ALCOHOL AND ECONOMICS The ever increasing cost of alcoholic beverages is the incubus that helps to church our economic life into the dust of depression. Let us consider statistics that reveal how heavy is that burden. THE AMERICAN BUSINESS MAN'S RESEARCH FOUNDATION has made public the following statement. In the United States in the years 1933 to 1937 there was spent in alcoholic beverages, \$12,417,790,000. The cost of the highway accidents due to liquor was \$2,273,000,000. Industrial accidents, crime, reduction of labor, etc. due to the consumption of liquor added \$500,000,000. The total economic loss was \$19,690,790,000. What this was reduced by the amount paid in taxes and by the revenue to the government we have the staggering NET LOSS of \$15,690,790,000. In Canada the amount spent in one year, 1937, on liquor was \$159,000,000. In Britain the amount spent for this year was \$1,185,000,000.

Now these are countries whose major problem is that of unemployment. The liquor industry return the least in wages of practically all the business enterprises and has nothing to show as a result except suffering and loss. Withdraw these incomprehensible amounts from this business and invest them in a BENEFICIAL enterprise, such as solving the housing problem and you will have a large reduction in unemployment, and besides homes that will provide for the comfort and physical well-being of the people.

(This is the sixth in a series of articles prepared by a committee of representative citizens with the purpose of stimulating consideration of the problems arising from the use of alcoholic beverages.)—Adv.

## UNVEIL FLAQUE TO DR. MACNEILL

Many former members joined with the congregation of Walmer Road Baptist Church Sunday morning to pay tribute to the late Rev. Dr. John MacNeill, former minister, at the unveiling of a memorial tablet.

The service was conducted by Rev. Dr. H. H. Bingham, pastor, assisted by Prof. Frederick Tracy and Chancellor H. P. Whidden of McMaster University. The tablet, unveiled by R. D. Warren, a deacon.

Professor Tracy drew attention to the words: "A beloved brother and faithful minister in the Lord," engraved on the tablet, and which he declared might truly be said of Dr. MacNeill. For twenty-four years Dr. MacNeill ministered as pastor of Walmer Road Church, leaving in 1930 to accept the appointment of principal of the Faculty of Theology of McMaster University. He died in February, 1937. He had held many important offices in the Baptist denomination and had the honor of being president of the Baptist World Alliance. For two years during the Great War Dr. MacNeill served as chaplain overseas.

"He was beloved not only by our denomination in Canada, but throughout the world," said Dr. Bingham, who announced that the memorial was a gift from members and ex-members of Walmer Road Church.

DAUGHTERS OF CHURCH HELD CLOSING MEETING The closing meeting of the Daughters of St. George's Church was held at the home of Mrs. Fred McNally on Friday evening, June 2nd.
