District Governor to Pay Official Visit October 16

Chairman Coles reported on the juvenile and midget ball season.

Chairman Watson, reporting on the street carnival, said it had been a desirable call it off, and that there would be some expense for advertising and other preparation, which would be a loss.

The following resolution was passed unanimously: That the Georgetown Lions Club goes on record as being very desirous of co-operating with all local organizations in any work which will forward the cause of the Empire in this time of war.

It was stressed that there ought to be a one hundred per cent attendance on the occasion of the visit of the District Governor.
