### ACTON

Mr. and Mrs. Geo. Lake and twin daughters, of Timmins, and Mr. Jack Lake, who is completing his law studies in Toronto, made a brief call in Acton and visited the editor of the Free Press.

Reverend McCutcheon and Councilor Mason were in Toronto yesterday, interviewing the Deputy Minister of Highways regarding the completion of Mill street pavement.

A very pleasant event was held at the home of Mrs. Babcock, when Miss Dorothy Babcock was guest of honor at a trossau tea, prior to her marriage. Her girl friends, from Brampton and neighboring friends, were entertained. Tea was poured and a dainty lunch served by Mrs. Wm. Babcock and Mrs. Gordon Babcock. The bride-to-be received many beautiful and useful gifts.

While driving on the second line, above Acton, on Sunday afternoon, loose gravel caused the car, driven by Mr. W. R. E. Blair, to swerve and slide into a deep ditch at the side of the road. Fortunately the machine did not roll over. In some way Mrs. Thos. Scott, of Lake Avenue, who was a passenger in the car sustained a head injury. Other passengers were not injured and the car was very little damaged.

Acton Fair has passed its Silver Jubilee and recorded another success, judged from every standpoint. Fine exhibits were never shown and again good weather contributed largely to the enjoyment of these days when so many friends enjoy reunion and the outing provided. Attendance records show an upward trend again after the decline suffered last year by all fairs.
