Maclaren and McCartney Head War Services Fund Committee

Officers and Captains Chosen at Meeting — Drive will End with Celebration April 12th — \$2500 Quota for This District.

A meeting was held in the Legion Rooms on Monday evening for the purpose of laying plans for the Canadian War Services Fund drive for \$5,500,000. Georgetown's quota has been placed at \$2500, and the committee which was chosen at the meeting expressed confidence that the citizens would donate generously and put this community "over the top" in the campaign.

Mayor Joseph Gibbons, in opening the meeting, explained the purpose of the fund, which is to be shared by the Canadian Legion, Salvation Army, Y.M.C.A., Y.W.C.A., Knights of the Ku Klux Klan, and various branches of the I.O.O.F. All these organizations are devoting themselves to auxiliary war services, both in Canada and overseas, and instead of making separate appeals for funds, they are making one united appeal for money. This year, Gibbons introduced Mr. LeRoy Dale, president of the Georgetown Red Cross Society, and G. W. McMillan, treasurer of the organization, who both expressed their interest in the campaign and their best wishes for its success.

The district covered by the local committee comprises Ballinacree to the Base Line and Norval to the 4th Line. Mr. Alex. Maclaren was chosen chairman of the committee, with Mr. Fred McCartney, President of Branch 120, Canadian Legion, as Vice-chairman. H. C. McChure and A. C. Weik are secretaries.

Mrs. A. Reeve led in the devotional period taking as the subject of study, Psalm 54, David's prayer, at a time when, as a fugitive from the jealous King Saul, and fearing betrayal by the people to whom he had fled, he found comfort and courage in the trust that God, Who upholdeth the upright, would be his defence and deliverer.
Following a brief period of business, the president introduced as guest speaker, Miss Margot Rasch, formerly of Utrecht, Holland.
Miss Rasch, after completing her nurses' training, three years ago, left her native land "to see something of the world," and because she had friends in Canada decided that would be a good place to begin.
In a most entertaining and informal talk, the speaker gave an interesting informative review of observations she

THE WEATHER

Our first week of spring has been quite normal, with freezing temperatures at night and bright warm sunshines in day time. Just the kind of weather to start the sap running for those fortunate enough to be able to make maple syrup or sugar. The old snow has pretty well disappeared except in places where shaded from the sun, and there has been no rain or new snow for the whole week.
With the wonderfully fine covering of snow it has had all winter, fall wheat and all low vegetation has come through the winter as fresh and green as when the early snow covered it last fall, and March has gone out as gentle as a lamb.
Here are the local records for the week:

"The privies and garbage dump in our park do not give visitors good impression of town sanitation. The development of a municipal garbage collection service with some modern method of disposal will correct the latter at a low cost," said Dr. C. V. Williams, last night as he presented his annual report for 1940 to the town council.
Dr. Williams, who has been for years active in the campaign for a sewage system, has decided that it is inadvisable to do anything about this until after the war, but he does believe that an immediate remedy should be found for the garbage disposal problem in Georgetown. At the present time, the main town dump is located in the park, and complaints have been received from residents of the neighbourhood that waste paper blows into their yards from the dump.
If the town is not going to consider a complete system of garbage collection, it might be an improvement to license garbage conveyors, stated Dr. Williams. In this way, a check could be maintained on those who carelessly dumped refuse where it would blow about and cause trouble.
The council, in discussing the matter later, left the question of beautifying the park dump with the Property Committee. Suggestions that it be fenced with snow fence, and that evergreen trees be planted to encircle it, were made and left with the Committee for decision.

CELEBRATED BIRTHDAY ANNIVERSARY

A very happy time was spent at the home of Mr. and Mrs. W. J. Henry recently when a number of relatives gathered to assist in celebrating the 87th birthday anniversary of the latter's mother, Mrs. Elizabeth Henry. At the present time Mrs. Henry is the oldest resident of Cheltenham district, and despite her advanced years she is enjoying excellent health, and takes an active interest in the general affairs of the district. She makes her home at the home of a daughter, Mrs. William Hutchinson, and enjoys meeting her relatives and friends from time to time.
Mrs. Henry was born on the fourth line west, Chingacousy, and has spent her entire life in the immediate vicinity of her birth.
At the anniversary a sumptuous dinner was enjoyed, the table holding a

Good Health in Town
The report spoke highly of health conditions in town, showing 90% of public school children immunized against diphtheria and 86% against smallpox. He regretted that the dental inspection work, undertaken by the Georgetown Lions Club in 1939, had not been continued last year, as he felt it had been a worth-while health measure.
Mention was made of the pollution at times of the town water supply. Of 11 samples sent to Toronto for examination in 1940, only 5 were found Grade A. A solution for the problem is not easy, and so far the town has been fortunate in being able to trace no sickness which could be proved as due to the water. Chlorination would clear up the situation, but chlorination is difficult in a place

Two Toronto Men Jailed For Attack on Harry Chu

Third Man Absolved — Case Heard Monday in Milton Court

Lyall Rogers, Toronto, was sentenced to three months hard labour in Halton County Jail by Magistrate W. P. Woodliffe in Milton last Monday, when he appeared on a charge of wounding Patrick McCarthy, Toronto, taxi driver, a sentence of 30 days in jail when he appeared on a similar charge, while a companion, Joseph Wright, was found not guilty.

The three men were arrested on Saturday morning, March 22nd, after a razor attack on Harry Chu, proprietor of the Golden Gate Cafe. According to the evidence given, the three men entered the restaurant and after ordering sandwiches McCarthy and Rogers followed Chu into the kitchen. While McCarthy held the victim, Rogers produced a razor and inflicted a long cut in his throat. Joe Park, an employee at the Golden Gate was un-derstand to assist his employer. The two then escaped in their car, leaving Wright, who had taken no part in the attack in the restaurant. They were arrested a few hours later by provincial police.

It was learned that Rogers had come to Georgetown seeking revenge on a former employee of the Georgetown Cafe who had been instrumental in having his girl friend arrested on a charge of theft. Going to the restaurant he asked about the whereabouts of a certain Jim Chew. McCarthy said that Chu became flustered, and while Wright remained at the table, the other two followed Chu to the kitchen, where the attack took place.
"You went to Georgetown with the sole purpose of terrorizing a Chinese, taking with you a razor, a very dangerous weapon," declared Magistrate Woodliffe, in sentencing Rogers. In the case of McCarthy, Magistrate

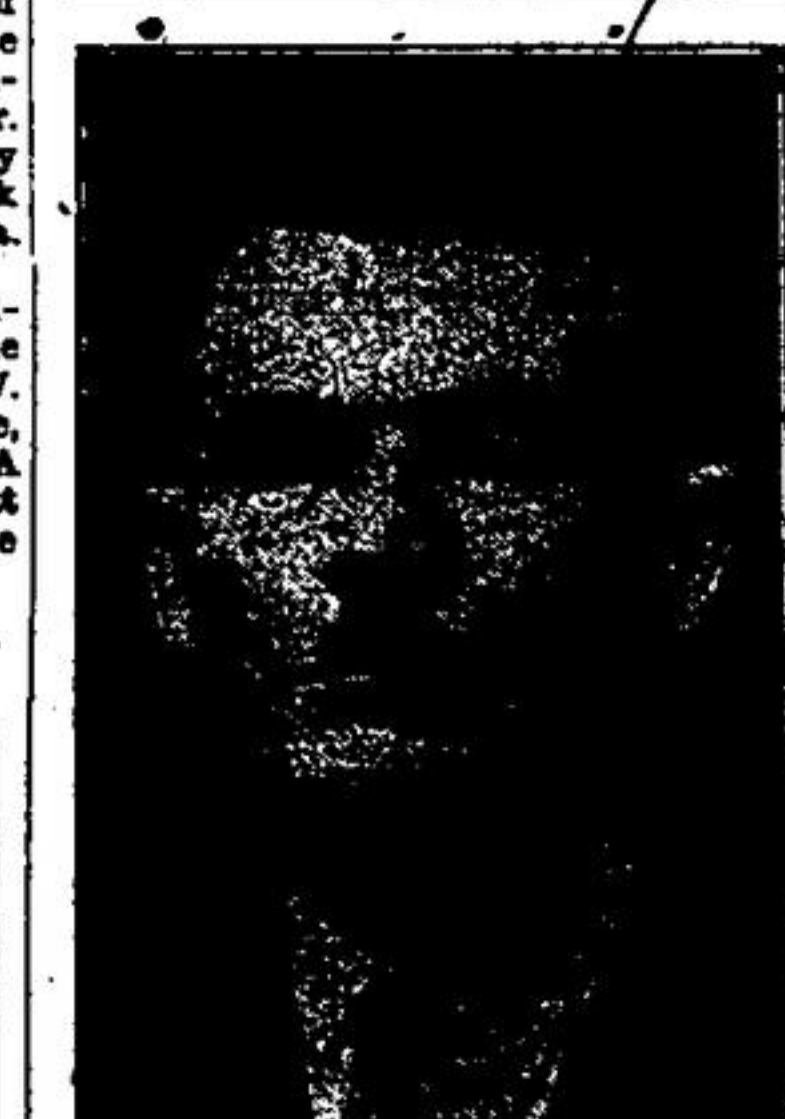

Woodliffe said his reason for participating was inexcusable.
W. I. Dick acted for the crown. J. P. Sam, of Warton, interpreted the evidence of both Chu and Park.
