### ASHGROVE

#### ADDRESS AND PRESENTATION TO MRS. EARL WILSON

Anniversary services were observed at Ashgrove United Church morning and evening on Sunday, a large number attending both services. Rev. Mr. Cummings of Norval gave an inspiring thanksgiving message, using as his text Psalm 103: 1. In the evening, Rev. G. H. Forter of London chose as his theme the story of Mrs. Jacob and Esau. An appreciated feature of both services was the fine music by the choir which was assisted by friends from Georgetown and Norval. On Tuesday evening a hot supper was served, after which a good program was given by the following artists: The Georgetown String Ensemble, Mrs. Ola McNaughton delighted again this year with numerous readings; Mr. Stuart MacLaren, baritone soloist; Misses Hope McMeekin and Mary Marshall in vocal duets; piano trio by Mrs. Totten, Mrs. Frank Wilson and Miss Isobel Wrigglesworth.

The regular meeting of the W. I. was held at the home of Mrs. Frank Wilson on Oct. 19th with Mrs. Engleby in the chair. The roll call was answered by giving "How and Why I Like Milk." This was followed by a splendid paper on "The Milk Bottle" by Miss Isobel Wrigglesworth. "Health is Better than Wealth" was the motto and was taken by Mrs. George Nurse. Rev. J. O. Totten favored with a pleasing solo and Mrs. Hector Bird and Mrs. J. Bellamy gave readings. Miss E. C. Fisher who had attended the glove making class in Milton, made arrangements to conduct a class for the benefit of any who cared to take the project. We regret that Dr. K. Stevenson was unable to be with us as planned. At the close of the meeting, Mrs. Engleby, in a few fitting words, expressed the regrets of the Ashgrove W.I. members in losing one of their beloved members, Mrs. Earl Wilson. A travelling bag was presented to Mrs. Wilson who thanked all for their kindness. The lunch committee, assisted by the hostess served a dainty lunch.

The first Thursday in November the Women's League of Health and Beauty are staging a demonstration at the Norval Parish Hall. The members of the Ashgrove W.I. have a cordial invitation to attend. A small delegation from the Ashgrove United Church presented Mrs. Earl Wilson with a walnut desk and the following address:

Dear Friend and Co-worker: Your many friends and fellow members in the Ashgrove United Church desire to express their high regard for you and their appreciation of the service you have so unselfishly and faithfully rendered during the years you have lived and labored among us. You have always shown by your deep interest and untiring efforts in the work of the church that you recognized the truth of the oft quoted saying, "that we are saved to serve."

In the Women's Missionary Auxiliary in the Choir, in the Sunday School, in the Young People's Union and Mission Band you have constantly taken an active part. You possessed special gifts for leadership and service and were willing to give your very best in every way possible. Perhaps you often grew discouraged because of lack of co-operation you received, as well as of the failure to see much accomplished by all you did. Yet you labored on faithfully and were always cheerful and optimistic, and were willing to learn the results with Him whom you served.

We would now assure you that your efforts have not been in vain but that you have exerted an influence for good on all with whom you came in contact through the years which will never end, but go on increasing as time rolls on. What a pity it is that all too often we fail to express our thanks to those who serve us so faithfully as you have done. Forgive us for having too often manifested that spirit toward you.

We cannot tell you how deeply we regret that events have transpired to make it necessary for you to move from our community. We feel it a distinct loss to our church and community life.

And now before you go we would like to express our feelings and regards in some tangible way, and would ask you to please accept this small gift as a token of our love. With it go our wish and prayer that as you use it you may be constantly reminded of your Ashgrove friends and that you may be able to return to us frequently to refresh us with your cheery and helpful presence. May God grant you health and strength for many years yet of service, and may he continually comfort you with His peace and love.
