## Transients to be Put on Farms Under Direction of A. Maclaren

### Queen's Park Decides on Project to Care for Single Jobless Under Youth Training Plan — Men to be Placed in Order of Registration.

Unemployed single men who have no domicile, and are therefore unable to claim relief through regular channels, will be absorbed on Ontario farms under the provisions of the Dominion-Provincial youth training agreement. Hon. Eric Cross, minister of welfare, announced yesterday following conferences with Premier Hespburn and Labor Minister N. O. Hipel.

The project will be organized and directed by A. Maclaren of Georgetown, who placed more than 4,000 young men on farms under similar circumstances from 1928 to 1935, when he was superintendent of the Normal Hostel and Glenbrae Farm, Georgetown. Mr. Maclaren has been visiting rural districts for the past week, making arrangements for the placing of men, the minister said.

Only unemployed transients now in Toronto will benefit by the scheme at present, Mr. Cross announced, but if the measure is successful it will likely be applied in other sections of the province.

The minister said the program would involve young men from 16 to 30 years of age and would be carried out entirely under the Department of Labor.

Wages under the scheme will range from \$120 to \$200 a year, plus board and lodgings, with the scale set at \$10 a month until March 31, 1939, and from \$10 to \$20 per month thereafter, depending on the ability of each man.

Registration of the men will be begun immediately, the minister declared.

## Toronto Man Pays Fine On Liquor Charge

Anthony Lani, Toronto, was assessed \$10 and \$22 costs in police court at Milton on Wednesday, Oct. 19th, when he pleaded guilty to a charge of illegally consuming liquor. A charge of unlawfully having liquor as withdrawn, Frank Trigardi, also of Toronto, and who was allegedly in company with Lani, was acquitted on charges of reckless driving and driving without an operator's permit.

The charges arose out of an accident on No. 7 highway near Norval, Oct. 14th, when a car bearing the two accused and Robert Malby, also of Toronto, skidded on a hill and overturned at the base of the grade. The occupants suffered minor injuries.

The charges against Trigardi were dismissed by Magistrate W. F. Woodliffe when Defence Counsel H. R. Rose, Toronto, pointed out that there was no evidence to prove he was driving.

High Constable William Emmerston of Georgetown, who with Traffic Officer Bert Howell of Rockwood investigated, testified that he found the car lying in its side across the highway, blocking traffic, at the base of the hill. According to marks at the hillside, he believed the vehicle had struck a guard-rail and careened down the grade.

Provincial Officer Howell told the court he found weaving skid marks totalling a length of 375 feet from the top of the hill to where the car overturned. A partially consumed bottle of liquor, found in a ditch near the wrecked car by police, was ordered confiscated.

## NORTH HALTON MINISTERIAL ASSOCIATION HELD MEETING

The first fall meeting of the North Halton Ministerial Association was held on Monday of this week at 10 o'clock a.m. in St. George's Anglican Church. Members were present from Milton, Acton, Ballinacat, Glen Williams, Norval and Georgetown. Dr. David C. Overend, introduced Dr. R. Davidson, Principal of Emmanuel College, Toronto, who spoke of the two great church conferences held at Oxford and Edinburgh in 1937 at which he was a Canadian delegate. Dr. Davidson's reflections upon the proceedings and results of these two conferences inspired optimism in the future of the Christian church. The growth of Christian understanding between Christians of various churches and nations is one of the hopeful signs of the day.

A very sincere vote of thanks to Dr. Davidson was made on motion, and expressed by the chairman.

The next meeting will be held in St. Alban's Anglican Church, Acton. Rev. W. G. O. Thompson pronounced the benediction.

Mrs. Frank Wilson, the Guest speaker, told a Canadian story of Saskatchewan, which was much appreciated by all; it was just as if we had really visited the scene of the story. Masters Gilbert Wrigglesworth and Layton Dick favored us with a duet, "Dare to be Daniel" and Miss Joy Ruddell a pleasing piano solo. Our Auxiliary president, Mrs. C. B. Dick, spoke a few words, wishing the Band success and renewed interest with our new Study Book.

## NORVAL

St. Paul's W.A. are holding a sale of home baking and afternoon tea in the Parish Hall, Friday, Nov. 4th. It is for four Georgetown men narrowly escaped serious injury about 7 a.m. Monday when the car in which they were travelling to work was struck by a west bound car on the curve at the west end of the village. Their car, owned by the Georgetown Lumber Co. was overturned in the ditch and considerably damaged. The other car, driven by Miller Schwartz of Toronto, sustained a damaged rear fender, and the two occupants were unhurt. Traffic Officer Howell of Rockwood investigated. This accident was the third in the past ten days at the west end of the village. This curve, which is poorly marked, has been the scene of about a dozen accidents this summer and fortunately no one has been seriously injured.

The annual supper of the Presbyterian Church will be held on Friday evening of this week. A program will follow of this supper.

We are pleased to hear that Mrs. J. Brown, who has been ill at the home of her daughter, Mrs. Lindsay, in Acton, is much improved in health.

## NOTES ON THE LIONS CLUB BOXING SHOW

Wille Morrissey, widely and favorably known in Canadian sporting circles as an ardent horseman and boxing enthusiast, has gladly consented to give his very valuable time in connection with the Georgetown Lions Boxing Show to be held here soon.

Mr. Morrissey, besides being the owner of Canada's ace thoroughbred, Buntys Lawless, has recently taken over the managerial duties of Norman "Baby" Yack, bantamweight champion of Canada, who is at present a world championship contender. Wille is definitely coming, and besides bringing along his Fighting Atom as referee, he says he will also have with him Sammy Luftspring, who is the new Canadian welterweight champ by virtue of his sensational knockout over Frankie Genovese this month.

Contact is being made with Tom Loneal, who was in his day the world's greatest runner to have him on hand to be introduced to the fans at the Boxing Show.

And now a word about the card itself. When the sanction permitting the staging of a fight show was purchased from the Amateur Athletic Union of Canada, the secretary, Mr. Fry, remarked that he was amazed at such an outstanding line-up of boxers being signed for one program, particularly in Georgetown. He hastened to add, however, that any town with enough sporting interest to give birth to a fight show in Ontario, could be depended upon to make this big enterprise a howling success.

## Showers and Presentations to Miss Bessie McDonald

Miss Bessie McDonald of Terra Cotta, a bride of last Saturday, has been much feted during the month of October.

On Monday afternoon, October 8th, a miscellaneous shower was tendered the bride-to-be by Miss Ruth Anderson and Mrs. H. C. Wrigglesworth, at the home of the latter.

On Thursday evening, Oct. 13th, Mrs. Joe Cowie, of Brampton, entertained in Miss McDonald's honour a kitchen shower. The staff of McHugh's school, Brampton, of which the bride was a member for the past four years, as well as several other friends, were present on this happy occasion.

On Friday evening, Oct. 14th, the Union community gathered at the home of Mr. and Mrs. T. F. McDonald to express their appreciation of the many and varied services which Miss McDonald had rendered to them. Mr. T. L. Leslie was chairman, and a short program, consisting of piano duets by Misses North Lyons and Jean Eccles, reading by Miss Enid Cook, and vocal solos by Miss Ruth Anderson and Mrs. H. C. Wrigglesworth. Messrs. Frank Peck, Jas. L. McKane, T. F. McDonald and Joseph Harris all expressed their appreciation of Bessie's worth to the community and wished her every success in her new sphere of life. Mrs. P. Dick read the following address and Mrs. A. Dolson presented Miss McDonald with a beautiful silver tea service on behalf of the members of the community.

We, your friends of this community, have gathered this evening to do honour to you, in recognition of your coming departure from our midst.

Occasions such as this are always tinged with a feeling of sadness, and although the associations which have been of your life up to this period will soon undergo a change, we rejoice that that change does not necessitate your going too great a distance from us, and we know that the many interests which you have shared in this neighborhood will still continue to occupy a large place in your thoughts.

We are delighted to have this opportunity of showing to you our feeling of indebtedness for all the favors you have conferred on the whole community through its different organizations. We recognize with what devotion your life has been spent endeavoring to help Union church, the readiness with which you placed your time and talents at the disposal of every branch of its work, and in every way, sought to help forward the Kingdom of God in our midst.

Our best wishes for a life-time of joy, happiness and prosperity, are extended to you as we ask your acceptance of this gift, which carries with it the love and esteem of the many friends of your early life.

Signed on behalf of the Union community:

T. L. Leslie,  
A. Dolson,  
Mrs. F. Peck.

On behalf of the Young People of Union Church, Miss Helen Leslie read the following address and Mr. A. McKane presented Bessie with a floor reading lamp.

Dear Bessie:

We, the Union Young People are gathered here tonight to show our appreciation of your valued services in the community and to express our regret at your departure from our midst.

You have been a most cheerful and willing worker in everything you undertook. You also have been an inspiration and a good example to the young people. You have shown them how to accept their responsibilities and to make the most of them.

You took an active part in the Sunday School since you were a young girl of sixteen years and I am sure your faithful efforts will not be fruitless, but will bring forth a rich harvest in the lives of the young girls and boys you have taught.

So your thorough and dependable character was evident that you realized: "Life is not dreaming all the short way. Life is not living just for today. 'Tis living for others to lighten their load. 'Tis helping their brothers and trusting God."

We think it only right at this time to say we are not ungrateful for all you have done and wish you to accept this reading lamp, which we hope will remind you of your Union friends. So with it, Bessie, we wish you joy, happiness without alloy.

Signed on behalf of the Union Young People:

Miss McDonald very graciously thanked them for their beautiful gifts and said that anything she had been able to do to help in the community had been a pleasure.

Lunch was served and a very pleasant evening brought to a close.

## High School Rugby Team Beaten in Two Games

Georgetown High School have a much younger and lighter rugby squad this season, and therefore, while playing a fine brand of the college sport, generally come out on the short end of the score.

ETOBICOKE 12 — GEORGETOWN 1  
The junior rugby squad of G.H.S. played their best game so far this season in Etoibcoke last Thursday. The Etoibcoke juniors averaged 170 lbs., while Georgetown averaged 130 lbs. This difference in size was the cause of Georgetown's stage fright in the first few minutes of the game.

The Etoibcoke team was led by Boyle, who ran it back 30 yards. A sequence play netted Georgetown nothing and Lorrizan was forced to punt. The kick was short and the receiver ran it back to about centre field. From there on a long forward pass Etoibcoke got a touchdown. The contest was completed and the score was 6-0 against Georgetown. Boyle again returned the kick on a nice run to about centre field. A fumble on the part of the local squad, gave Etoibcoke the ball. Another forward was completed and the ball was plunged over for a major, from 10 yds out.

The local team then came out of their shell and on beautiful plays by Barber and Lorrizan started to march up the field. They used a varied attack and baffled the Etoibcoke team. The quarter ended with the ball on the Etoibcoke 30 yard line.

At the start of the second quarter, Lorrizan punted behind the opposing team's goal-line and he also tackled the runner behind the line for a rouge. This made the score 11 to 1. Arnold, left end of the G.H.S. team, was the main factor in keeping Etoibcoke off the score sheet in this quarter and he turned in a great game. The ball changed hands several times as neither team made much progress.

The third quarter was fast and furious. There were beautiful runs by Boyle and Barber. Bob Early and Joe Boyle played a great defensive game. A long run by an opposing half gave Etoibcoke another chance. They kicked and Boyle was caught behind the line. Score 12-1.

The fourth quarter found Georgetown pressing very hard, but just unable to score. The play was almost entirely in Etoibcoke territory. The game was clean and very fast and there might have been a different score if Georgetown had held in the first few minutes of the game.

Georgetown team—snap, Stigger; inside, Schertal, Kelly; middles, Dolson, McKenzie; ends, Arnold, McClure; quarter, Boyle; flying wing, Early; half-line, Wilcox, Barber, Lorrizan; subs, O. Carter, Peck, Doane, F. Carter, Hansen, Sargent, Whitmee, Coffell.

## BRAMPTON 21 — GEORGETOWN 0

Monday night, the Red and Blue of G.H.S. were handed a trimming by the mixed junior and senior squads of Brampton. The score: Brampton 21, Georgetown 0.

The game was much better than the score would indicate. Brampton opened scoring by catching a Georgetown man behind the goal line for a count of 2 points. Georgetown was given the ball on their 25 yard line and they started rolling. Barber, playing on the half-line, made yards on a smart run around the left end. The yardsticks were moved again by Lorrizan on a tricky reverse. Coffell called back for a forward, passed into a Brampton player's arms, who tucked the ball and scampered for a major score. The attempt to convert was blocked. Only other score on the first half was a rouge. Barber being caught behind the line for one point score. Brampton 8, G.H.S. 0.

The third quarter was marked by ground gaining plunges by Georgetown. Joe Schertal, a first year punter, plowed through the Brampton line for big gains. Lorrizan hooked the line several times but when called to kick he fumbled and Brampton smothered him and recovered the ball. This break started the flower-towers on a touchdown march. A long completed pass placed the ball on Georgetown's 15 yard line. From there Moorehead plunged twice for a touch. This score was converted. This ended scoring for the quarter. Brampton 14, G. H. S. 0.

The fourth quarter play was studded with fumbles. Both teams tumbled several times. Brampton missed scoring another 5 points when they were thrown back from Georgetown's 1 yd. line by the forward wall of the Red and Blue. A fumbled snap cost the local squad another 2 points when a player was caught behind the goal-line. After this score the Brampton line was very even and the ball was kept around centre field. Then Kellum, Brampton quarter, tore around end to put Brampton in a scoring position. A right end-run, was the only play needed to take the ball across the line again for another major score. The game ended with the score Brampton 21, G.H.S. 0.

Georgetown team—centre, Peck; inside, Dolson, Stigger; middles, McKenzie, Schertal; ends, Arnold, McClure; quarter, Boyle; half-line, Barber, Lorrizan, Coffell; flying wing, Wilcox; subs, Kelly, Doane, O. Carter, F. Carter, Whitmee, Sargent, Hansen.
