### CIMSNAPSHOT GUILD SUMMER PICTURE STORIES

In picturing summer romances, keep the romance! Don't let your subjects pose stiffly or smile at the camera!

T'S a camera axiom that every pic- | wire fence, or get the two of them. L ture should tell a story. Will you | heads close together, laughing as remember that this summer when they set the picnic table or cloth. you are snapping pictures of friends and their summer activities?

Nothing is easier than to get a member of your crowd to "stand over by that bush while I snap your picture." But that sort of picture-

don't "say" anything. It's easy to go on a picnic with Bill and Janet Smith and get snaphuge slice of chocolate cake, or get | good picture. Bill helping Janet over a barbed- 192

Such pictures tell stories and there are hundreds of such storypicture chances on every summer jaunt. Try your hand at picturing summer fun and summer romance (there's always plenty of it) from a "story" viewpoint. Don't let your taking doesn't produce the best kind | subjects appear camera-consciousof pictures because such pictures catch them when they're busy doing something, and watch your pictures

"wake up and live." There's no need to waste film, but shots of them standing by a bush or if it takes two or three pictures, or a tree, smiling for the camera. But more, to tell a story properly—go ft's more fun, and makes better pic- ahead and shoot them. Film is not tures, to catch Janet feeding Bill a expensive, so don't risk missing a
