HALTON GARAGE OPERATORS HELD MEETING

The meeting of the Halton Branch of the Ontario Garage Operators' Association was held in the Farmers' Hall, Milton, Monday evening, May 15th.

Mr. L. McKindley, the branch president, presided. There was a good turnout of members.

A large number of items came before the meeting for discussion and from the intense interest displayed in the proceedings it was very evident that the business of the Garage Operators' Association has taken on real importance in the minds of the members and is now being given the serious attention that it really merits.

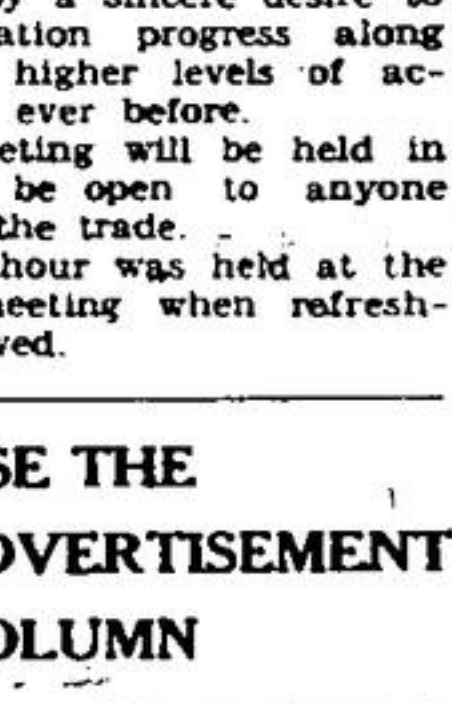

Enthusiasm and optimism were evident on all sides, the discussions were carried out in the proper interesting manner and such criticism as was voiced was of a constructive nature, and prompted by a sincere desire to see the association progress along sound lines to higher levels of achievement than ever before.

The June meeting will be held in Acton and will be open to anyone connected with the trade.

A social half-hour was held at the close of the meeting when refreshments were served.

HORTICULTURAL SOCIETY MEETING LARGELY ATTENDED

The meeting of the Horticultural Society held last Friday in the United Church was largely attended.

After two delightful numbers—a trombone solo by Mr. Omar Diggins, and a song by Mrs. Wrigglesworth, "Dick the Amateur Gardener" gave an illustrated talk on trees, shrubs and flowers, making many useful suggestions for gardeners. He also threw on the screen a number of beautiful views of Norway. After the lecture he answered readily and satisfactorily a variety of questions put to him by the audience.
