Mrs. Livingstone, the representative to the Red Cross, reported the work done by the members during the month of November and also the contents of the first shipment by the local Red Cross to the head office, which was very creditable. The Roll Call was answered by giving "Christmes table decorations," and there were some helpful suggestions given. Miss Appelbe then gave a very interesting paper on Dr. Charlotte Whitton's address at Ottawa. This was followed by two short readings by Mrs. Freure and Mrs. H. Cleave.

After the members had engaged in a short sing-song of favorite Christmas hymns, and a vote of thanks was tendered Mrs. Erwin for her hospitality, the meeting closed with the singing of God Save the King, and a social half hour was spent over the teacups.

At the annual meeting of the Halton Plowmen held in Milton on Tuesday evening of last week, the outstanding feature was an address by Frank Laidlaw of Jarvis, prominent farmer and plowing judge.

"The peoples of European nations have down through the years, dared to stand for freedom of their faith." stated Mr. Laidlaw, "and we ourselves may have to stand firm for our faith. I believe that Russia, more so than Germany, is going to be the enemy of the world and their literature has already sown the seed."

"A man in despair might easily become prey to communistic doctrine." the speaker declared. "Our failure to maintain the Sabbath as a day of rest as in the days of our fathers has had a very direct bearing on the poor attendance in many of our churches." The solution of many of our economic problems lies with a revival within the individual, stated Mr. Laidlaw. The election of officers resulted an
