Accounts of weddings, meetings, etc., are also very welcome. Let's have your news. The most recent Year Book of Japan shows the hourly rate of wages for all factory workers to have ranged from 2 to 3½ cents. People should consider this fact and its effect upon wages in Canada and other British countries says the Barrie Examiner, before purchasing cheap Japanese goods. Orangeville council recently passed a daylight saving-by-law to take effect in July and August. Merchants opposed to "fast time" are sponsoring a petition in the town, and it is understood a number of business men are signing it, and efforts are being made to ask council to rescind the by-law. The town of Burlington at present is passing through an epidemic of measles, many homes being quarantined as the result of children suffering from this disease. In addition to this scarlet fever is also prevailing in five cases have been reported. It is expected that many cases of measles will likely follow, but the authorities believe they have the scarlet fever situation well in hand and do not look for further cases. From all over Canada these days comes the same story—the King is all right. A friend told us that he was in a group of soldiers in one of the cities the evening of the Royal Visit. They were discussing impressions of the day and one veteran piped up: "Well, if war comes, and they let us talk on Kew Gardens with very fine views of the gardens in natural colours. It was announced that the international penny show will be held in Guelph on the 22nd and 23rd of June.
