National President Addresses Local Council of Women

Beautiful Lawn at Home of Mrs. H. L. Hutt Setting for Closing Meeting of Organization until Fall.

Mrs. H. L. Hutt's lovely home, surrounded by flowering shrubs and early summer flowers, was the scene on Monday afternoon, June 5th, of the last meeting until autumn of the Georgetown Local Council of Women. An unusually large number of members and friends of the Council gathered out-of-doors, on the lawn, to welcome four special guests, Mrs. George Spencer and Mrs. Cummings of Moncton, N.B., Miss Fairweather of St. John, N.B., and Mrs. Headship of Hamilton. These ladies had recently been attending the meetings of the National Council of Women at McMaster University, Hamilton, where Mrs. Spencer had been re-elected National President for another term.

A warm welcome was extended to Mrs. Spencer and the other guests by Mrs. J. B. Mackenzie, President of the Georgetown Council, after which Mrs. Feller, on behalf of the Council, presented Mrs. Spencer with a costume bouquet of sweet peas.

Mrs. Paul then read the minutes of the previous meeting, and Mrs. Smith gave the treasurer's report. Mrs. Squires gave an interesting report of the work of the Public Health and Child Welfare Department, of which she is convener.

Mrs. Mackenzie then called on Mrs. Spencer to give an address to the gathering. Mrs. Spencer spoke first of the very warm and deep friendship which had sprung up between our President, Mrs. J. B. Mackenzie, and herself through the mutual interest in the activities of the National Council of Women, and paid tribute to Mrs. Mackenzie's sincere and unselfish interest in the Georgetown Council.

Mrs. Spencer explained how the National Council of Women had come into existence after Lady Aberdeen, wife of a former governor-general of Canada, had attended an international conference of women interested in human welfare in Washington, D.C. After this National Council had been organized, Local Councils were set up in various cities and towns of Canada. These Councils are not merely organizations, but are federations of affiliated societies, by means of which women of all races and creeds may work for the common good.

These women now number half a million, and of this half-million, only one receives a salary. Naturally, all the organizations making up the Councils must work in sincere co-operation with each other and cast aside all religious and racial prejudices in the interest of Canada's welfare.

Mrs. Spencer proceeded next to give a very interesting and colourful account of the meetings of the International Council of Women held in Edinburgh, Scotland, in July, 1928. Here, thirty-six delegates from many countries of the world had gathered to discuss questions of international interest and importance. Mrs. Spencer herself had been Canada's delegate and had been privileged to attend all the business sessions and social functions of this two-week convention. Here she had many conversations with Lady Aberdeen, who retains to this day her deep interest in Canadian and international matters.

In closing, Mrs. Spencer appealed to the Georgetown Council to keep striving for the common welfare, so as to pass on something worth-while to the coming generation of Canada. This can be accomplished only by the casting aside of criticism and the sincere adoption of tolerance and understanding.

Following Mrs. Spencer's address, brief addresses were given by Mrs. Cummings and Miss Fairweather, who brought greetings from Moncton and St. John.

Mrs. Hayes expressed the appreciation of the Council to Mrs. Spencer for her interesting and inspiring address. After delicious afternoon tea had been served, with Mrs. Nowell and Miss Hetty Lawson as conveners, Mrs. Nowell moved a hearty vote of thanks to Mrs. Hutt for her hospitality in allowing the use of her lovely home and lawn for this most enjoyable and inspiring meeting.

Zone 26 Church Parade of Canadian Legion Held at Georgetown Sunday

There was a large attendance at Zone 26 church parade of Canadian Legion, B.E.S.L. held at the High School grounds, Georgetown, on Sunday last, over 400 veterans from Acton, Alton, Erin, Milton, Hillsdale, Brampton and Georgetown taking part.

The parade formed at the Legion Hall and headed by the Lorne Scott Band, marched to the cenotaph where a wreath was deposited and the Last Post sounded, followed by two minutes silence and Reveille. The service at the cenotaph and at the grounds was in charge of Rev. W. G. O. Thompson, pastor of St. George's Church and padre of the Georgetown Branch 120.

A wreath was deposited at the cenotaph by Arthur Hornsby, zone representative, Brampton, on behalf of the 400 Legionnaires who took part in the parade. The Lorne Scott Band led the march and provided accompaniment for the hymns of the service.

Capt. the Rev. H. P. Charrier, of Toronto, was the special speaker. In an earnest and inspiring address he declared: "Isolationists are a handicap to the nation. They are willing to accept the privileges of democracy without assuming their responsibilities." Referring to their majesties as "two young people who have endeared themselves to their subjects in Canada," they are a living emblem of the people's supremacy which is necessary for true democracy and to counteract bureaucracy," he said.

Zone branches fell in at the Legion clubrooms for the annual church parade. They marched to the cenotaph where a wreath was placed and then on to the high school grounds. A. P. Hornsby, zone commander, took the salute on the return march past the post-office.

Royal Train Passed Through Georgetown Tuesday

Hundreds Disappointed When King and Queen Fail to Appear on Observation Platform

Hundreds of residents of Georgetown and surrounding district gathered at the C.N.R. station yesterday afternoon to pay homage to Their Majesties, King George and Queen Elizabeth, as they passed through on the Royal train.

Although the train was not scheduled to stop here or Their Majesties to make an appearance on the observation platform of the train, all hoped that by some turn of events the Royal couple would come out as the train went by. However, after waiting for some time, the train came, slowed

down as it passed the large crowd, but the King and Queen did not make an appearance, much to the disappointment of all present. It has been stated that Their Majesties were having lunch at the time, and after all kings and queens have to eat.

The train, itself, was well worth the long wait to see. The locomotive was a big Canadian Pacific, as shown above, a mass of shining steel, royal blue silver and gold. The semi-streamlined engine bears the royal coat of arms over the headlight, and Imperial crowns decorate the running boards. The coaches are all finished in Royal blue and silver.

Ten Georgetown Legion members acted as special guards on bridges and crossings in the vicinity of Georgetown on Tuesday, and other Legion members helped to take care of the school children who went to Guelph to see the King and Queen; while still others formed a guard at the station here. School children from Georgetown, Glen Williams and Limehouse went by special train to Guelph.

Trees Planted on St. George's Church Grounds

To open the service, the hymn "For the beauty of the earth," was sung and four verses of the First Psalm read as follows: "Blessed is the man that hath not walked in the counsel of the ungodly, nor stood in the way of sinners; and hath not sat in the seat of the scornful. But his delights is in the law of the Lord; and in his law will he exercise himself day and night. And he shall be like a tree planted by the water-side; that will bring forth his fruit in due season. His leaf also shall not wither; and look, whatsoever he doeth, it shall prosper."

Rev. Mr. Thompson then made a few appropriate remarks regarding the planting of the trees, and Mr. W. V. Grant made the following request for permission to plant the trees:—"Mr. Thompson: The organizations of St. George's Church desire to commemorate the visit to Canada of our beloved Queen Elizabeth, by the planting of trees. We ask you, representing the Churchwardens, to permit this action, and accept our gift of well-planted trees."

Milton Extended to Defeat Georgetown in Ten Innings

Pitcher's Errors Costly for Georgetown after Pitching Nine Innings of Grand Ball—Milton Team Strong Finishers—Oakville Play at Park Here Tomorrow Night.

The Milton baseball team of the Halton County League emerged victorious over the luckless Georgetown crew 8-7 in an affair that took ten innings to decide. The game, which was played at Milton, started under threat of rain, but the weatherman was kind to the teams and the rain held off so that the large crowd might see a good game of ball.

While the locals were forced to take defeat after having a three-run lead at the end of the eighth inning, they nevertheless played heads-up ball most of the way. Brydon was on the mound for the nine game, and he was backed by some grand fielding, especially in the outfield, where all three fielders made some remarkably catches. Milton were slow to start, but finished gloriously in the ninth to tie the score and force the game into ten innings. It was in this innings that the Georgetown pitcher became excited and two costly errors put the Milton team ahead. Blinco started the pitching duties for Milton, but was forced to retire in favor of Clements in the 8th. Clements finished the game allowing only four hits and two runs in three innings.

Georgetown scored their initial run in the first innings. W. Ritchie drew a walk as first man up; Smith struck out; A. Ritchie went to first on a fielder's choice; Brydon fled to right field; Chaplin singled to score W. Ritchie and Post went out at first.

There was no scoring until the 4th innings when Milton tied up the game. (Continued on Page 5)
