### KRUSCHEN SHIPMENT LOST AT SEA!

50,000 Giant Packages were en route to Canada

Kruschen users who have learned the utter joy of that "million dollar Kruschen feeling" are advised to get their packages of Giant Kruschen at once to avoid disappointment. Recently 50,000 bottles, Canada-bound, were sent to the bottom of the Atlantic and the supply is thus strictly limited.

To avoid just such a catastrophe, other Giant Package shipments were sent on different ships, were successfully landed and have been distributed thinly across the Dominion. There is no saying when further supplies of Giant Packages will be made available. So do act now if you suffer the pains of rheumatism, lumbago, frequent headaches or from blotchy skin—get your Giant Package, which includes the regular 75c bottle plus a free trial size bottle. Your money back if not satisfied after using free trial size bottle. Simply return regular bottle unopened. At all drug counters.

### BALLINAFAD

The members of the W.A. held their March meeting at the home of Mrs. W. Wiley. The opening devotionals were taken by the president, and Mrs. Vannatter. A short period was then devoted to business items. The roll call was answered with telling an Irish joke which provoked much laughter. A short reading on excerpts from the life of Jim Hunter, the popular newscaster, was given by Mrs. J. Kirkwood. The April meeting will be held at Mrs. J. Snow's.

We are glad to say that Marguerite Kentner, who has been suffering from a severe attack of rheumatic fever, is slowly recovering.

Mrs. J. F. Sinclair has been on the sick list for the past two weeks. We hope she will soon be better.

A three-act play entitled "Up the Hill to Paradise" is being prepared by the young people of this community and will be presented in the near future.

The Y.P.S. held their regular meeting Thursday evening in the church. The temperance topic "Is drinking necessary to popularity?" was taken by Mr. J. P. Kirkwood and Elwood Snow. The missionary part of the programme was in charge of Annie Snow.

Mrs. Walter Brown—Mrs. Mary Sayers, Mrs. J. Evans and Mr. W. F. Sayers were welcome visitors at our church service Sunday morning.

### NEW OVERSEAS PARCEL SERVICE ESTABLISHED BY CANADIAN LEGION

An overseas parcel service by means of which gifts of food, candies, cigarettes, tobacco, toilet articles and other "extras from home" can be sent to Canadians on active service in any part of the world has been established by The Canadian Legion War Services. It was announced today by Lieut.-Col. D. E. MacIntyre, general manager of the Legion administration.

Col. MacIntyre said that as far as possible, Canadian goods will be used in making up the parcels, although the actual packing will be done in England to expedite delivery. Permission has been granted, he said, for inclusion of personal messages with each parcel. Gift packages may also be sent to members of the British forces overseas and to officers and ratings of the Royal Navy.

While the Canadian Legion Overseas Parcel Service has been established primarily for the convenience of relatives and personal friends of the men on active service, others may make full use of the facilities offered. Col. MacIntyre added. For this purpose arrangements have been made with the authorities to ensure that such parcels will be presented to men without close relatives, or who would not normally receive "extras from home."

Headquarters of the Legion's parcel service is located in the Dominion Square Building, Montreal, to which address all orders and communications should be forwarded. An attractive explanatory folder and price list may be obtained free of charge from any branch of the Canadian Legion.
