MILTON
Frank R. White, a member of the Listowel Banner staff, and Miss Grace Sangster, of Listowel, visited the former's parents, F. Leonard and Mrs. White; also Miss Violet Cooper, here, over the week end.

Mr. and Mrs. W. B. Johnstone of Omagh, announce the engagement of their eldest daughter, Grace Anita, to Stanley Louis May, son of the late Mr. and Mrs. R. E. May and nephew of Mr. and Mrs. G. A. May, Hornby, the marriage to take place the latter part of March.

Richard Sharpe, 22, Toronto, was given one year on a charge of breaking from the jail, here, on Feb. 13th, and two years on 28 charges of forgery and uttering when he appeared before Magistrate Woodliffe here last week. He was taken to Kingston penitentiary the next day. Harvey Matthews, 28, of Simcoe, was given six months, and Joseph Lazel, 22, Hamilton, was given a similar term on charge of breaking jail.

Mrs. Maria Featherstone, widow of the late John A. Featherstone, died in Milton on Thursday last. The daughter of the late Mr. and Mrs. James DeForest, of Nelson township, she was born in Nelson and lived in that district most of her life. For the past seven years she had resided in Milton. She was a member of St. Paul's United Church. Surviving are four daughters and one son: Mrs. Harry Richardson, Lowville; Mrs. Andy Prestice, Nelson; Mrs. W. O. Baggar, Toronto; Mrs. Robert Ford, Trafalgar; and James E. of Toronto; also 14 grandchildren, one great grandchild, and one sister, Mrs. Christina Biggar, of Burlington.—Champion.

You can do all you can for the other fellow but it is a failure, unless he himself is willing to get up in the morning.—Jack Miner.

—Notwithstanding the unemployment situation cupid hibernates, as usual. During the month of January, 1939, there were more marriage licenses issued in Ontario than in January, 1938.

—April 3rd is the date set for the address by Captain W. C. C. Innis in the Public Library, Georgetown, under auspices of the Lions Club. The meeting is in the interests of the Taxpayers Association of Canada. Members of Town Council and others will be invited.

—The income from dog licenses is likely to show an increase in Georgetown this year as the new by-law passed by council requires owners to register their canines, or for failure to do this pay a fine. Council have found that few dogs in the past were home when the assessor made his rounds.

—We know of a printer who tried a new method to collect an old account. After drafts returned and sending threatening letters he decided to appeal to his client's better nature and wrote a letter that would bring tears from the hardest boiled egg. By return mail he got his cheque. Gratefully he wrote his customer thanking him and expressing his confirmed belief that human nature still had some of the milk of human kindness in its make-up. But he should also have written a heart appealing letter to his customer's bank manager as that stony-hearted individual sent the cheque back N.S.F. He is still trying to collect.

—TWO-WAY ACTION on the Kidneys, antiseptic and invigorating. Rumanaps attack the cause of Rheumatism, Sciatica, Lumbago. MacCormack's Drug Store and Robb's Drug Store.

St. Patrick Dance Friday Night
The Georgetown Choral Society will hold a dance in the Arena, Georgetown, Friday, Mar. 17th. Herbie Royal and His Orchestra will supply the music. Dancing 9 till 1. Prizes, refreshments. Come and have a good time. Admission 50c each.

Bridge Club News
Winners of first prize Monday evening at the Men's Bridge Club were Messrs S. T. Faram and L. Humberstone, with the team of C. Benham and H. Lillo in second place. Arrangements have been made for special extra prizes for Monday next, March 20th, when a full attendance is looked for.

Fractured Wrist in Fall
Mrs. Wm. Kirkwood suffered a rather painful injury on Thursday evening last, when she fell on the icy sidewalk on Main Street, and fractured her wrist. Mrs. Kirkwood had attended the W.M.S. rally in the United Church and was on her way home when the accident occurred. She was taken to Guelph Hospital where an x-ray revealed the break and the arm put in a cast. We hope she may soon be around again.

CARD OF THANKS
We hereby convey to friends and neighbors our very sincere thank for the many kindnesses and sympathy extended to us in our very sad bereavement by the death of our dear beloved mother, the late Mrs. J. A. Devereaux.—The Family.

Spring is in the Air
It may feel like winter now, but there are only six days left before we officially enter into the spring season. The acquisition of new Spring Ward-rob for men and women at this time of the year is a tradition which has been long preserved. This year, with Our Majesties' approaching visit to our country and with the many joyous festivities which will follow, it is doubly important that one be sartorially well prepared for any occasion that may arise. Silver's have anticipated the increased demand for fine apparel and have made extensive preparations. The gay and alluring new shades in ladies' clothes now being shown will make this spring's wardrobe a particularly interesting in years. A particular feature in colour combination has been our continual striving of color harmony in hat, coat, and shoes of shades much more gay and more striking than heretofore. You are cordially invited to come in and consult us about your new spring outfit.—Silver's Dept. Store.

According to the official estimate, the average value of occupier farm lands in Canada in 1938 was unchanged from 1937 at \$24 an acre.

"I am Mr. Anthracite from Pennsylvania. Here are my children—we come in sizes to fit your particular style of grates. That way we burn better without waste or loss. You'll find we're clean and hard—practically pure carbon, the most concentrated solid fuel you can find. We burn long and steadily and we'll keep your house at a comfortable, even temperature.

"With our pal, Mr. Thermometer, we can provide you with automatic heat control in your home at a very low cost."

The next time you order coal be sure and specify—Pennsylvania Anthracite.
