Georgetown Legion Attend Zone Church Parade at Brampton

Parade Led by Lorne Scots Band and Brampton Citizens' Band—Capt. W. C. Poulton of Salvation Army Gave Address—Mrs. T. Grieve Places Wreath on Cenotaph.

Six posts of the Canadian Legion, Georgetown, Milton, Caledon, East and Brampton, led by the music of two bands, the Lorne Scots Regimental Band of Georgetown, under A. H. Perrott, and the Brampton Citizens' Band, under J. J. Buckle, paraded to Knox Presbyterian Church, Brampton, on Sunday afternoon.

A forceful address on world conditions was delivered by Capt. W. C. Poulton of Brampton Salvation Army, and formerly of Georgetown, to veterans of Zone 26 of the Canadian Legion. He said in part: "Fear to day works to gain control of mankind by a terrorism which has reduced the German race, once so lofty in its Christian education, to the point where its women are little better than incubators to such cannon fodder. Fear works by raising nationalistic nations nearly bankrupt supporting the largest standing armies in their history. Man is especially prone to believe, of all the great creations of God, he is the least equipped to exist without external assistance." He had chosen his text from the Book of John: "Love casteth out fear."

Se cancelled the Legionaires that the greatest means of propagating confidence and trust was by example. He urged them to use the influence of the Canadian Legion in establishing an era of toleration and co-operation in Canada.

A wreath was deposited at the town's cenotaph by Arthur Hornsey and President George Plant of Brampton, and Mrs. Thos. Grieve of Georgetown.

The march past at the Brampton municipal office, which 150 Georgetown veterans paraded, was taken by "Bud" McDonald of Acton and Arthur Hornsey, Rev. H. M. Coulter, pastor of the Presbyterian Church was in charge of the service, and welcomed the veterans.

Haltion Juniors Make Fine Showing at C.N.E.

Haltion Juniors not only maintained the high record established in previous years at the C.N.E., but surpassed it on Wednesday of last week. Farmers' Day at the Exhibition is always a mecca for Haltion Juniors and many other exhibitors. In 1938 was no exception, with approximately sixty young men and women from the county participating in the inter-county calf club competitions, the Girls' Home Economics Competitions and demonstrations and livestock judging competitions. For the second year in succession a group of Haltion boys representing the county Shorthorn Calf Club placed first. The winning group was made up of Grant Haslop, Freeman, Geo. Brockton, Bronte, and Bruce Lincoln. Their win was most outstanding as they placed first, second, third and fourth in the individual class as well as winning the group honours from Peel and Lincoln Counties. In the Holstein division, the calf owned and exhibited by Donald Peck of Milton was placed first in a strong class which brought out over thirty entries. The same young man was the Champion Showman in this division. In the Holstein group which brought entries from ten counties, Peel was first and Haltion second. The Haltion group was composed of Donald Peck, Milton; Jack Hamilton, Freeman; Herbert Reid, Georgetown, and John Vanstickle of Palermo. The Jersey section was also a strong class with York first and Haltion second. The Haltion group was composed of Eddie Robinson, Rudolph, Georgetown, and Harold Barber, Acton. Eddie Robinson was the reserve champion showman in this division.

The young ladies were equally outstanding, winning first as a team in the Home Furnishing section. The Haltion team was composed of Alma Marsh, Helen McGibbon and Marjorie McKerr, all of Milton. In the individual section they placed first, second and seventh, respectively. In the clothing section, Laura Johnston, of Acton, and Charlotte Wilson, of Georgetown, were tied for tenth, while in the senior division of the same project, Wilma Henderson, Milton, was second, Ret. Fisher, Georgetown, fourth, and Betty Rivax, of Palermo, sixth. The three latter young ladies placed second as a team. In the open classes Marlon Humphrey of Norval, was sixth and Ruth Wilson of Acton, was eighth. Haltion was again well to the fore in the team demonstration, placing second, the team being composed of the Misses Fisher, Henderson and Rivax.

The livestock judging competitions also had their quota of prize winners from Haltion. In heavy winners with 46 competing, Bob Allan of Acton, was second, Mary Helop of Freeman, fourth, and Grant Allan of Acton, fifth. Beef cattle, 36 contestants, Walter Reid, Milton, fourth, Swine, 46 competitors, Lloyd Chisholm, Milton, third. Dairy cattle, 97 competitors, Jack Taylor, Freeman, eighth. Poultry, Ernest Davies, Palermo, ninth.

We extend our congratulations to the young people on the honours which they were successful in bringing back to the county.

New Feature at Esquising Fall Fair

The Esquising Agricultural Society are trying out a new feature for the Fall Fair this year. On Wednesday evening, September 28, the fair will be opened in the Arena at eight o'clock with a great show. A varied program has been arranged. Three boxing bouts will be held—75, 125 and 145 lb. classes. Four couples from Madin's Danish gymnasium school in Toronto will put on a number of folk dances in native costume. The local warmest congratulations will be given to the band, the new Georgetown Community Orchestra—and it is hoped the Choral Society. A group of local gymnasts are preparing a demonstration in tumbling, etc. It is rumored that there will be clowning. Other features will be mentioned next week. Don't forget Wednesday evening, Sept. 28th, in the Arena at 8 p.m.

Honor Grandma Moote On her 90th Birthday

Mrs. Elizabeth Moote, known popularly as "Grandma" Moote, on Friday last reached her ninetieth birthday and her many friends extended to her their warmest congratulations on this occasion. Mrs. Moote is hale and hearty and despite her advanced years is quite alert mentally and physically.

Mrs. Moote was born near Georgetown, Ont. She is an old timer of the Rosetown district, having lived at the home of her son-in-law, Jas. E. Crossman, for the past 20 years. Although her two children are deceased, she has ten grandchildren and seven great-grandchildren.

On the occasion of her birthday the Rosetown United Church W.M.S. entertained Mrs. Moote at the church when an entertaining program was presented. Vocal solos were rendered by Mrs. S. M. Scovier and Daphne Marshall and Mrs. G. H. Wright read an address expressing the pleasure of the W.M.S. members at having "Mrs. Moote in their midst. Mrs. J. MANY PUPILS ATTEND NASSAGAWEYA FAIR

Ten township schools competed in the Nassagaweya school fair at Brookville Saturday. All school fairs in Haltion county were called off last year because of infantile paralysis.

Unlike most school fairs, in which work is done beforehand, many of the boys and girls prepared their exhibits on the grounds under supervision of the fair management. There were ten entries. J. E. Whitlock, county agricultural representative, was in charge. A new feature, a hobby display, was won by Donald van Goozen, S.S. 9. The championship school fair shield was won by S.E. 9.

SETS NEW TRACK MARK AND WINS PURSE OF MONEY

Racing at Rice Lake, Wis., on Friday, Dan Abbe won another good sized purse for his owner, J. H. Matthews of this city. Dan had some hard luck in the first heat when a horse fell in front of him, forcing him to the outside. But in the next two heats the local pacer stepped right out in front and smashed the track record at that point with a mark of 2:09 1/4. He took the third in 2:10 flat. Dan Abbe has broken five track records and has a mark of 2:06.—Brandon, Man., Daily Sun.

Mr. J. H. Matthews, owner of this noted horse, is an old Erin boy and well-known as a lacrosse player, in these parts fifty years ago. Jack's many old friends in Georgetown and vicinity will be pleased to know he has been successful in the West and still likes a good horse.

SILVER JUBILEE — A BIG YEAR AT ACTON FAIR

Directors of Acton Fair have spared no effort to mark the Silver Jubilee event of Sept. 20 and 21 as the biggest event in its history. An interesting program has been arranged for the big arena performance on Tuesday evening, Sept. 20th.

The Wednesday afternoon arrangements have trials of speed, road races, classes for high jumping horses and a group of novelty contests. Hon. P. M. Dewar, Ontario Minister of Agriculture will officially open the Silver Jubilee Fair, assisted by Dr. G. L. Christie, President of the Ontario Agricultural College, and Mr. R. J. Kerr, President Ontario Fairs Association.

GEORGETOWN FALL FAIR APPROACHES

Esquising Agricultural Fall Fair at Georgetown swings into action again two weeks from today and to-morrow, Wednesday and Thursday, Sept. 28 and 29, and from all appearances it is going to show some marked improvements over recent years. This fair was founded in 1876, thereby making it an institution 62 years old. Georgetown was founded in 1837, so only 39 years after the founding of the town, our fair was established. Much interesting information could be given about the fairs of half a century ago, but citizens at this time are generally interested in the fair of today.

For the Georgetown Fair of 1938 a genuine effort appears to be made by the directors and farmers to make the fair forge ahead of what it has been in the more recent years. That the town's people are getting behind the fair is evidenced by a statement made at a meeting of the Association last evening, when they put a motion on record offering the services of the Association in any way the fair board might see fit to use them. That is what is desired. Co-operation by everyone will make Georgetown fair bigger and better.

This year the fair board are inaugurating something new—in the way of pre-fair day entertainment. On Wednesday evening, Sept. 28th, a mammoth show will be held in the Arena, commencing at 8 o'clock. Fair day visitors will welcome the new grandstand and judge's stand at the park, and this new improvement will go a long way toward the general improvement of the grounds. One of the largest prize lists in the history of the Society has been published, and a copy may be secured, either at this office or from the secretary, Wm. A. Wilson. Many special prizes are being offered by business men and others, a list of which appears in this paper. Watch next week for the big special offered by the Business Men's Association.

Two weeks are still left in which exhibitors may get their exhibits ready and enter in the various competitions. A large hall exhibit, livestock, poultry, etc. is expected along with the special attractions. Let all encourage our fair directors by doing our utmost to make the 1938 event the best yet.

GOLF TOURNAMENT AND BANQUET

SMITH & STONE LTD. ENTERTAINED OVER ONE HUNDRED GUESTS AT CEDAR CREST

Over one hundred representatives of the electrical trade throughout the Dominion were the guests of Smith & Stone, Ltd. at their annual golf tournament and banquet held at Cedar Crest Golf Course, Georgetown, on Friday last.

The weather was ideal and the day was spent on the beautiful course, where many keen contests were recorded, to say nothing of the "birdies" and "eagles" made by a number of the contestants.

Luncheon was provided by Coles of Toronto served at 12 o'clock and a delicious chicken dinner at 7 o'clock in a large marquee erected on the lawn at the Club House.

A number of the young lady employees of Smith & Stone, acted as waiters at the evening meal and they performed their duties in a most pleasing and admirable manner.

Mr. Smith, president of the firm, was the toast master of the evening, and after proposing the toast to "The Kings" which was responded to by all singing the National Anthem, he introduced the speakers of the evening.

He expressed his pleasure at being able to greet so many representatives of the trade, and to recognize the families of the friends who were again able to be present at this annual gathering.

Mayor Joseph Gibbons in a well worded and appropriate address welcomed the visitors to Georgetown and expressed the wish that prosperity may continue with the firm of Smith & Stone, whose interests in the town meant so much to the municipality as a whole.

Short speeches were made by a number of the guests present, after which Mr. B. Stone, on behalf of his firm expressed the great pleasure it afforded them to entertain their friends and expressed the hope that all would return next year for the annual golf tournament.

Prizes were distributed to the winners of the various competitions, among which the singing "Auld Lang Syne," brought to a close another pleasant gathering made possible by the generosity of the nationally known firm of Smith & Stone.

Business Men Complete Executive at Tuesday Meeting

Members Show Increased Interest in Association—Services Offered to Fair Board—Advertising Head Wishes Organization Well—To Meet Again Sept. 27th at 8 p.m.

Georgetown Business Men met in the public library on Tuesday evening, when those greatly interested in the welfare of the Association were present.

The purpose of the meeting was to complete the executive and appoint chairmen for the various committees. The complete executive of the new Association is as follows:—

President—Wm. H. Long. 1st Vice-President—N. H. Brown, Jr. 2nd Vice-President—E. V. MacCormack. Treasurer—R. H. Thompson. Secretary—Garfield L. McGilvray. Executive—H. Silver, S. H. Lumb, Ed. McWhirter, Dr. Jackson, A. E. Cripps.

Convenors of committees: Social—Mrs. Preston. Membership—Wm. King. Wages and Means—E. R. Magloughlin. Advertising—S. P. Chapman. Sports and Activities—H. C. McClure. Industrial—J. Richardson.

All that is needed now is the full co-operation of every member of the Association. Members are urged to attend the meetings, in order that all may have a share in the proposed undertakings of the business men.

The meeting felt that the service of the association should be offered to the Fall Fair Board, and that something should be designated as a special attraction put on by the business men at the fair.

The meeting was thrown open for discussion and many helpful suggestions advanced. With a full representation of the 56 members at the next meeting, Tuesday, Sept. 27th, some definite program should be worked out. Business men who are interested in promoting their own enterprise will not absent themselves from any meeting.

The following letter, received by us from Mr. Russell T. Kelley, of the Agency, Hamilton, wishes the new organization success and will be read with interest by business men: Hamilton, Aug. 29th, 1938. Mr. J. M. Moore, Publisher, The Georgetown Herald. Dear Mr. Moore: In going over your issue of August 24th, I was very keenly interested in the news item headed "Business Men Endeavor to Organize Association." Under the present business conditions, it is indeed one of the best moves your business men could make—that is, to have a strong business men's organization in Georgetown.

By joining together the business men in your town, you can certainly do much to create a stronger community spirit, and this is one of the most essential things in the development of any community. I do hope this organization may get under way and be successful. Yours very truly, Russell T. Kelley.

Geese Geese Geese. The sight of a flock of about 300 wild geese passing in a southerly direction over here late Sunday caused "old-timers" to prophesy an early winter. The birds were flying in the customary V-shaped formation. It's quite early for the geese to go south and that usually means there will be an early winter.
