Good Attendance in Spite of Rain at Lions Frolic

In spite of the inclement weather on Saturday evening, there was a good attendance at the hall for the draw and frolic of the Georgetown Lions Club.

During the few hours at their disposal those present patronized the different games and excellent prizes were given. Hull's Orchestra was in attendance and few dances were enjoyed. Unfortunately with the unfavourable weather the space was limited and the whole program could not be run off.

The various draws took place and the lucky winners were as follows:— Hudson sedan—Geo. Moran, Kewwood, Ont., ticket No. 1382B. C.G.E. car radio—Lorne D. White, Welland, Ont., ticket No. 1723. Motor rug—Lyn Mosher, Strathroy, Ont., ticket No. 1388B.

The winners of the twenty-two \$1.00 prizes were as follows:—A. H. Fellows, Tillsonburg; C. Rennie, Guelph; Miss M. E. Jamieson, Simcoe; P. G. Littlejohn, Sutton West; H. Knowland, Prescott; John Thurbek, Streetsville; Isaac Scott, Oakridge; R. Powell, Arnprior; Roy Gault, Miramichi; Edgar Lyons, Streetsville; Tony Samela, Blenheim; W. T. Campbell, Listowel; N. Hoffinger, Leamington; Pat. Brawley, Deloro; Leo Doherty, Campbellford; S. Chapman, Georgetown; Austin Louks, Smith Falls; W. Siegner, Tavistock; C. Brix, Streetsville; Alice R. Allen, Merlin; Owen Emmett, Port Rowan; Rose Sangster, Tillsonburg.

The Lions deeply appreciate the support given by residents in their effort to raise funds for this worthy cause, also the untiring assistance given by the ladies, all of which resulted in another successful event.

The work of this Club is broadening out, but its extent necessarily is limited to the amount of support given by the residents to ensure increased revenue from projects of this kind. Help your local service club all you can. They are deserving of this, as evidenced by nine years of steady, faithful work and the sacrifice of time on the part of all members to help the underprivileged and be of service to the community generally.

Your Lions are preparing a monstrous frolic on Civic Holiday, so be on the look-out for further announcements. All arrangements are in the able hands of the Chairman, Col. Jas. Ballantine. As usual they can be relied upon to provide something outstanding.

IN APPRECIATION

The pupils and teachers of the Public School wish to express their gratitude to those who made it possible for them to go to Guelph to see the King and Queen. The arrangements for the trip were very complete and much credit is due to the committee in charge. Thanks also go to the Canadian Legion Branch 120 and to the Ladies' Auxiliary of the Legion, to the other ladies who assisted, and to the Town Council who helped to finance the trip. It was an event that will long be remembered by those who were privileged to attend.

MILTON EXTENDED TO DEFEAT GEORGETOWN IN TEN INNINGS

(Continued from Page 1)

count on a hit, 2 errors and a single Toietzka singled. A. Clement went to first on an error and Toietzka went to third; Brush fled out to centre field; Naylor got a base on an error and Sproat fled out to left field to retire the side.

There was no more scoring until the seventh when Georgetown rallied to score four runs on 2 hits, 2 walks and 2 errors. Milton came back in their half to score three times on 3 hits and 2 errors. Georgetown scored twice in the eighth inning on 3 hits, while Milton was retired in order.

The ninth proved an unlucky affair for the Georgetown Club when Milton came back strong to tie the count on 2 hits and a walk for 2 runs.

In the tenth inning Georgetown went out in order in their half, while Milton scored the winning run on two costly errors.

The local team are playing a steady brand of baseball, and while they cannot be expected to win every game, before the end of the season will give a good account of themselves. Oakville play here on Thursday, tomorrow night, let's get behind the team and give them our support.

Simple Stuff

FLOW IT IN

Like apples of gold in pictures of silver were the words of kindly old Corydon the other day. Neighbors were talking about a lawsuit between farmers.

Tom had dumped cesspool stock-in-trade on land where Lyle's chickens and cattle roamed and fed at times. There had been previous disputes between the two men about fences and gates. Cesspool incident was the climax.

Experts swore that chickens died by the gross, and that well bred heifers had lost all sense of moral responsibility through cesspool infection. Experts on the other side swore with equal conviction that the chickens were children of wrath anyway, and laboratory do the good of heifers was merely premature expression of original sin.

And Corydon said: "Aw, shucks; why didn't they plow it in and forget it!"

Wise old son of the soil. "Sailors and farmers are surely our last witnesses of truth. Lonely night watches on the everlasting sea, and long days of silent work on mother earth, teach them the wisdom of ages. Plow it in! Let nitrates and phosphates and sulphates of nature's underground laboratory do their good work. Let the blessed sun and rain and heaven above co-operate. The end of the story will be safe enough. What says the Word? "Take therefore no thought for the morrow, and ye shall find rest for your souls." The fact you know and mustn't say—The faith you hold through darkest day.

The fun that's helpful anyway—FLOW IT IN!

Wise old Corydon!
