front in the interest of the country's defence.  
Following Dr. Manion, the leader of the Opposition, who spoke early in the debate a number of those who had been members of the cabinet in the Bennett regime took part. Among them Mr. Grotte Stirling, former minister of National Defence, Mr. Stewart and Mr. Cahan. In the course of his criticism of the minister and the contract Mr. Cahan paid tribute to a number of officials of the department of national defence. No reflections he said could be cast on the deputy minister, general Lafache, who was loyal to his position and his minister. The whole controversy, however, has been acrimonious; tempers have run high. One speaker said it was the strangest debate he had ever listened to in parliament.

New Work in Parliament  
Among the papers on the agenda of the session which will be considered soon are resolutions: (1) to approve the trade agreement with the United States signed on November 17, 1938 at Washington; (2) to authorize the government to raise by way of loan \$50 million dollars for paying or repaying the whole or any portion of loans and obligations of Canada and also for purchasing and withdrawing from circulation unmarketed securities of Canada and for public works and general purposes; (3) to establish a defence purchasing board to make contracts for the purchase of munitions, equipment, materials and supplies for the department of National defence; (4) to establish a commission with power under the minister of justice to administer, control and manage the penitentiaries.

### PIRATES LEAD IN ACTON RURAL LEAGUE ROUND ROBIN PLAY-OFF

On Tuesday last Georgetown Pirates hooked-up with Everton in the first game of the round-robin play-offs in which there are the first six teams out of the nine team group. Five games each, meeting each other once and then the first two teams in that series play two games with goals to count on the round for the Rumley Trophy.  
Neither Georgetown Pirates or Everton had been defeated up to that all important game, except the Georgetown. The ice was not in very good condition and therefore the play became very ragged at times, but it was a real battle right from start to finish. Everton started off the scoring in the first period with two goals from the side and W. Bradley on the Hoare and flashing the red light. The first period ended Everton 3, Georgetown 0.  
The second period opened and Georgetown pressed hard to get the tying goal but were called back by the score of 2 - 0 for Everton. Georgetown had plenty of chances to score but for want of shooting around the net would have at least tied it up.  
The third period Georgetown at last found the range and the Bradley brothers soon had it tied up 2 - 2. C. Bradley scoring on a nice shot from the side and W. Bradley on the Hoare. The game ended and both teams still remained unbeaten in actually played games.  
In the two other games that night, the Acton Band defeated Norval in a very close and hard fought game by the score of 2 - 0. Apparently they easily romped through Hornby to the tune of 5 to 1.

Thursday, the second night of the round-robin series saw Hornby overcome a three to nothing lead held by the Acton Band and beat them out 4 - 3. Everton suffered their first defeat and it was at the hands of "Ray" Pomroy's Norval Monarchs. The score was 2 - 1 in a very ragged, but well played game. In this game George Tyler of Everton lost his temper and hit Archie, the referee. He has been suspended for at least one game and justly so.  
In the other game between Rockwood and the Georgetown Pirates, the Pirates succeeded in shutting out Rockwood 2 - 0. Previously during the schedule the Pirates had shut out Rockwood 5 - 0. Apparently they had to play a great game on Thursday to earn another well deserved shutout. Rockwood was out there fighting for their second win in the round-robin series. In the first period Sargent opened the scoring and a few minutes later Chaplin, C. and B. Sargent combined for the second goal, with Chaplin shooting the puck home. There was no more scoring in the game. Rockwood pressed hard but was well taken care of by a strong defense when they did manage to send the Pirate for the first time. The Pirates still are unbeaten. In nine games the puck has only been put behind Hoare ten times.

### YOUNG PEOPLE'S WINTER SCHOOL CLOSED SATURDAY

The Young People's Winter Training School of Guelph and Halton Presbyteries, which has been in progress all week at Georgetown United Church was successfully brought to a close Saturday afternoon with the presentation of over fifty certificates to the students. These certificates were the result of the successful passing of the examinations set by the instructors of the different courses.

The students enjoyed a sumptuous banquet on Friday night provided by the Ladies' Aid Society Association. The following toasts were proposed: "The King" by Alan MacDonald (toastmaster) and responded to by the singing of the National Anthem; "The Students," by the Rev. Jos. Stewart of Drayton, replied to by Rose Callingham of Milton; "The Staff," proposed by Miss Agnes Pasmore of Rockwood, and responded to by the Rev. Wray Mather of Linwood; "The Ladies," by the Rev. Ian McEown of Mt. Forest, responded to by Mrs. Fred Sinclair; "the Visitors," by Mrs. Arthur Harris of Campbellville, and responded to by the Rev. David Gallagher, Dean of the School, then delivered an address on "The Value of Winter Schools," which was greatly enjoyed by all.

The school was a decided success not only for its inspirational value but also for the spirit of good fellowship developed. The students, loath to leave, are now looking forward to next winter and another winter school.

### CORRESPONDENCE

#### IN THE SUNNY SOUTH

More interesting holiday notes from the pen of Mr. Joseph Beaumont of Glen Williams, who is holidaying in the Sunny South:—  
Hotel Ponce de Leon,  
St. Augustine, Fla.,  
February 6th, 1939.

The Church at St. Augustine is just like a comfortable old parish church in England. It was filled to capacity at communion service this morning. The Presbyterian Church is an enormous edifice, built cruciform like St. Peter's at Rome, with a huge dome, the whole surmounted by a large cross also like St. Peter's and is alleged to have cost over a million dollars.

I attended Vespers at the Presbyterian Church. A school organ recital, a responsive service reading, prayer, two selections beautifully played by an invisible choir which also headed the congregational singing. A service designed I think to induce meditation. I was struck by the similar theme in the addresses at the two services. The priest pointed out that three generations ago the church in England was a terrible God-while today the merciful God was stressed. The minister told us that God was a righteous judge as well as a loving Father.

I am reading "Malice Towards None" a book that is being very adversely criticized. The young lady who sold it to me said, "If you are an Englishman you will not like it, and if you don't, please bring it back." I do not dislike it. It is written by a clever woman with a large and vigorous vocabulary, which she uses without fear. English people are not so sensitive to criticism as Americans and some of the author's criticisms I take as compliments. I find it entertaining.

The Saturday Evening Post has an excellent article in the Feb. 4th edition by Somerset Maugham on "Book." It is well worth reading by anyone interested in the selection of books to read. There is also an article on the English Royal Family which is in questionable taste.  
This is a lovely old hotel, but much quieter than I remember it before the war.  
Joseph Beaumont.

### BALLINAFAD

Miss Mary Cole of Guelph spent Sunday at her home here.  
Miss Noreen McKechnie visited last week with friends in Toronto.  
Mrs. D. J. Sinclair is confined to her home suffering from an attack of the flu. We hope she will soon be recovered.  
The community was shocked by the sudden passing of Mrs. J. P. Shortill on Sunday at the home of her parents, Mr. and Mrs. A. J. Lindsay.

The deceased had suffered a severe attack of tonsillitis but was apparently recovered, when on Sunday she was seized with a heart attack and passed away. The sincere sympathy of the community is extended to the bereaved husband and family. The funeral will take place on Wednesday afternoon with service in the church.  
The Mission Circle held their regular meeting Wednesday evening at the Manse.
