PERSONALS

St. George's Anglican Church was the scene of a very attractive wedding on Saturday, when Florence Fanny May, daughter of Mr. and Mrs. Jess Brandford, of Georgetown, became the bride of Mr. James Thomas Eason, son of Mr. T. J. Eason and the late Mrs. Eason. The choral service was conducted by the Rev. W. G. Thompson and Mr. J. Crisden, of Georgetown presided at the organ.
—A beautiful setting of peonies and locust blossoms, the bride was given in marriage by her father and was gowned in mist-white net, fashioned on long lines, with double skirt and jacket of white lace, trimmed with white velvet bows. Her bridal bouquet was of white roses and lily-of-the-valley and she wore the gift of the groom, a pearl necklace, in three strands. Her finger-tips fell from a doll hat of white gardenias and orange-blossoms.
—Miss Dorothy Prampton of Guelph was maid of honor, frocked in shell-pink and banded in blue. Miss Lucy Hicken of Georgetown was bridesmaid, in a gown of Caribbean blue marquisette, trimmed with baby lace and blue velvet. Both carried colonial bouquets of roses and wore doll hats of blue forget-me-nots and pink gardenias. Miss Ruth Brandford, niece of the bride, was a charming little flower girl in lilac moire with white accessories. Mr. Cyril Brandford acted as groomsmen, and Mr. Walter Brandford and Stephen Eason were ushers.
—A reception was held at the home of the bride's parents on Queen St., the bride's mother receiving in Queen's blue skirt with white accessories and corsage of Sweetheart roses. She was assisted by Mrs. Richard Mitchell, sister of the groom, who wore a smart printed sheer with accessories to match.
—Following the reception, the couple left for the north, the bride travelling in a two-piece dress of imported silk cloth of aqua, with Polynesian print jacket and white accessories. Mr. and Mrs. Eason will reside in Georgetown.

THIS AND THAT IN SPORT

By G. "Mac" McGilvray

THE GEORGETOWN Baseball Club seem to have got into a backward slump that they find themselves unable to overcome. They have been taking some decisive defeats at the hands of all the teams in the league and the "pay-off" game on Saturday when they journeyed to the County Town and were trounced to the tune of 27 to 1 by the Miltonites.

OWING TO these defeats the team has dropped into the cellar position of the league and only some additional players to the line-up would help at this time. It is rumored that Murray Eszard may be granted permission to pitch for the localites, but this has not as yet been confirmed. Also "Winn" Wheeler of Brampton may try his hand on the mound. No doubt another pitcher to help Brydon and McNally with these efforts would make a decided improvement in the team.

WHETHER THE Georgetown Club can still make a bid for the play-off remains only in their ability to secure new players, or their grit in fighting back with their backs to the wall. With Eszard or Wheeler pitching and a general tightening-up in the field, they still may have a chance to get into the old ball game before long.

IT LOOKS like Acton or Oakville for the baseball honors in the group this year, as both are well stacked with pitchers and have been winning consistently. While Milton are strong finishers, they do not appear to be on a par this season with either team. Georgetown have made a bad start, maybe they will finish well.

BEING RAINED OUT last Thursday night with Acton, Georgetown now have two postponed games. The other being with Milton.

THE NEXT GAME to be played here will be to-morrow night, Thursday, June 29th, with Oakville being the visitors. This would be a good time for the local team to pull some tricks out of the proverbial bag and get back into the winning column once more. On the holiday, July 1st, Georgetown will be the guests of the Acton Club, while Oakville will play in Milton. Milton are playing in Acton tonight.

Team	P	W	L
Oakville	8	5	3
Acton	7	4	3
Milton	7	4	3
Georgetown	6	1	5

IN THE Halton Juvenile League the Georgetown team played their postponed game of last Thursday in Acton on Saturday afternoon. This is the third game the local boys have played this year and after two defeats by both Milton and Acton, decided it was time to get on the winning side. They played a much better brand of ball than in previous games and ended up on the right side of a 13 - 8 score. The Georgetown team had 12 hits for 13 runs, and 2 errors, while the Acton squad were held to 9 hits for 8 runs, with 4 errors. These boys are our players of to-morrow, let's boost them along by attending their games. Milton will play here on Friday night, June 29th, so come out and cheer the boys to victory.

—By-laws disposing of three town lots for \$25 in Burlington were passed upon agreements that \$3,000 houses will be erected within the year. This is one way of stimulating the building trades in a town.
