SALMON HAS A FESTIVE COLOUR
 Canadian salmon is one of the most interesting and colourful foods. And Canadian salmon is rich with vitamins and minerals for body building. When you open a can of salmon, you serve the rich fish oil it contains the same health building ingredients that are found in expensive cod liver oil. And crush the bones and add them to the recipe they contain calcium, which is vital to proper bone formation in children.
 The Canadian jellied salmon makes an interesting party dish, an appetizing main course for the family dinner. With potato salad and hot rolls or biscuits and a green vegetable it's a meal to serve often.

ASHGROVE
 The postponed February meeting of the W. I. was held on Feb. 28th at the home of Mrs. Ward Ruddell, with a large attendance, regardless of inclement weather. Miss Edith Wrigglesworth sang a lovely solo, and Mrs. Nielson Stark read an amusing story. Mrs. Earl Wilson explained our motto: "Keep us, O Lord, from pettiness, let us be large in thought, in word, and deed"—which prepared our minds for the debate which followed "Resolved that an untidy, good-natured woman makes a better homemaker than a tidy, cranky one." The affirmative upheld by Mrs. J. Guy Wilson and Mrs. Thomas Giffen, defeated the negative upheld by Mrs. Chas. Austin and Mrs. Hector Bird. Much laughter and merriment resulted from it. Lunch was served and the singing of "God Save the King" closed the meeting.
 In First United Church, Hamilton, on Thursday, Feb. 21st, Mrs. E. MacPhail, Mrs. F. Wilson, Mrs. Arthur Speight of Georgetown, Mr. and Mrs. Earl Wilson were privileged to hear Dr. and Mrs. Monkan of India, Miss Simeira Soga of Africa, and Dr. Yuasa, Japan. These four representatives brought good-will messages direct from the Madras Conference, India.
 The "Bright Star" Mission Band met on Sunday afternoon. The meeting was under the leadership of Miss Joy Ruddell.
 The Y.P.U. held their regular Sunday evening meeting on March 5th.
 The auxiliary of the W.M.S. met on Tuesday afternoon, Feb. 7th, at the home of Mrs. Jas. Barnes, with Mrs. C. B. Dick in the chair. The roll call was an interesting missionary incident. The meeting was in charge of Mrs. J. Bellbody and Mrs. F. Ruddell. The delegates appointed to attend the annual meeting of the Presbyterian on Thursday, March 9th, in Georgetown United Church are Mrs. C. B. Dick, Mrs. F. Wilson and Mrs. T. Giffen.

Sir George Wilson Dies in Auckland

Contributed to the Funds for the Erection of St. Alban's Church. Glen Williams

Word was received by relatives here of the death last Tuesday at Auckland, New Zealand, of Sir George H. Wilson, a former resident and businessman of Toronto. Born in Bradford, Yorkshire, in 1869, Sir George came to Canada when 21 years old. He lived in Toronto for 16 years, taking up permanent residence in New Zealand in 1910 after visiting the country on behalf of his Toronto firm, Wilson & Canham. It was largely due to his influence that the Canadian merchant marine inaugurated service still operating between the two countries. During the war he initiated several funds for the comfort of soldiers, personally contributing \$75,000. In 1934 he was knighted for war and charity work. He has been retired for some years. He was a member of numerous hospitals, college and charitable institution boards. He is survived by Lady Eleanor Wilson, Auckland, and three sisters in Toronto, Mrs. R. J. Bryce, Albany Ave.; Mrs. J. C. M. Fisher, Kingsmount Park Rd., and Mrs. G. W. Fraser, Woodlawn Ave. E.

The above item is of interest to the church people in Glen Williams, from the fact that Sir George Wilson took a great interest in the building of St. Alban's Church, and was the largest outside contributor; and this in spite of the fact that he was at the time a Congregationalist. He served the church for several years ago, however, he and Lady Wilson became confirmed members of the Church of England in Auckland, New Zealand. During his residence in Toronto he was one of my closest friends and even in those early days served the church for several philanthropic work. He took a particular interest in new comers from England, helping to place them in positions and inviting them to his home. Naturally his removal to New Zealand limited our contact, but it was my privilege to cross on the Empress of Britain with Sir George and Lady Wilson on my last visit to England, and I found him the same kindly, genial personality he always was. Auckland has lost a great citizen and a dear friend.—J. Beaumont.
