CANADA NEEDS YOUR MONEY NOW

The implements are abundant. These include hayloaders, dump, side, combination side rakes and ledders, horse and tractor drawn mowers, hay carriers, hay forks, hay tedders and presses.

However, that is only part of the story, for there are fanning mills and grain cleaners, grain grinders, hammer mills, barn and stable equipment, corn shellers, cream separators, ensilage and straw and stalk cutters, eveners, manure spreaders, potato diggers, pulpers and slicers, sleighs, hand and power sprays, wagons, wagon boxes, gears, wheelbarrows and many other implements used on the farm.

The mobile field kitchen being purchased in Great Britain with the funds of the Ontario Women's Institutes is built on a four-ton chassis and has facilities for cooking full-course hot meals, cafeteria style. These field kitchens are urgently needed in areas suffering from bombing attacks and are a necessity in Britain's communal feeding plan on bombing fronts.

You, too, can serve. Buy War Savings Certificates and help whip Hitler. Not only are you helping your country, but saving for your future.

Vegetable Seeds Sent to Britain

Ont. Women's Institutes Present 5,000 Packages of Seeds To British W.I. For Distribution.

Two thousand pounds (5,000 packages) of vegetable garden seeds are being forwarded by the Federated Women's Institutes of Ontario for distribution in Great Britain by the National Federation of Women's Institutes of Britain. The Ontario Women's Institutes have also forwarded a cheque for \$3,100.00 to the Ontario Red Cross Society for the purchase of a Field Kitchen for the British Home Office Fire Brigade Division, states Mrs. W. B. Leatherdale, Secretary-Treasurer.

British Women's Institute garden plots will be planted this spring with peas, beans, carrots and onions and the resultant crops from this Canadian seed should total many tons of fresh vegetables filled with health-giving vitamins for the valiant defenders of Great Britain. According to Mrs. Ernest Duke, Port Carling, President of the Federated Women's Institutes of Ontario, only vegetable varieties suitable to the English climate have been chosen. The money has been raised through the Central War Charities Fund of the Ontario Federation.

Halton Garage Operators Held Successful Meeting

The regular meeting of the Halton Branch of the Ontario Garage Operators' Association was held Tuesday evening, February 18th, in the Farmers' Hall, Milton, Ontario. The Vice-President, Mr. A. C. Patterson, was chairman for the evening.

The members and visitors turned out in far greater numbers than for many months. The interest and enthusiasm shown reached a high level and there was plenty of optimism regarding the future in the Branch.

A large number of business items came before the meeting for discussion. These were handled by the chairman in his usual efficient manner. During the business session the President gave a short address, and spoke relative to the life of the Association and the part Halton Branch is taking in the work, and said it behooves all to take an active interest in the Garage Operators' Association for only through concerted effort will one arrive at the pinnacle of one's desire and make all richer, wiser, and more contented in one's chosen line of endeavour.

The big event of the evening was the educational part of the programme put on by the United Motors Service Division of General Motors, Oshawa, and represented by Mr. S. B. Hester, Service Engineer and Mr. A. C. Richardson, of the Equipment Dept. Mr. Hester gave a very instructive address on Care, Maintenance, and Servicing of the electrical units of an Automobile which he also explained in great detail with the assistance of moving pictures, and his address was very much appreciated by all who attended. Mr. Richardson also spoke briefly.

A vote of thanks was expressed to United Motors Service and their representatives for their efforts in placing such an interesting evening at the disposal of the members of the Halton Branch.

A social half hour at the close brought one more evening to a happy ending.

Buy War Savings Certificates. Slaves cannot save, but YOU can.

HALTON FARMERS PROMINENT AT CONVENTION WEEK IN TORONTO

Thousands of Ontario farmers gathered in Toronto during the past two weeks for the annual meeting of the various livestock and other agricultural organizations. It will be of interest to Halton readers to learn that a number of Halton agricultural leaders took a prominent part at a number of these meetings and also that several were honoured by being elected on the provincial executives of these organizations. At the annual meeting of the Ontario Plowmen, Stanley Hall, a past president of the Halton organization which is recognized as one of the best managed Branch Organizations in the Province, gave an address on the subject of "Branch Management" which received considerable favourable comment. W. E. Breckon, President of the Halton Crop Improvement Association, was one of the speakers at the annual meeting of the Ontario Association. Later Mr. Breckon was appointed Vice-President of the Ontario Crop Improvement Association. Incidentally, the activities of the Halton Association including their displays of seed grain, sheaves, etc. was a centre of interest for many of the visitors from other sections of the Province. At the Ontario Sheep Breeders' annual meeting, J. H. Willmott, noted Hampshire breeder of Milton, was elected Vice-President of that the "Breeders" brought together 800 breeders of the Black and Whites. Here W. H. Robinson of

CERTIFIED SEED POTATOES

The best protection AGAINST DISEASED POTATO CROPS!

PLANT Canadian Certified Seed Potatoes in clean land—on part of the farm where potatoes have not been grown before.

Produce bigger yields of potatoes : : : that are more uniform in size, smoother, cleaner, of better quality than those grown from ordinary seed stock and avoid many of the losses that result from disease. Grow potatoes that will grade Canada No. 1.

Good seed potatoes cannot be selected by appearance alone — The best assurance of getting good seed is to buy Canadian Certified Seed Potatoes. Ask the District Government Inspector, Plant Protection Division, for full information and list of nearest distributors.

TSSA

Canadian National

Hornby was again honoured by being re-elected to the Western Ontario directorate of that organization. T. C. Amos of Moffat was appointed Vice-President of the Ontario Shorthorn Association while W. O. Brownridge is Vice-President of the Ontario Berkshire and T. J. Brownridge a director of the Ontario Tamworth Breeders. These are but a few of the meetings held during the past two weeks and no doubt many other Halton residents in addition to those mentioned received well deserved recognition. To all, we join with our readers in extending congratulations.
