MILTON

Crown Attorney W. I. Dick, who recently underwent a very serious operation in Galt Hospital, is, we are pleased to report, doing nicely and is on the road to recovery. Mr. Dick's many friends will be pleased to hear this good news and hope he will soon have a complete recovery.

The marriage of Miss Barbara Jane Hayward, daughter of Mr. Walter Hayward and the late Mrs. Hayward, of Milton, to Mr. Wm. C. Brownridge, son of Mr. and Mrs. F. Brownridge, Omagh, took place on Sept. 29th, at the manse at Mansewood. Rev. Mr. Andrew officiated.

Died in Windsor on Thursday, Sept. 28, Mrs. George Carter, eldest daughter of the late George Buck and Margaret Buck, of Trafalgar. Deceased was in her 77th year, and was one of those who attended the Boyne School reunion in July last, and also one who answered to the roll call of 1870. She is survived by her husband, and three daughters, also six brothers and one sister. Mrs. Carter had been in poor health for some time, but up to the time of her death was up and around, when stricken by a heart attack, and died suddenly.—Champion.

ACTON Dr. A. A. B. Kenney, who has been visiting his parents, Mr. and Mrs. Wm. Kenney, returned on Saturday to his home in Maple Creek, Sask.

The silent policeman at Mill and Main Streets, broke the silence about midnight last night, when it was hit and dragged along the pavement. Incidentally the policeman as well as the silence was broken.

A requisition for music books brought about a discussion regarding music in the school at a recent meeting of the Board. It was the feeling of the Board that in the past music had been overdone in the school and it was felt participation in the Music Festival in choir numbers should be curtailed. The Board approved of individual entries but not the larger groups. The teachers were to be invited to the next Board meeting to discuss this matter fully.

Miss Sybil Bennett was guest speaker at a recent meeting of the Lakeside Chapter I.O.G.E. Covering well her subject on "Confederation" and linking it up with the present day crisis, her message was most inspiring and greatly enjoyed.—Free Press.

Halton Plowboys Off to the International

The annual International Plowing Match which is being held this year near Brockville, will be expected to attract in the neighborhood of a hundred thousand spectators. Reports would indicate that contestants from all parts of the Province as well as from Manitoba and some of the Northern States have been drifting in since the latter part of last week. As usual, Halton will be well and worthily represented in both tractor and horse drawn classes.

Harold Pickett, Hornby, Spencer Wilson, Norval and Wellington Wilson, Georgetown, will be contenders in the tractor classes, while Claude Pickett, Leonard Lister, Stanley Fuller, and Kenneth Brown, of Hornby, Grant Baker and Jack Taylor of Freeman; and Ivan Taylor, of Moffat, will compete in the walking plow classes. Grant Baker, Ivan Taylor, and Leonard Lister will represent the county in the tractor classes, while the ladies of the Belief United Church are catering for the banquet which will be held on the evening of the Match, namely Friday, November 3rd. We note that those responsible for the drafting of the prize list are endeavouring to encourage larger numbers of local plowmen to compete. The No. Handling class which created so much interest last year, is this year being confined to those who have never previously plowed at a county or township match, while the second class in tractors is open only to Halton County plowmen. While this may result in a slightly smaller number of contestants than the record match of 1938, we feel it is a step in the right direction and along the same lines as those adopted by the local Holstein Breeders, who surprised everyone including themselves by their record showing at the county fair a week ago.

The prize list of the Halton Plowmen has just been released. As announced in an earlier issue, the match will be held near Drumquin, on the farms of Messrs. Pickett, Lister and Fuller, and we note that the ladies of the Belief United Church are catering for the banquet which will be held on the evening of the Match, namely Friday, November 3rd. The prize list of the Halton Plowmen has just been released. As announced in an earlier issue, the match will be held near Drumquin, on the farms of Messrs. Pickett, Lister and Fuller, and we note that the ladies of the Belief United Church are catering for the banquet which will be held on the evening of the Match, namely Friday, November 3rd. We note that those responsible for the drafting of the prize list are endeavouring to encourage larger numbers of local plowmen to compete. The No. Handling class which created so much interest last year, is this year being confined to those who have never previously plowed at a county or township match, while the second class in tractors is open only to Halton County plowmen. While this may result in a slightly smaller number of contestants than the record match of 1938, we feel it is a step in the right direction and along the same lines as those adopted by the local Holstein Breeders, who surprised everyone including themselves by their record showing at the county fair a week ago.
