AIR FORCE BOMBER WINGS WAY EAST

The above pictures show the Royal Canadian Air Force bomber and members of the crew which are carrying Canada's Victory Loan Torch across Canada. The plane left Victoria, B.C. on Empire Day following an impressive dedication ceremony. On its way

to Halifax the Torch will stop at many Canadian cities where Canadians will rededicate themselves to the cause of freedom for which the Empire fights. Later it will be flown across the Atlantic to be presented to Prime Minister Winston Churchill. Reading

from left to right members of the crew are: 1st Pilot Squadron Leader D. E. Galloway, Toronto; 2nd Pilot, P. B. Wireless Operator, Cpl. K. N. Brownell, Halifax; Air Engineer Mechanic, Cpl. G. J. Newton, Vancouver.

"DON'T SLACKEN," WARNS RED CROSS CHAIRMAN

A decrease in the amount of Red Cross supplies for Overseas now being sent by provincial Red Cross branches to the Ontario warehouse, has brought a warning to women from Mrs. Wal-

lace R. Campbell, national chairman Women's War Work Committee, against any slackening of war work during the summer months.

"The war is gathering in momentum," Mrs. Campbell said, "and it is little enough for us to give a few hours each day to a job we can still accomplish in the safety of comfortable work-rooms or the shelter of our own homes."

Red Cross has secured extra shipping space for the month of June and officials are anxious to get to Britain as much civilian clothing and knitted comforts as possible as a reserve for the future.

"It is hoped that every woman will realize how necessary it is to redouble our efforts and do twice as much work this summer and that it will be a disastrous thing if holidays cause a drop in the quantity of Red Cross supplies," Mrs. Campbell said.
