THIS AND THAT IN SPORT

By G. "Mac" McQuay

A FEW evenings of skating at the Arena have been enjoyed so far this year, although the mild spell of Monday hampered good ice-making. The ice is not very thick, but the hockey boys have had some practice at least.

CONVENOR Art Badley, of Elora, called a meeting of the Intermediate executive of Group No. 2 at Guelph for Monday evening, but owing to weather conditions it was postponed until tonight. Among other business to be discussed will be the drawing up of the schedule for the 1940-41 season. Schedule will be published next week.

THE JUNIOR hockey club will open their schedule at Milton on Friday, December 27th, weather permitting, and on Monday, December 30, will journey to Orangeville. They will make their initial appearance at the arena here on January 2nd, when Milton play a return game.

NEWS in sportsdom is rather scarce until the boys really get into action on the ice lanes, but in the meantime we might review some of the O.H.A. rules that are now in force and which both players and fans can digest to their own benefit.

Picking Up Stick Thrown from Any Part of the Rink. A player whose stick is broken must obtain another, but may not receive a stick thrown on the ice from any part of the rink under pain of a misconduct penalty. Sticks may be obtained from any part of the rink.

Motesting Officials. Any player who touches or holds a referee or any minor official with his hand or his stick or intentionally trips or body-checks any of such officials shall automatically receive a ten-minute penalty for misconduct for the first offence and a match-misconduct penalty for a second offence in the same game. The use of a substitute for a player so suspended shall be permitted. The offender shall also be reported to the Branch Executive for further action.

Penalties to Managers and Coaches. Any manager or coach who holds or strikes an official shall be automatically suspended from the game and reported to the Branch Executive for further action.

Throwing Broken Stick Among Spectators. A misconduct penalty shall be imposed on any player who throws any part of a broken stick among the spectators.

Penalty for Gross Misconduct. The referee may order to the dressing room for the remainder of the game any player or manager guilty of gross misconduct. If a player so dismissed is taking part in the game a substitute shall be permitted.

Players Must Stay on Bench. During the progress of a match, all players taking part must remain on the

players' bench when not actually on the ice or serving penalties in the penalty box. Any player who, while at the players' bench, gets on the ice, throws any article on the ice or molests or interferes with opposing players or the officials, shall receive a match misconduct penalty and the incident shall be reported to the President for further action.

Using Over-size Stick. A match misconduct penalty shall be given to any player, except a goal-keeper, using an over-size stick. A penalty shot shall be awarded against a goal-keeper using an over-size stick.

WAR SAVINGS HONOUR ROLL

The War Savings Committee today announced the inauguration of an "Honour Roll" for employers and their employees to give recognition to outstanding co-operation in the regular purchase of War Savings Certificates. The Plan will be effective for the final quarter of this year, and first awards will be made early in the new year.

The number of full-time employees who are continuously pledged to the regular purchase of War Savings Certificates will be the basis of the award. To qualify, a firm and its employees must reach 75 per cent of participation. In the class from 75 to 89 per cent, the award will be a bronze seal; from 90 to 99 per cent, a silver seal; and for perfection of 100 per cent, a gold seal. The percentage will be determined by the relationship of the number of employees participating to the total number employed. Awards will be made quarterly. There are already indications that a number of firms will qualify for the top-ranking gold award.

"In establishing the Honour Roll," a statement by W. H. Somerville and George Beaubien, Joint National Chairmen, said, "the War Savings Committee seeks to give recognition to those organizations who have given wholehearted co-operation in their efforts to help finance the War by the regular purchase of War Savings Certificates. The Committee, in giving this recognition, realizes the importance of the contribution thus made to Canada's war effort, and so acknowledges the spirit of patriotism and the sacrifices so splendidly evidenced by both employers and employees."

CLOVERLEAF

As I was going to St. Ives
On one of my impromptu drives,
I met the scourge of modern brains,
A clover leaf with seven lanes.

Each lane had seven exits;
Each exit had seven signs;
Each sign had seven directions,
And each direction had seven lines.

Pressing my foot upon the gas,
I sped across the overpass,
And when I reached the other side,
An underpass I now described.

Each pass had seven bends;
Each bend had seven curves;
And each new twist my auto took
Unhinged by sevenfold my nerves.

Crashing to freedom through the bars,
I left behind me seven cars
Whose seven drivers had spent their lives
Making the journey to St. Ives.

CHRISTMAS COOKIES

Christmas, best loved day in all the year, will be here in a twinkling. Almost any time now you will be putting up the tree. Friends will be dropping in to see it and have a spot of tea. See that the cookie jar is filled to overflowing. The following recipe is an old favourite and makes about 6 dozen cookies.

1/2 cup butter
1/2 cup shortening
1/2 cup brown sugar
1/2 cup white sugar
2 eggs
2 1/2 cups pastry flour
1 teaspoon baking powder
1/2 teaspoon soda
1/2 cup sliced almonds
1/2 red cherries
1/2 green cherries
1/2 preserved ginger
1 teaspoon ginger syrup
1/2 teaspoon salt

Cream the butter and shortening, add sugar gradually, beat until light. Add eggs one at a time, beating after each. Add the ginger syrup and the sifted dry ingredients. Add the fruit and nuts. Shape into long rolls. Wrap in wax paper and put in refrigerator over night. When chilled, slice. Bake on a greased cookie sheet, in a moderate oven (375 F.), 3rd slide from the bottom, for 7 minutes.

NO 'SANTA CLAUS!

If it be true, as some do say
That there's no Santa Claus,
What is this spirit on the way
That never seems to pause
As Christmas chimes are sounding clear
Upon the frosty night,
In spreading splendid gifts of cheer
In every mortal's night?

What is this sense of glow divine
That comes to you and me
When watching all that happy line
Of children round the tree?
Whence comes this mantling atmosphere
So full of sweet release
That falls upon us once a year
And covers us with peace?

No Santa Claus? Oh, men of doubt,
Whence comes this sorry claim?
Would you so fair a spirit flout
For reasons of a name?
Dear Santa Claus is everywhere
Where hearts are true and kind,
And where there's love of man 'tis there
His presence rare we find.
