LIONS CLUB PRESENT CHRISTMAS MOVIE

On Monday, Dec. 12th, the Lions Club will present a motion picture in the Gregory Theatre in connection with the Community Christmas Tree. The ticket of admission will be two or more cans of fruit, vegetables or some kinds of food suitable for presentation during the Christmas season. The picture is a classic—"Submarine D-1," and is replete with thrills and romantic interest, and your enjoyment will be enhanced by the sense of Christmas cheer your attendance ensures someone in the community. Details will appear later.

The Lions Club plan to make this Christmas the greatest and happiest since the Pickwick Club journeyed to Dingley Dell, and to put a happy smile on every face in the community, even on the town clock on the post office.

CEDAR CREST GOLF CLUB

The local golf club closed the season on November 10th with a splendid supper party prepared by Mrs. Millar. Fifty members and their friends attended. Following the refreshments, the party attended a progressive bridge at the home of Mr. and Mrs. Willoughby. The following received prizes at the close of the bridge game:

Mr. K. M. Langdon, winner of the Willoughby Cup.

Mr. Bertram Willoughby, winner of the Foulis Cup.

Miss Isabel Thompson, winner of the best ladies (tringer) score. Mrs. Willoughby and Mrs. McDowell were presented with lovely flowers by the club members.

Unfortunately the shield and Coffin Cup competitions were not completed at the time of the closing, but it is expected with favourable weather, these events will be wound up before winter sets in.

TRAILRANGER NEWS

On Thursday evening, Nov. 10th, at 7.30, the Trailrangers met in their club rooms on Wesleyan St. The following officers were elected to office:

Mentor—Alex. McNabb.
 Chief Ranger—Junior Arnold.
 Secretary—W. Emmerson.
 Treasurer—Bruce Gummer.
 Business manager and press secretary—Ralph Whitmore.

It was moved, seconded and passed that we officially open the season with a social on Friday evening in the club rooms.

On Friday evening last the door of the club room was locked and a key from the inside would not open it. The six boys inside were prepared to spend the night in the extremely warm room, when their cries of distress were heard by a local girl, who came to their aid and opened the door from the outside.

J. A. WILLOUGHBY HOST AT DINNER

Autumn fruit and small bronze mums decorated the tables at Cedar Crest Golf Club last Saturday evening, when Mr. J. A. Willoughby was host to Mr. and Mrs. Wm. Hulls and staff of the Golf Course, and also the assistants in the club house during the past season. Mrs. Millar, the genial hostess of Cedar Crest, served a delicious hot dinner, after which Mr. Willoughby took the opportunity of expressing his appreciation, individually to everyone—not only for their work, but for their courtesy to all the guests who had played over the links during the summer.

The remainder of the evening was spent at Mr. and Mrs. Willoughby's house, where games were played and Mrs. Hull's orchestra provided music for a very jolly dance which brought to a close another happy and successful golf season.

CARD OF THANKS

On behalf of the Georgetown Lions Club, I wish to thank all those who in any way contributed to the success of the boxing show. We wish to express our special gratitude to the following, to whom we are greatly indebted for their kind services which were indispensable: To the Band, to Messrs. Dean Harley, Alec. Hawes and Tim Stacey; to Mr. Norm Snyder, to Dr. Reg. Paul, to Mr. Fred Ross, to Mr. Jack Wilson, to Mr. O. J. Hart. Thank you.—Arnold Brill.

BERMUDA FRUIT MARKET

Since Bermuda is unable to meet the demands of a comparatively large tourist trade from its small agricultural acreage, the colony is dependent to a considerable extent on imported canned fruits and vegetables, as the native fresh products are available only at certain seasons of the year. Canada was the chief supplier of canned vegetables to Bermuda in 1937, exporting 22,282 packages valued at \$56,975, as against 3,783 packages of a value of \$18,210 from the United States. During the same period, Canada also exported 5,923 packages of canned fruit, valued at \$28,770, from the United States. A trade in fresh frozen fruits is being developed and when more of the grocery stores are equipped with refrigerators, there will be opportunities for marketing fresh frozen Canadian fruit.

HALTON SCHOOL TRUSTEES' AND RATEPAYERS' ASSOCIATION
 (Continued from Page 1)

that this subject must be given careful consideration in order that the schools may be more efficiently and more economically managed. He stated that the schools determine, to a large extent, the condition of the state and, as instances of this, he pointed to the work of the schools in Germany and Italy. Mr. Denyes thanked the trustees and ratepayers for their co-operation during his term of office and wished the schools of Halton every success in the future. Mr. Giles, representing S. S. 22, Trafalgar, expressed appreciation for the assistance which was given by Mr. Denyes in the building and equipping of their school (this school is considered one of the finest one-roomed schools on the North American continent). Mr. Giles presented Mr. Denyes with a special picture of the school.

Mr. Rayburn presented the report of the nominating committee which was as follows: Honorary president, L. L. Skuce, B.A., B. Paed.; past president, E. Holtby; president, H. J. Smith; vice-president, Clayton Rayburn; secretary-treasurer, Mrs. Rinehart; assistant secretary-treasurer, M. A. Campbell.
