Future of Business Men's Assoc. Now Hangs in the Balance

Mr. Merchant are you Interested in Promoting your own Business ?- Will you Co-operate by Attending Meetings ?-Banquet Proposed for Near Future.

fire of enthusiasm which brought out so many business and professional men to the first meeting of this association, soon died off as the meetings continued, until now the uture of so new an organization nance in the balance.

At a meeting held in the Public Library last night the attendance was so small that those present claimed they would not carry on if they did not get the whole-hearted support of every business man in town. The executive threw out the challenge "Do we need an oragnization of this type, or do we want such an organization in Georgetown?"

In a last attempt to really get the feeling of the business men, and start the ball rolling for what could be the most dominant force in the community, a supper is being planned for the next meeting night. Tickets will be sold and every business man interested in the promotion of this organization will be present and offer his suggestions for the well-being and furthering of this association.

Let us all get behind the executive and keep alive a factor in the business life of the community which will tend to better business conditions generally, d make for a more friendly spirit between our local merchants.

196 SCHOOL DAYS

When the schools reopened on September sixth a ten-month school year of one hundred and ninety-six teaching days lasting until June 29, 1939, began. By months the number 'of teaching days are as follows:

September		W	036	17 0
October	100,00	228		
November				
December				
January	******		200	
February	29.6	630000	11	-
March	****			
April				(50.50
Мау				
June	C+000			83

In this school year there will Thanksgiving Day seven/ holidays: Remembrance Day Christmas vacation November 11th: December 23rd to January 2nd inclusive: Easter holidays, April 7th to 16 inclusive: May 24th: June 9th: summer vacation, June 30th to September 4th inclusive.

Clean Your Chimneys and Pipes

Now that the heat of summer is over and the air beigns to take on that chilly feeling during the evenings it is time for every householder to stop and have a look up at his chimney and ask himself if it has been cleaned out ready for the winter. If not he should make it a point to see that it is done before the fires are started and while you are at it be sure that the stove pipes are gone over in the same way and cleaned and any bad ones thrown away and replaced with new ones. There are a lot of chimneys and stovepipes in Georgetown and if they are cleaned now and put in proper shape the firemen will be able to sleep a little more easily when the cold high winds blow this fall and winter.

MRS. G. McKINNEY KILLED IN ACCIDENT in town.

En route to Toronto, Mrs. Gordon McKinney, of 395 Willard avenue, was instantly killed and her husband was injured about the face and head. when the car in which they were riding met head-on with a half-ton truck on Highway 17, 24 miles east of Sault Ste. Marie, early Sunday

An inquest into the death of Mrs. McKinney, whose body was take 1 to the Sault, was ordered by Coroner Dr. V. S. Grigg, Bruce Mines. Mr. Mc-Kinney was admitted to the hospitar with lacerations and other facial and head injuries.

The accident occurred where visibility was poor owing to a fog. The truck was driven by Walter Beilhartz. Bruce Station. Mr. McKinney is employed by the Dominion Government Department of Insurance.

Mr. McKinney is a brother of Alex. races, Mr. Kincaid. McKinney, president of Brampfon Fair, and he and his wife were on their way to visit relatives in Bramp-

The Spirit of Lions is Service to the Community

He Profits Most Who Serves Best . . . Help Others-Will You do your part by Attending the Lions Frolic on Cummings, 2 hr., 6 min., 30 sec., with October 10 - 11.

The Linns Club are always ready to lend a helping hand to any community endeavor that will benefit the town as a whole, and even more so if it be to render some service to the understrivileged children.

'So great has the need been for a dental and other clinics in Georgetown and surrounding district, that the club finds it necessary to bolster their finances in order to cope with the situation and hold such clinics. On October 10 - 11 they are holding a community frolic . . . two nights of hilarious fun for everybody from six to sixty. Your support of this enterteinment is solicited so that the Lions may continue their service work. Fun for you means health and happiness for the underprivileged children of

this district. Thanksgiving night, October 10, a big humorous, world-fise actress and Louis amateur show is being held in the Hayward is Fairbank's rival. Arena. DELIGHTFUL MEETING

On Monday evening the Georgetown Lawn Bowling Club was the setting for one of the most delightful evenings enjoyed by members this season,

tained the lady members. Perfect weather conditions attended the occasion and eight rinks participated in the competitions for which three prizes were awarded, the winners being Mrs. McKenzie, Mrs. Kaiser and Miss Lyla Kennedy.

Immediately fallowing the games the ladies were escorted to tables elaborately spread with good things to eat in the club house, where the surroundings had been made attractive by decorations and even a radio provided for the enjoyment, which reflected the thought and work the gentlemen had given to the preparations for the event.

After the gentlemen had graciously served the ladies, the President, Mr. Richardson, expressed, on behalf of the gentlemen's club, the pleasure they had derived from thus entertaining the ladies and praised them for their support to which the ladies' President, Mrs. McKenzie, replied, assuring the men's division of continu-

ed assistance. The gentlemen then presented the three winners with beautiful prizes and at the same time every lady received a lovely favor. Miss May Lanuntiring secretary, was made the repreciation of all the work he so cheerfully attends to in the interests of the her competence as president.

A special meeting of Town Council was held on Monday evening with Mayor Joseph Gibbons in the chair, Reeve George Davis, and Councillors N. H. Brown, A. E. Cripps, Wm. F. Smith, James Costigan, Jos. Hall and Thos, Lyons present.

Dr. C. V. Williams, Medical Officer of Health, was also present on invit ation of Mayor Gibbons. The meeting was called for the purpose of receiving a report and plans for installing a sewage system in Georgetown, also the cost of same,

submitted on request of Council by Hagey, Gray and Plunkett, consulting Mr. C. Ralph Hagey, B.Sc., senior member of the above mentioned firm. was present and explained in detail

the complete plan and ways and means of installing the system. The plan as submitted has been approved by the Department of Health

of Ontario. The total cost of the system covering the entire town is estimated at \$127,000. The trunk sewer and disposal tank would cost \$37,000, which would add 1.69 mills on the general tax rate. The balance of \$90,000 would be paid for by a frontage tex of 6 cents per foot to those having

sewer in front of property. The whole system as explained by Engineer Hagey at considerable length and in a thoroughly business like manner, looked quite feasible and would no doubt be a great asset to the community as well as making our town a more healthy place in which to reside, provided the property owners could bear the burden of the

extra taxation. Mayor Gibbons was firmly of the opinion that an expenditure of this size should not be proceeded with before the ratepayers were given an

opportunity to vote on the same. Wm. Long, President of the Business Men's Association, on behalf of that organization, asked Council to assist in securing a place for holding meetings. The old council chamber at the town hall was suggested and the matter was left in the hands of Councillor Cripps, chairman of the Property Committee and other members to act in conjunction with representatives of Association with a view to arranging a satisfactory meeting

Permission was given to the Bell Telephone Company to erect a pole on Mill Road.

The deplorable condition of the connecting link of the county roads system through Georgetown was discussed at some length and it was decided to send a deputation to County Council with a view to having them assume their share of the costs of a hard surface road. Meeting adjourned.

OPEN PARTRIDGE SEASON

Partridges are on the increase throughout Ontario and Hon. Harry ies, has announced two six-day open inclusive, and Nov. 5th to Nov. 10th. inclusive. No more than five birds can be taken on any sinle day. A total bag of 15 birds for the twelve days will be allowed.

Georgetown Fall Fair Opens To-night at the Arena

To-day and To-morrow will be Two Big Days in the Life of the Community-Fine Weather and Better Attractions Promise a Record Attendance.

Once again the Georgetown district annual fall attraction is with us. Ninety-two years of consecutive exhibitions is a record to be proud of, and this year's show will be even greater than ever before if the interest taken and the entries in the various classes so far received by the secretary is any barometer in this case.

This, the first day of the two-day fall fair here, gets into full swing at the Arena to-night, when a splendid program has been planned by the committee in charge. Some of the attractions have already been advertised and include tap dancing, folk dancing, boxing bouts, musical chairs and potato races on horseback. Choruses by the Georgetown Choral Society and music will be supplied by the Georgetown Orchestra and the Lorne Scots Band. It will be a grand night of entertainment

and begins sharp at 8 p.m. To-morrow ushers in another of Halton's show days at the Park, when large exhibits of livestock, farm produce, domestic science, handcraft, etc., will greet the many who patronage the local fair. There are many feature attractions for show day harness horse racing, high jumping, potato races, sheaf binding, ladies car driving contest, etc. A midway will also be in full swing throughout the afternoon. Fair visitors will have a chance of winning the cash prizes donated by the Georgetown Business Men's Association by simply registering at their booth on the

grounds. The 1938 fall exhibtion will be officially opened by James Hewson. Warden of Halton County. Mr. R. J. Kerr, President of the Ontario Pall Pairs Association, will also be present.

Prizes in the baby show are again donated by one of Georgetown's old boys, Inspector N. Guthrie of Toronto Police Porce. Mr. Guthrie will be on hand to greet the bables and present the prizes.

Free parking will allow visitors to take their cars into the grounds and thus add to their convenience and coinfort.

To wind-up the fair, a dance will be held in the Arena on fair night, With everyone in the district supporting the local fair by their presence at the show, the 1938 exhibition will no doubt go over the top.
