THIS AND THAT IN SPORT

By G. "Mac" McGillvray

CONGRATULATIONS go to the Copper Cliff hockey team on winning the Calder Cup and the Ontario Midget N.H.L. championship and to the Georgetown boys for the fine showing they made in the north. They gave the Copper Cliff team a lot to worry about in the first two games.

THE BOYS report having a good time as guests of the Copper Cliff team, and according to press dispatches it was one big week end of hockey with large crowds witnessing all games.

THE SUBURBY STAR carried pictures of both teams in their Monday edition, and these pictures are now on display in the Herald window.

AMONG those who accompanied the team to Copper Cliff were: Mr. and Mrs. Carter, Mr. and Mrs. Marth, Arthur Reeve, Geo. Alcott, Matt Beaumont, Bert Graham, Herb Scott, Eddie Lunn and "Shoney" Tost as coach, Robert Early and Milly Braumont.

NOW with hockey definitely over here baseball is the next order on the program. On Friday night next, April 14th, a meeting is called at the McGibbon Hotel for all those interested in forming a baseball club in town this year. According to reports the club of former years has not been a financial success and it is doubtful whether the club will operate this season. However, some suggestions are looked for in the financial problem may be found and the club put into operation. If you want to see baseball go ahead in Georgetown be on hand for the meeting Friday night at 8 p.m.

ACTON

Mr. James McGrachie of Oshawa visited Acton friends over the weekend.

Mrs. Morrow, Mrs. Caldwell, Mrs. B. Mowat and Miss E. Hawthorne attended the Easter meeting of the Woman's Missionary Society in Georgetown United Church on Tuesday.

Mr. and Mrs. Alex. Lees left today to return to Scotland, where they plan to remain for the future and have purchased a fruit farm. Acton friends regret their removal and wish them every success in the homeland.

Nassagaweya Council paid accounts of over \$1,200 for clearing snow from the roads this year.

No. 25 Highway, between Acton and Milton, is in terrible condition. Few dare travel it now. The sooner it is paved the better, as the gravel can't stand the traffic it carries any longer.

It is interesting to all citizens to learn that revenue from the Acton arena this year was \$250 greater than last year. Still much lower, however, than the first two seasons in which the building was first erected.

Acton's debenture indebtedness has been decreased by \$53,000 during the past five years. It now stands at \$116,139.46. There have been no debentures issued since 1931 in Acton and present commitments will all be retired in fourteen years.—Free Press.
