"THE DOCTOR'S LAMENT"

An eye-catching and thought-provoking poster is being displayed this week in thousands of factories and workshops which are members of the Industrial Accident Prevention Association. It is headed "The Doctor's Lament" and appeared recently in the Journal of the American Medical Association.

"TWO HUNDRED INJURED IN A WRECK" "MAN KILLS, SUSTAINS A BROKEN NECK" "TWO DROWN WHILE ROCKING A CRUISE"

"GRADE CROSSING MURDERS TWENTY-TWO" "GAS BLAST TAKES LIVES OF TWENTY-THREE" "TWO DIE 'NEATH FALLING APPLE TREE"

All night I toiled to save one life, and millions die in useless strife; What is the use to make one well While thousands harken to death's knell? Where is my labor's recompense? Why can't the world have common sense?

We pity the brother editor who let this get past his proof-reading: "Among the gifts to the bridegroom was a gorgeous dressing down from the bride."

THIS AND THAT IN SPORT

Georgetown Baseball Club Lose to Hespeler 12 - 4

Hespeler Red Sox turned the trick on the Georgetown baseballers last Saturday afternoon and gave them a sound 12-4 trouncing. While the Georgetown team played fair ball by all reports, irregularities in the line up occasioned a few weaknesses in the team's playing, and superb pitching by the Hespeler hurler accounted for the defeat.

The Georgetown team will have to soon put on a "spurt" as the season is gradually drawing to a close, or they will find themselves looking hard for a play-off berth.

They go to Oakville to-morrow night, and a win would sort of keep up the spirits, both of the players and the baseball fans.

Milton took Acton into camp last Saturday by a 7 to 5 score.

The Halton League standing is now as follows: Table with columns P, W, L, T, R. Rows for Milton, Oakville, Acton, Georgetown, Hespeler.

The Midget Leaguers are having a great time this season, and interest is surely not lacking with this wide-awake bunch of boys. As the play-offs draw near, the games are becoming even more interesting and the boys are playing heads-up ball.

LEADING TFAMS Table with columns F, W, L, T, P. Rows for Maple Leafs, Internationals, Americans, Nationals.

LEADING PITCHERS Table with columns P, W, I, Per. Rows for Tomorrow, Maple Leafs, Stamp, Nationals, Sanderson, Internationals, Cofell, Americans.

LEADING BATTERS Table with columns G, AB, R, H, Aver. Rows for B. Haywood, B. Hale, C. Lane, J. Morrow, J. McMenemy.

Last Thursday morning when municipal officials went to the Park they were quite surprised to see a full grown deer come down the centre of the grounds. The animal was startled and went back to the end of the Park, and with one long leap went into Fairy Lake and swam across to the farm properties on the east side of the water.

GARDENING NOTES

When You're on Holidays You needn't find a "wilderness" awaiting you when you come home again after the holidays. It's just a case of putting in a little quiet preparation during the week before you go.

Be particularly ruthless with carnations, roses and sweet peas. With these take off every bloom or nearly-opened bud that shows. That means some lovely parting gift bouquets for neighbors.

Clip Them Close A clean and pansy tip. Take your big scissors and clip the plants close as a short lamb. Horrible they'll look but a fortnight will see them as gay as can be.

Nova Scotian Lights and Shadows

Lesson in the value of preserving natural beauty is written plainly across Nova Scotia's 21,000 square miles which retain an old-time charm not to be found in as great a degree anywhere else in Canada. Three-quarters of the province remain forest clad, literally webbed with rivers and lakes; the eternal Atlantic and the mighty tides of the Bay of Fundy lap its sun-kissed shores; a wise programme of fish and game protection ensures sport for years to come; an inexhaustible supply of salmon from the ocean affords the world's best fishing in the coastal rivers each year.
