

Public School Children To See King and Queen

AT GUELPH, JUNE 6th

Arrangements for taking our Public School children to Guelph on June 6th have been completed by the Committee in charge. The special train will leave Georgetown at 11:30 a.m. Daylight Saving Time and will stop in Guelph directly opposite the Georgetown enclosure. The Canadian National Railway as usual, are doing their bit toward making everything safe for the school children. The railway yards at Guelph will be cleared of all cars on that date and there will be no movement of trains of any kind while the school children are being unloaded from the special train. Parents are again advised that they will not be permitted to travel with their children. The school staff with suitable assistants, under the direction of the Principal, Mr. Wright, will have complete charge of the children from the time of leaving Georgetown until they return. The care of three hundred children is quite a task and is undertaken by the Committee only upon the assurance of the co-operation of the parents. The Committee, in turn, assure the parents that every possible care will be taken to avoid accidents.

Adults may travel to Guelph on June 6th by the special train but not in the cars provided for the children. In Guelph, adults will be permitted into the Georgetown enclosure after the children have been placed. This trip is for the benefit of the school children and the committee in charge ask the fullest co-operation from the citizens of Georgetown.

BALLINAFAD

Miss Beatrice Hills left on Friday on a trip to Boissevain, Man., where she will visit with her sister, Mrs. Wm. Kentner. Mr. and Mrs. Jesse McEneary were Sunday visitors with Mr. and Mrs. E. Price in Dixie. The members of the W.M.S. met for their May meeting at the home of Mrs. E. Warne. The president, Mrs. E. Vannatter, was in the chair. The topic on Christian Stewardship was in charge of Mrs. A. Foreman. The worship service with the same line of thought was led by Mrs. P. W. Shurmill. The roll call was answered with naming your favorite book in the Bible and explaining why? The June meeting will be held at Mrs. John Miller's.

It seems he had an abrasion on his hand from a blister and was handling commercial fertilizer which started the infection. They have various other improvements in mind, which, when completed will do much to beautify the grounds.—Advocate.

LILACS

In Motherland days long gone it was good to moor the punt under shadowy willows alongside old Father Thames. Scrape of music from lordly households, and ripples of girlish laughter and splash of distant lily oars sweetened the romance. And when there was real lovers' moonlight—the kind that makes tired faces lovely as Psyche's own—well, the kingdom of dreams came down to dear earth and made them one. But the scent of moonlit lilacs these early summer nights in Canada has a glory all its own. Everything hopeful and brave is in it. Music and laughter and memory fill every whiff of it. Northern lights are flashing their fans of silver across the sky. With the moonlight they give these waxy blossoms a touch of beauty that only needs the perfume to make them absolutely perfect. All day long bees in the orchard have hummed a symphony of apple blossom. Robins have filled the air with lilted piping, chatter. Three nestlings have lain in the whole day with mouths wide open pointing to the sky. Already they believe that the world owes them a living—and it is so. Parent birds have scolded and fluttered and chirped phrases of love and fearlessness. And now their day's work is done. The crooning of a new-born, and the burking of a far-off dog are the only sounds that break the silence of midnight. The perfume of these moonlit lilacs has everything in it that is serene. No synthetic product of beauty parlor or laboratory can match it. It cannot be bought for money. To misquote the singer: The winter is past. The time of the nesting of birds is come. The scent of the lilacs brings hope to the heart.

LIMEHOUSE

The Girls' Lookout Club of the Presbyterian Church met at the home of Mrs. A. W. Benton on Saturday. Nickell and two daughters of Royal Oak, Michigan, visited their parents over the week end. Mr. and Mrs. Wm. Mills and Helen, and Mr. and Mrs. Robt. Storey were in Limehouse over the holiday. The Mills family returned for the week end. Miss Helen McGowan visited during the week end with Mr. and Mrs. A. Benton. Mr. and Mrs. D. Dorrie of Hamilton, Mr. and Mrs. W. Millere, Eleanor and Billie of Brampton all visited. Mr. and Mrs. Wm. Millere's on Sunday. Mr. C. Mummery, Mrs. V. Mummery and Miss Grace Mummery spent the week end in Limehouse. Mrs. C. Mummery is visiting relatives in Bradford, Pennsylvania. Mrs. W. Proctor, Mrs. McQuillan and children visited at Mr. and Mrs. Mitchell's Sunday. We are pleased to report Mrs. Mark Given's continued improving health in Guelph hospital.

Cusick, of Galt, were Sunday visitors at the home of Mr. and Mrs. W. J. Reid. Misses Fred, Jack and Jim Waterhouse and Edo Marzo spent the week-end in North Bay. Edo Marzo caught a lake trout 30 inches long, weighing 12 pounds. Seven-year-old Doreen Beaton, daughter of James and Mrs. Beaton, residing on a farm two miles south of Freetown, was killed Saturday afternoon when she was crushed underneath a heavy farm roller after the team drawing it had bolted. Following an illness that had extended over the past five years, Mrs. Robert J. Anderson passed away on Monday, May 29th, at her home on the Guelph Road, Nassagawey. She was in her seventy-first year and had spent her entire life in Nassagawey, the township in which she was born. She was a daughter of the late Donald McEwen and Mary Ann Weir.—Free Press.

RE VOTERS ON MONEY BY-LAWS

Dear Mr. Editor: This office has been accused of carelessness in the preparation of the list of voters on the recent money by-laws. We do not claim that the list was perfect. It was taken from the 1938 assessment roll and was revised by the Judge on November 9th, 1938. About the only time people seem to take any interest in the list is on voting day and then it is too late to make any change. The time to start having a correct list made, is when the assessor is making his rounds, and it is the duty of the ratepayer to give the assessor the required information. Failing that, another opportunity is given after the voters' list is prepared. I am advertised in the Herald that Court of Revision will be held to make any corrections. We understand a number were refused ballots because their names were not on the lists. If they had been assessed as Owners or Joint Owners, their names would have appeared on the list. In some cases the husband is assessed as Owner and the wife as MFNC, which entitles her to vote at municipal election, but not on money by-laws. Those who wish to have the corrections made this year, must now appeal to the Court of Revision which will be held in the fall before Judge Munro. If this is not done, then the assessor should be notified next spring when he makes his rounds. But the responsibility is on the ratepayer to see that he is assessed correctly, then if there are any errors in the Voters' Lists this office will have to accept responsibility. P. B. HARRISON, Clerk of the Town of Georgetown
