Georgetown.

Palermo Challenge Trophy—High Coach Geo. Breckon, Bronte, England. The Dr. Anderson Trophy—For Inter-Club Competition, won by Norval Club, Jack Lawson, Acton, Craig Reid, Georgetown, Bruce Reid, Georgetown, Richard McLaughlin, Norval Angus McNabb, Georgetown, John Mc Nab, Georgetown.

Team Competition—Winning Coach Geo. Breckon, Bronte, prize, trip to Pennsylvania.

Members of team—Alton Brockton, Jim Fairbrother, John Fairbrother, C. N. E. Shield, for High, Novice awarded to Cleave Wilson, Georgetown.

Norval Junior Farmer Challenge Trophy—Champion Judge, Jack Lawson.

The event was brought to a successful conclusion in the evening at the Milton Town Hall, where the announcement of the Awards and presentation of Trophies took place. Among those present for this feature were Reeve W. Hall of Trafalgar, F. H. Gilroy of Milton, Mr. and Mrs. Wm. Gamble, Acton, Mr. and Mrs. Geo. Agnew, Milton and Jas. H. Wilson, Milton.

Sympathy should be given the man who comes home dog-tired and finds his wife feeling kitchin.

ONE HUNDRED AND THIRTY—FOUR YEARS

The British and Foreign Bible Society was founded in London, England, on the 7th of March, 1804, by men whose lives had been influenced by the English Bible and who felt the crying need for its publication and circulation, not only in English, but in every language spoken throughout the world. The life principle of the Society then adopted, namely, "the wider circulation of the Holy Scriptures, without note or comment," has endured in the years between. In 134 years its language total has reached 223, and with translations published by kindred Societies, chiefly the American and Scottish Bible Societies, with certain other publishing agencies the language table of the Holy Scriptures, in whole or part, now totals over 1,010.

This year the British and Foreign Bible Society has added to its list, the following 12 new translations: Kanakura, Sakata, Ngwana, Ibembe, Bassa, of Liberia, Luba (Kalebwe), Salam-pasu and Kola for Africa; Bentum and Blsaya for Asia; Yugo-slav Roman for Europe, and Tolia for South America.

SIR EDWARD BEATTY ON BOY SCOUTS

"It is particularly pleasing to note that every year the Boy Scout Movement becomes increasingly effective as an instrument for producing better understanding between nations. It is unnecessary for a Canadian to point out to an American audience the importance of this. Our nations have set an example to the world in good-neighborliness and goodwill. No other nations can be as fully aware of the benefits which come from a thorough understanding of each other, and it is my very sincere hope that the Boy Scout Movements in the United States and Canada will be blessed with good fortune in their constant efforts to bring the youth of many countries to understand each other, and substitute the goodwill which always arises from such understandings for the useless rivalries of nations." Sir Edward Beatty in a message to the Annual Meeting of the Boy Scouts of America.

At the annual Halton County Jam-boree at Acton Park, 300 Boy Scouts were present from Acton, Clarkson, Fergus, Galt, Guelph, Milton, Mimico, Oakville, Oshawa, Palermo, Port Credit, Toronto and Weston. The program of Scouting tests included as a new feature the making of a topographical sketch map. On Sunday morning the boys attended services in the five Acton churches.

Help improve your personality with Wrigley's Gams. Keep your teeth white, breath sweet, by using healthful Wrigley's Gams daily—as millions do. The children also love the delicious refreshing flavor of Wrigley's Double Mint. Take some home today.

YOU DON'T DARE—

miss the big Band Festival and Tattoo at Waterloo on June 25th. If you do, you will miss the greatest show of the year. Come and see the biggest gathering of bands on the continent. Music from early morning till midnight. Scotch dancing and piping contests. Band contests. Instrumental contests. REMEMBER Waterloo, Ontario, June 25th.
