Permission was received from the Ontario Municipal Board for the debenture issue which was also approved by the property owners in a tight vote at the municipal elections. Previously the Municipal Board refused to sanction the issuance of these debentures when the village's application was only supported by a petition.

THIRD ANNUAL LITTLE CONFERENCE

**HELD BY YOUNG PEOPLE AT KNOX CHURCH OVER THE WEEK END**

The third annual Little Conference of Young People's Societies of Toronto Presbytery was held at Knox Church, Georgetown on Saturday and Sunday.

Attending were 112 delegates representing 38 societies in the Presbytery. After registration on Saturday afternoon, discussion groups were held on the various programmes for the coming year in Y.P.S. work, and the projects undertaken by the Presbytery and Provincial executives.

Saturday evening a most enjoyable banquet was served by the Women's Association of the church, at which 168 were present. The toastmaster was Chas. Cunningham, Past President of the Toronto Presbytery Y. P. S., Mr. Gordon Martin, President of the Georgetown Y.P.S., proposed the toast to the church which was responded to by Rev. Mr. Legate of Norval. Mr. Douglas Seaton, Vice-president of the Toronto Presbytery Y.P.S. proposed the toast to the ladies which was responded to by Miss Mima Kilson, President.

Greetings were brought by Miss Madeleine Erwin of the United Church Y.P.S., Mr. Tom Parry of St. George's A.Y.P.A., Mr. Roy Peck of the Baptist Y.P.U., Mr. John Stevens, Provincial President, Miss Grace Cation of Guelph Presbytery, and Miss Elsie Thompson of Hamilton Presbytery.

Rev. Crawford Smith of Oakwood Presbyterian Church, then gave a short but worthwhile address, and this part of the programme closed with the singing of "Auld Lang Syne."

The balance of the evening was spent in a delightful party and in a play party.

The Sunday Sessions opened with a Communion service at 9:30 o'clock conducted by Mr. Davidson and the Session of Knox Church. The eleven o'clock service was in charge of the Georgetown Y.P.S. at which Miss Florence McPhail of Brampton was the soloist and Mr. Davidson gave a very fine sermon.

The afternoon sessions opened with a sing song followed by a devotional period led by the officers of the Presbytery Y.P.S., and a splendid address by Mr. Forbes Thompson of Mt. Dennis. Then followed discussion groups on worship and service programmes, led by Miss Chrissie Booth and Miss Jean Porteous, and on fellowship and leadership training, led by Bill Robinson and Chas. Cunningham.

In the evening there was a song service and then the evening service was in charge of the Toronto Presbytery Y.P.S. with Rev. Robert Kerr of Streetsville giving a very fine message.

Altogether it was felt that the conference was a success in spiritual enrichment, attendance and Christian fellowship. Knox Y.P.S. wish to thank the Session and Minister, the Women's Association, Choir, and the hosts and hostesses of the delegates, all of whom co-operated to make the week end successful.

CORRESPONDENCE

**THE DEATH OF THE POPE**

The Francis Marion Hotel, Charleston, South Carolina, Feb. 13th, 1939.

Dear Mr. Moore,

I had prepared a short article on the death of the Pope, but the editorial in the Charleston Courier expresses my ideas so much more clearly, I am enclosing the cutting and hope you will find room for it.

Pius XI, Scholar, Prelate and Sovereign Pontiff of the Roman Catholic Church, was also a kindly, dignified Christian gentleman, and the expressions of regret at his passing have been sincere and universal throughout the world. The effect of his removal reaches far beyond the confines of the Roman Catholic Church and is of sympathetic interest to the whole of Christendom.

To my Roman Catholic friends I respectfully extend my sympathy.

Yours faithfully,  
Joseph Beatonmont.

Following is the editorial referred to above:—

"The death of no king, no president, no dictator, of no other bishop or clergyman, could cause the widespread grief that the death of the Pope causes. Nor can anyone have doubt of the sincerity of this grief. Extending to the remotest parts of the earth as the Roman Catholic church does, the bond of reverence and affection unites its head in Rome with its members, the noble and the humble, the rich and the poor. In the same way members of smaller bodies of churchmen hold their bishops and pastors in honor and love. The interesting truth is that in the world is no other pastorate like the Pope's in extent, and that in all its parts the bond holds."

This truth should be cause for rejoicing among Protestants who are Christians. Whatever the emphasis, so often misplaced and mistaken, the Roman Catholics and Protestants may put upon their differences, to the News and Courier's view they are minor, if not trivial. On the central fact they who "call themselves Christians," in the manner of the members of the church at Antioch, are as one, and seldom in mankind's history has the oneness been more necessary for the security and the continuance of Christ's church. Where is the country on this planet that is not this day beset, menaced by the force of persecutors or more seriously threatened by dissent within its ranks?

So again, it seems to The News and Courier, the existence in health of a Christian organization far-spread in the earth as the Roman Catholic church is should and does renew in all Christian people courage for the battle which is pitched, and in the grief which the followers of Pope Pius XI experience because of his death all of them should share. They have a right to share too in thankfulness for the purity and the goodness of his life and for the work that he did for God and mankind.

GEORGETOWN MIDGETS ENTER SOUTHERN ONTARIO PLAY-OFFS

Georgetown has entered a team in the Southern Ontario Midget N.H.L. play-offs, the winner of which gets a free trip to Copper Cliff the latter part of March.

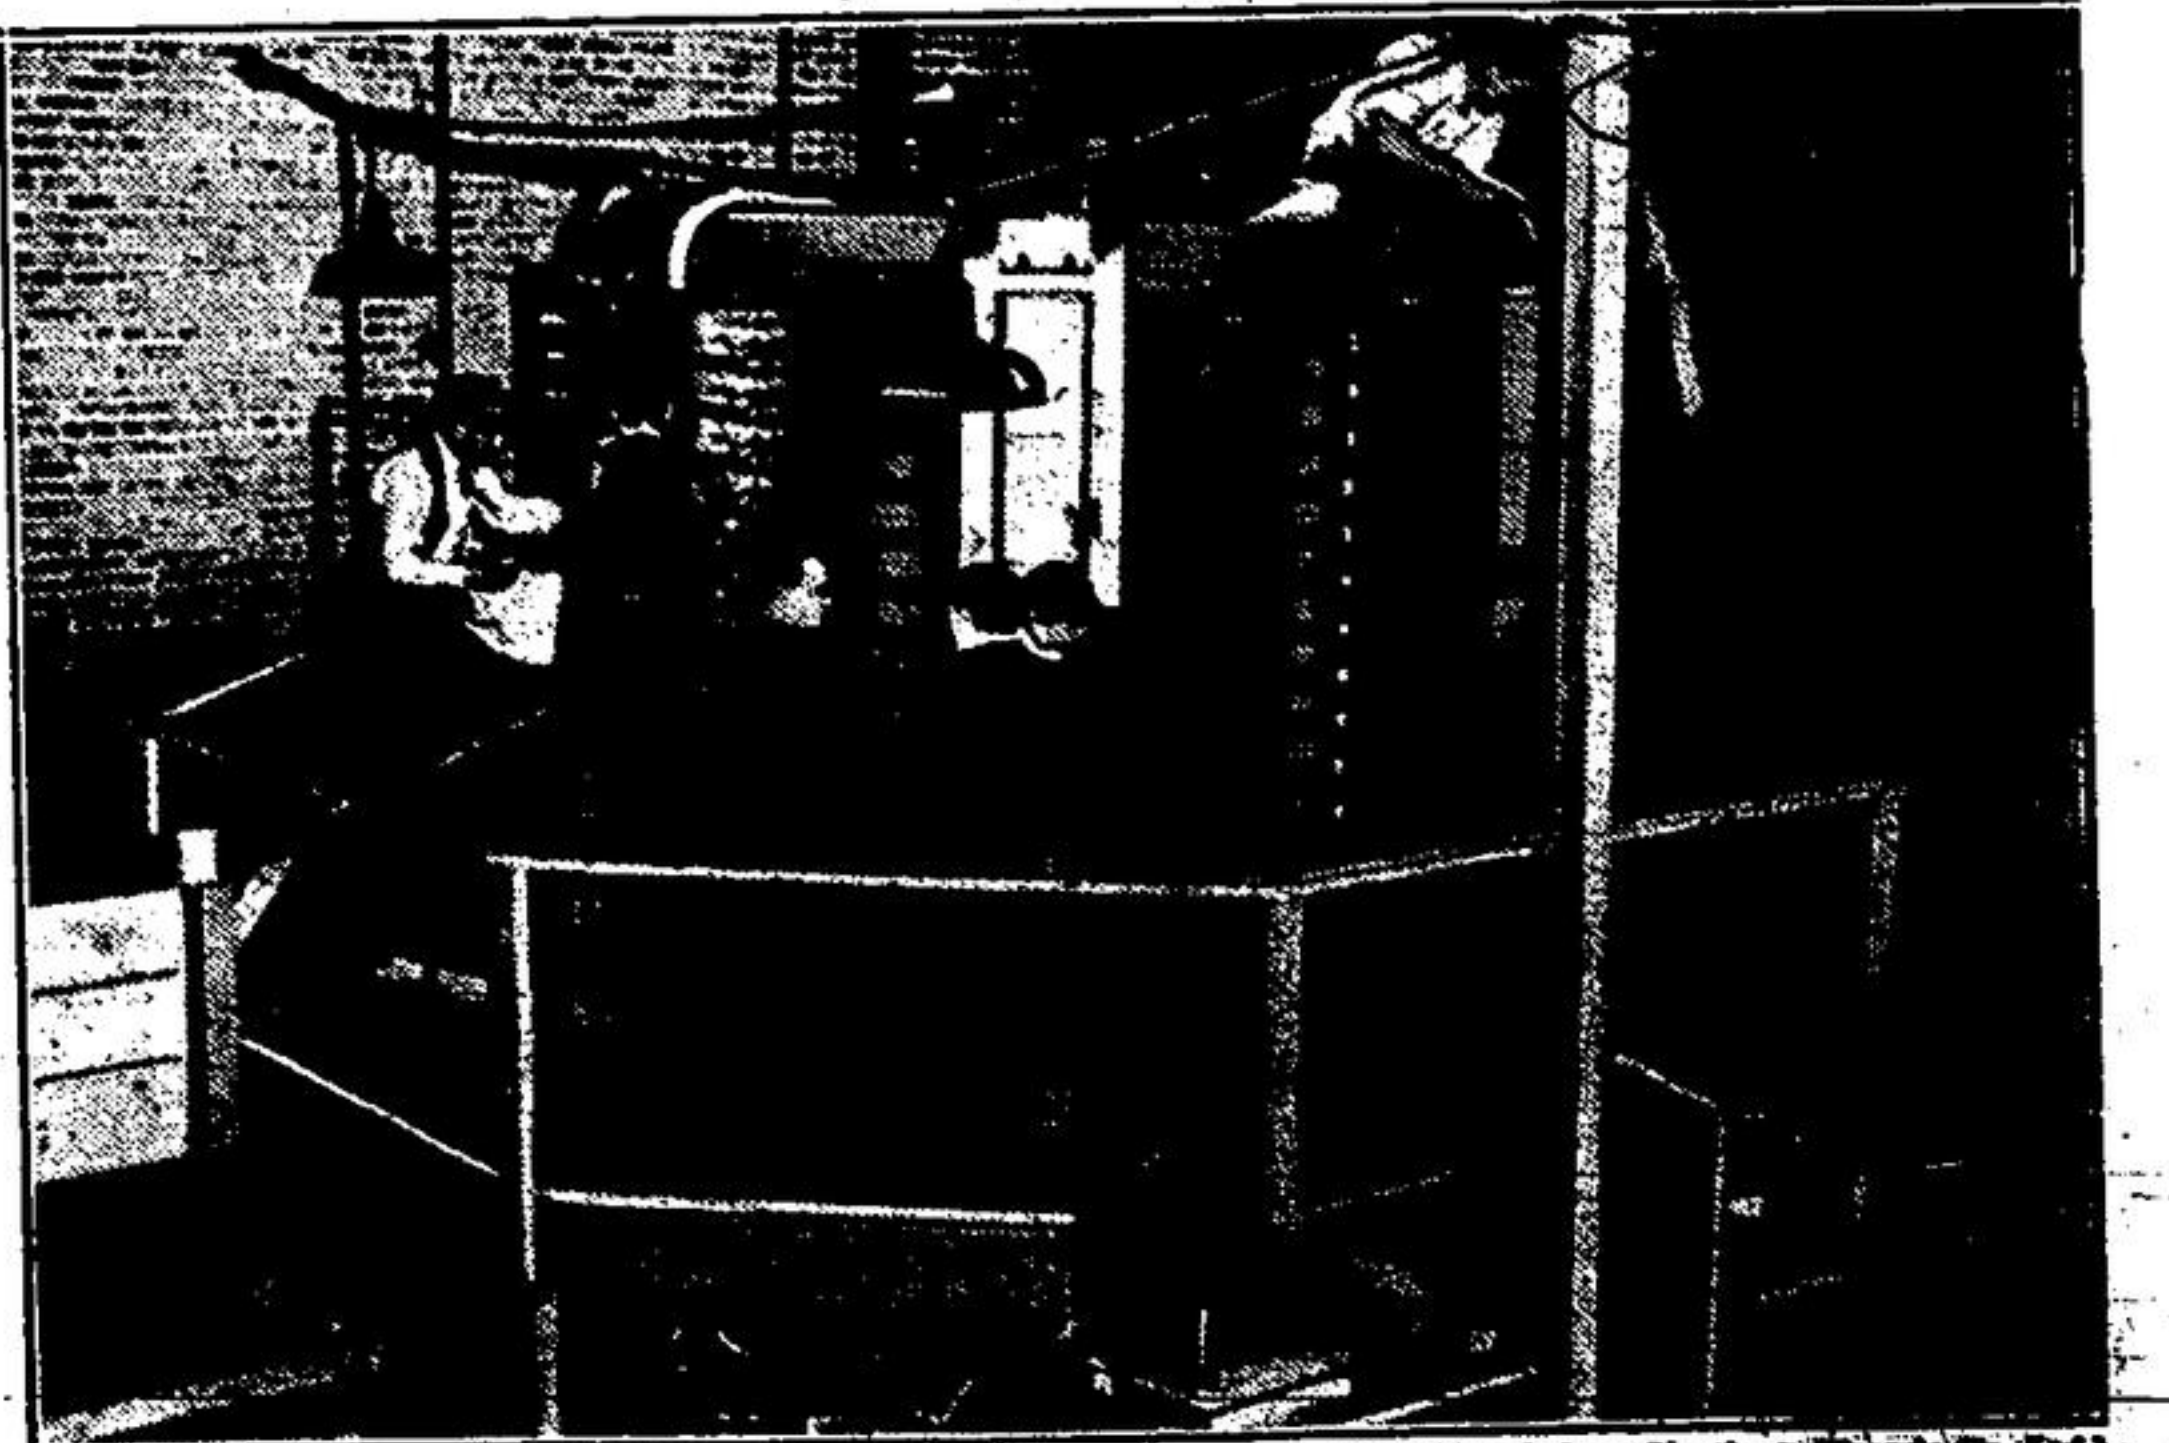

Georgetown and Stratford will hook up in home and home games, goals to count, the week of Feb. 26th, March 4th, the winner to meet either Kitchener or Preston for the right to go to Copper Cliff. The Georgetown boys are very anxious to win this trip and have been practicing faithfully for some time.

New York's Museum of Natural History has boasted of the countless art-lovers who came to see its wonders. But when a comfort station was erected on a nearby corner, museum attendance fell off by 100,000.

Fiery, Itching Toes and Feet

Here is a clean, stainless, antiseptic oil now dispensed by chemists at trifling cost, that will do more to help you get rid of your trouble than anything you've ever used. Its action is so powerfully penetrating that the itching is instantly stopped; and in a short time you are rid of that bothersome, fiery excema. The same is true of Barber's Itch, Salt Rheum, Itching Toes and Feet—other irritating unsightly skin troubles. You can obtain Moore's Emerald Oil in the original bottles at any modern drug store. It is safe to use and failure in any of the ailments noted above is rare indeed.

**Twenty Tons of Voice**

ENGINEERS of the Bell System supervise their streamlined creation as finishing touches are put on the twenty-ton, multi-voiced sound reproducer which, with a moving speaker system, will serve as a source of "speaking guides" to visitors touring the General Motors "Highways and Horizons" exhibit at the New York World's Fair. In the machine, 150 equally spaced photoelectric cells scan a motion picture film 3 1/2 inches wide through-out its length. Thus 150 different parts of the same story are being told separately, at moving rates, in the exhibit, carry spectators before a model panorama of tomorrow's highway system. Each unit is equipped with speakers which give a perfectly synchronized description of the exact scenes before which the viewer is passing. This is said to be the most intricate sound instrument of its kind ever developed.
