"IN OUR MAIL BAG"

Brantford, Ontario, June 14th, 1941.

The Editor, The Georgetown Herald, Georgetown, Ontario.

Dear Sir: I desire to express my sincere thanks to you and your staff for the privilege I enjoy in receiving a copy of the Herald each week.

Although I was not a resident of Georgetown until after I had joined the R.C.A.F., and even now am not a resident in the true sense of the word, it is very gratifying to be considered one of the boys.

I am fortunate in having a large number of friends in the community and news of their activities is always interesting and welcome. I am sure it is a pleasure, the true extent of which could not be realized until the possibility of enjoying it were ended.

Thanking you again for having placed my name on your mailing list, I remain,

Yours truly, (Opl.) J. T. HURST.
