

LIMEHOUSE

A number of the friends and neighbours of the McDonald family called on them after church on Sunday afternoon to present Clifford with a little gift before he moves with the Lorne Scots. Mrs. S. Glsby came forward with a leather bulldog, a fountain pen and pencil set, and a collapsible leather kit containing Yardley's shaving set, while Mrs. A. Benton read the following address:—

Dear Clifford:
This happy yet sad little gathering is but a small representation of your many friends in this community. Happy because you are willing to answer your Country's and the Empire's call to the colours; sad because we are going to be separated from you for a time and, in separation, there is always sadness. You have always been willing to help with any social, whether at your home or elsewhere, and we hope that by the will of the Almighty you will be with us again in the not too distant future.

As a slight token of the esteem in which you are held in this community we present you with these little gifts. And as you use them in your daily life away from us may they remind you of your associations at Limehouse. Good luck and God bless you and keep you safe until you return.

O bless our brave men everywhere,
On sea and land and in the air;
Be Thou their help whatever befall—
And in Thy mercy hear their call.

Forgive our sin, relieve our pain,
To this sad world give peace again;
Bless all Thy children, great and small
And in Thy mercy save us all.

Signed on behalf of your friends and neighbours:
Mary Glsby,
Maxine Ellsby,
Stephanie Nierie,
Arthur Benton.

It being the occasion of Mrs. McDonald's birthday also, Marion Norrie, on behalf of Limehouse community presented her with a large bouquet.

The regular June meeting of the Limehouse Women's Institute was held at the home of Mrs. Gowdy on Thursday afternoon with eleven ladies attending and the president, Mrs. Ellsby, in the chair. An incident of pioneer days was the roll call and some proved rather interesting. It was decided to pack another carton for the Salvation Army soon and to hold a quilting, if possible, once a week for the summer excepting during the week of our regular meeting. Mrs. Glsby and Mrs. Norrie were chosen as captains. It was decided to get a gift for a local boy in the army and a baby book for a new baby whose mother is a member. Twenty dollars (\$20.00) is to be spent during the season for jam for overseas, and donations to be given for war work as follows: \$25.00 to the Salvation Army, \$25.00 to the Georgetown Red Cross, and \$10.00 to the Central Fund of the W. I.

Mrs. Gowdy was asked to collect clippings concerning the doings of the W. I. for the county scrap book. Any news concerning the age of our branch and names of the first officers and members would be appreciated.

Mrs. Benton and Mrs. Wright reported on the District Annual held at Burlington on June 3. Mrs. F. Brown read an interesting paper entitled "Pioneer Days in Limehouse". Mrs. DeVries was guest speaker, choosing colonization as her subject, dealing particularly with the "Early Dutch Explorations." She displayed work in gold thread and wood carving done by natives in the Dutch East Indies, also coloured scenes of Holland.

The hostess and her assistants served lunch, including a birthday cake made by Mrs. Glsby for one of the members. During the lunch hour Mesdames Gowdy and Brown treated us to a duet "Pussy Willows."

"IN OUR MAIL BAG"

Georgetown, Ontario,
June 7th, 1941.

To the Editor,
Georgetown Herald.

Dear Mr. Editor:
In pursuance of our endeavor to keep before the minds of our citizens a subject of vital importance to community welfare, we are asking you to accept as an advertisement from our organization the enclosed news item, from the Globe and Mail, May 15th, 1941. This is but one of numerous items of news which appear in the press every week, which form a sad commentary on the results of the present system of liquor sale.

We place this information before our Georgetown citizens hoping that we who are so deeply concerned over the bombing out of Britain's homes may find time and effort also to concern ourselves about the "boozing out" of Canada's homes, as reported in the Globe and Mail article published below.

Fear of trespassing too greatly upon your space, Mr. Editor, prevents us from offering our usual annual analysis of the meaning of the news item concerning the town's Liquor Control Board cheque which last appeared in your issue of May 21st.

Suffice it to say that we estimate that since November 1st, 1934, the town's beverage room expenditure for beer, totals (and this is a conservative estimate) at least \$300,000. We shall be glad to furnish upon request an explanation of this calculation.

(Signed)
On behalf of Georgetown W.C.T.U.
(Mrs. C.B.) Catherine Dayfoot,
Press Secretary.

Describes Social Conditions As "Riot of Alcohol and Drunkenness"

"A riot of alcohol and drunkenness." Such was the description of social conditions in Toronto given by R. E. Mills, director of CHILDREN'S AID SOCIETY of Toronto, in his address yesterday to the members of the central council, Federation for COMMUNITY SERVICE.

"In the last war we had prohibition. Already in this war we have a situation existing the seriousness of which is little realized by the public. Those of us who know what is happening are DUTY BOUND to tell what we know of the scandalous problem on our hands right now," Mr. Mills declared.

The speaker pointed out that social agencies were taking the shock of present conditions and that the general public was not aware, therefore, of the seriousness of the situation. The Children's Aid Society is constantly faced with the problem of REMOVING CHILDREN FROM THEIR HOMES because excessive drinking has made such homes unfit for children, he said.
